GAS CONSUMERS' ASSOCIATION.

No. 46 Little Collins-street West MELBOURNE.

Registered under the Copyright Act 1869: Section 20, Schedule 3, Part 1.

This Association has been duly registered and formed to protect Gas Consumers against inefficient supply and overcharge, consequent on defective and erroneous registration caused by faulty meters.

To have meters checked periodically by experienced officers as to accuracy of registration, and where defects are found to exist to at once take the necessary measures to bring said defects under the notice of the responsible authorities.

The Inspector will call on each Subscriber at least once a month, so as to necessarily watch their interests; to correct any overcharges that may arise through the change of registration, inefficient supply, or leakage, especially as regards Gas Stoves.

In cases where Subscribers may leave their houses for any period, notice should be at once sent to our Office, so that their interests may be properly watched during their absence. We should also be advised in the event of Subscribers changing residence.

The ANNUAL SUBSCRIPTION is 10s. (payable in advance) where the Meter is used; 5s. where two Meters are in use; and an arrangement can be made where more are required.

NOTE.—Old meters replaced by new ones of the best make where necessary, free of charge.
