Cough No More!

PLUMMER'S ROSE COUGH MIXTURE

For Coughs, Colds, Influenza, Shortness of Breath, Asthma, etc., etc.

This invaluable Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness, Difficulty of Breathing, and Huskiness in the throat. It operates in dissolving congealed Phlegm, consequently causing a free expectoration. Those who are troubled with that tickling in the throat, depriving them of rest night after night by the incessant cough which it provokes, will, by taking one dose, find immediate relief, and One Bottle, in most cases, will effect a cure.

In Asthma, Chronic Coughs, Difficulty of Breathing, etc., the Cures that have been performed are Truly Wonderful. Many who for years have been unable to lie down on their beds without danger of being choked (which invariably causes a dread full cough) and others who only with difficulty could breathe at all in a recumbent posture, have by taking one dose of the ROSE COUGH MIXTURE been enabled to lie down comfortably in their beds.

Sold by all respectable Chemists and Storekeepers.
In Bottles 1s 6d. and 2s 6d. each.
