LBOURN £12 l5s **£20** 0s £7 15s.

£7 15s.

Great Success of the Easy Payment System. Special Advantages of Thomas B. WAY'S System:

First Advantage—Having made this system of Purchasing Watches of all descrip-tions, Diamand and other Jewelleey a Speciality whefeby persons can obtain a firstclass article at CASH PRICES.

Second Advantage-in consequence of the Easy Payments, thousands of our leading citizens have already availed themselves of this Grand Opportunity of obtaining a Good Watch and chain, &c.

Whird Advantage-By only paying one lifth the value as the first payment of a good

Fourth Advantage—The after easy w<sup>c</sup>ekly, fortnightly or monthly payments are within the reach of all, who thus receive a good article at CASH PRICE. Fifth Advantage—That it causes so many people to save their spare money by secur-ing a good serviceable article, as many testify to the fact, were it not for this system the y should never be enabled to purchase at all.

Sixth Advantage-That all watches so obtained are guaranteed good timekeepers. Seventi's Advantage- That hundreds of testimonials expressing satisfaction of the goods so supplied, and the advantage it has been to customers.

Eighth A divartage—That Diamond or other articles may be obtained by Speciterms, or Watches on the following reasonable terms.

| First | Payments | Payments | Price of | First | Payments | Paym 4 10 0 1

2100 0 0 10 0 EXAMPLE

Of the Mo de to Adopt in obtaining, say a Watch, on Thomas B. Way's Easy Payment System. The Perso: I requiring a watch on making first payment System.

The Perso: I requiring a watch on making first payment, has simply to sign a form giving their name, occupation, and address in full, and the name of a respectable person or household or not as a guarantee, but simply as a proof that they are the person they represent them selves to be, and immediately the watch or other goods are delivered.

Customers who once adopt the plan always express their satisfaction, and are anxious to have other acticles.

All orders accompt mied by post-office order, bank cheque, or draft, on receipt of which will forward, carriage paid, to all post towns in the colony.

Watches forwarded by post for repairs, or otherwise, are recommended to be carefully packed in a tin or wood box, with wool or paper, to prevent their shaking about.

All orders executed by experienced workmen, so as to ensure satisfaction.

have or combating the effects likely to result. Hide it as he may, put on as good an exterior as he can, still is the victim conscious that he is a living lie, and that sooner or later his vice will discover him makes enquiries as to their standing, their length of occupancy or residence; and, in the case of a legal adviser, both as to his legal qualifications and as to his capabilities of transacting the individual business he consults him upon. Strange to say, however, in the selection of a medical man, the sufferer frequently omits these necessary pregarations, and without regard to the CRICKET SEASON, 1887-88 F. BLACKHAM, NEWS AGENT. STATIONER, ETC., BAY STREET, BRIGHTON, precautions, and without regard to the fitness, qualification, experience and ability Plain

Pl mad, are runed, in heath, and are bankrupt in spirits, hope and memory? Have I
not for years pointed out to them, that I,
Dr. L. L. Smith, am the only legally qualified medical man advertising in the colonies? Have I not also prosecuted, at my
own expense, these very quacks, and exposed-the various nostrums they are selling—such as Phosphodyne, Essence of
Life, &c.—and had them analysed and found
them to consist of Burnt Sugar and flavonring matter," and the certificates I have
proved to be all forgeries. It is for this
reason that I step out of the othics of the
profession and advertise, to give those who
require the services of my branch an opportunity of knowing they can consult a legally
qualified man, and one, moreover, who has
made this his special duty.

Dr. L. L. Smith is the only legally qualified medical man advertising, and he has and George Palmer (Inte Australian Eleven) from Boyle and Scott's immense stock. Dukes Match Balls, Patent Compesition Practice Balls, Wickets, Wicketkeeping rupt in spirits, hope and memory? Have I Lawn Tennis Balls. MRS. BLACKHAM'S REGISTRY OFFICE FOR SERVANTS. J. EILER (Late Mr. Hellwig),
Practical Boot and Shocmaker,

WATCHES: AND: JEWELLRY THOMAS B. WAY,

Importer and Manufacturer of Watches, - Clocks - and - Jewellery 35—Bourke Street,—35

Great Success of the Easy Payment System. Special Advantages of Thomas B. WAY'S, System: First Advantage—Haning made this system of Purchasing Watches of all descriptions, Diamand and other Jewelleey a Speciality whefeby persons can obtain a first class article at CASH PRICES.

Second Advantage—In consequence of the Easy Payments, thousands of our leading citizens have already availed themselves of this Grand Opportunity of obtaining a Good Watch and chain, &c. Third Advantage-By only paying one-fifth the value as the first payment of a good Fourth Advantage—The after easy weekly, fortnightly or monthly payments are within the reach of all, who thus receive a good article at OASH PRICE. Fifth Advantage—That it causes so many people to save their spare money by securing a good serviceable article, as many testify to the fact, were it not for this system they should never be enabled to purchase at all.

Sixth Advantage-That all watches so obtained are guaranteed good timekeepers. Seventh Advantage-Thas hundreds of testimonials expressing satisfaction of the goods so supplied, and the advantage it has been to customers Eighth Advantage-That Diamond or other articles may be obtained by Specia Terms, or Watches on the following reasonable terms.

EXAMPLE Of the Mode to Adopt in obtaining, say a Watch, on THOMAS B. WAY'S Easy Payment System. The Person requiring a watch on making first payment, has simply to sign a form giving their name, occupation, and address in full, and the name of a respectable person or householder (not as a guarantee, but simply as a proof that they are the person they represent themselves to be, and immediately the watch or other goods are delivered.

Customers who once adopt the plan always express their satisfaction, and are All orders accompanied by post-office order, bank cheque, or draft, on receipt of which will forward, carriage paid, to all post towns in the colony Watches forwarded by post for repairs, or otherwise, are recommended to be carefully watenes forwarded by post for tepans, of occurrence, and telegraphic about, each in a tin or wood box, with wool or paper, to prevent their shaking about,
