The Victorian City & Suburban
GAS CONSUMERS'
ASSOCIATION.

No. 46 Little Collins-street West
MELBOURNE.

Registered under the Copyright Act 1869: Section 20, Schedule 3, Part 1.

This Association has been duly registered and formed to protect Gas Consumers against indifferent supply and overcharge, consequent on defective and erroneous registration caused by faulty meters.

To have meters checked periodically by experienced officers as to accuracy of registration, and where defects are found to exist to at once take the necessary measures to bring said defects under the notice of the responsible authorities.

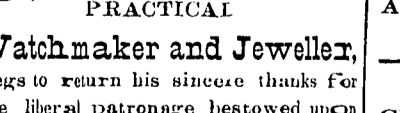

The Inspector will call on each Subscriber at least once a month, so as to unceasingly watch their interests; to receive any complaints that may arise through inaccuracy of registration, indifferent supply, or leakage, especially as regards Gas Stoves.

In cases where Subscribers may leave their houses for any period, notice should be at once sent to our Office, so that their interests may be narrowly watched during their absence. We should also be advised in the event of Subscribers changing residence.

The ANNUAL SUBSCRIPTION is 1/6 (payable in advance) where One Meter is used; 2/6, where two Meters are in use; and an arrangement can be made where more are required.

NOTE.—Old burners replaced new ones of the best make where necessary free of charge.

Cough No More!

PLUMMER'S
ROSE
COUGH MIXTURE

For Coughs, Colds, Influenza,
Shortness of Breath,
Asthma, etc., etc.

This invaluable Medicine has
the extraordinary property
of immediately relieving
Coughs, Colds, Hoarseness,
Difficulty of Breathing, and
Hoarseness in the throat.

It operates in dissolving
accumulated Phlegm, consequently
causing a free expectoration. Those who are
troubled with that tickling
in the throat, depriving them
of rest night after night by
the incessant cough which it
provokes, will, by taking one
dose, find immediate relief,
and One Bottle, in most
cases, will effect a cure.

In Asthma, Chronic Coughs,
Difficulty of Breathing, etc.,
the Cures that have been
performed are Truly Wonderful.
Many who for years
have been unable to lie down
on their beds without danger
of being choked (which
invariably causes a dreadful
cough) and others who only
with difficulty could breathe
at all in a room, have
been enabled to lie down
comfortably in their beds.

QUEEN MARY OF BAVARIA.

Queen Mary of Bavaria, who died last week at the age of 82, was the daughter of King Maximilian II of Bavaria and Queen Sophie of Prussia.

She was a devoted and pious woman, and her death was a great loss to the world. She was buried in the Royal Mausoleum at Munich.

Her life was marked by many interesting incidents, and she was a great favorite of the people. She was a devoted mother and a devoted wife.

She was a great lover of art and science, and she was a great patron of the arts. She was a great friend of the poor and the oppressed.

Her death was a great loss to the world, and her memory will be long and fondly remembered. She was a great and noble woman.

AN IMPOSTOR.

My name has been appearing in the columns of the Leader for some time past. I have been identified as the author of several articles, and I have been mentioned in connection with various public matters. I am sorry to say that I have never written any of the articles mentioned, and I have never been connected with any of the public matters mentioned. I am, therefore, an impostor, and I am sorry to have been so mistaken for another person.

THE CHAIN OF SAIL.

It is a well-known fact that the chain of sail is a very important part of a ship's equipment. It is used to hold the sails in place, and it is made of a material that is strong and durable. The chain of sail is made of iron or steel, and it is attached to the mast and the boom. It is a very important part of the ship's equipment, and it is used in all kinds of sailing vessels.
