GAS CONSUMERS'

ASSOCIATION.

No. 46 Little Collins-street West

MELBOURNE.

Registered under the Copyright Act

1869: Section 20, Schedule 3, Part 1.

This Association has been duly regis-

tered and formed to protect Gas Con-

sumers against indifferent supply and

exchange, consequent on defective

and unapproved registration caused by

faulty meters.

To have meters checked periodically

by experienced officers as to accuracy

of registration, and where defects are

found to exist to at once take the

necessary measures to bring said def-

ects under the notice of the respon-

sible authorities.

The Inspector will call on each Sub-

scriber at least once a month, so as to

unnecessarily watch their interests; to

receive any complaints that may arise

through inaccuracy of registration, in-

different supply, or leakage, especially

as regards Gas Stoves.

In cases where subscribers may leave

their houses for any period, notice

should be at once sent to our Office,

so that their interests may be narrowly

watched during their absence. We

should also be advised in the event of

subscribers changing residence.

The ANNUAL SUBSCRIPTION

is 10s. (payable in advance) where One

meter is used; 20s. where two meters

are in use; and an arrangement can be

made where more are required.

NOTE.—Old burners replaced by

new ones of the best make where neces-

sary, free of charge.
