**Cough No. More!**  
**PLUMMER'S ROSE Cough Mixture.**  
For Coughs, Colds, Influenza, Shortness of Breath, Asthma, etc., etc.

This invaluable Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness, Difficulty of Breathing, and Hiccups in the throat. It operates in dissolving congealed Phlegm, consequently causing a free expectoration. Those who are troubled with that tickling in the throat, depriving them of rest night after night by the incessant cough which it provokes, will, by taking one dose, find immediate relief, and One Bottle, in most cases, will effect a cure.

In Asthma, Chronic Coughs, Difficulty of Breathing, etc., the Cures that have been performed are Truly Wonderful. Many who for years have been unable to lie down on their beds without danger of being choked (which invariably causes a dreadful cough) and others who only with difficulty could breathe at all in a recumbent posture, have by taking one dose of the **ROSE COUGH MIXTURE** been enabled to lie down comfortably in their beds.

Sold by all respectable Chemists and Storekeepers.

BOXING DAY. HOW VICTORIANS OBSERVED IT. [By a Boeremian.] Mr. Elbery, being his own proprietor of the evening paper, has proved his abilities to forecast the weather for a little longer than 24 hours. Tuesday he informed us that "Christmas would be a fine day, and that it would continue to increase; and that the weather would be fine and sunny for a few days more."

THE BUILDING ENTIRELY DESTROYED. The Mutual Store, in Flinders street, 4 o'clock on Thursday morning, about half past four, the fire broke out from the rear of the building. The fire was first seen by Mr. Stewart, the fire officer, who would call it happened to be passing, and was then burning most on the ground floor, not far from the entrance. The firemen had demolished the iron-bound doors, and had the flames in a few minutes completely hushed, and in three hours the noble structure, which was only erected a few years ago, was a ruin.

DAIRIES AND THE BOARD OF HEALTH.

THE BOARD OF PUBLIC HEALTH, now that they have fairly got into working order, find that many advertisements are needed in the Health Act. In order to make their labors truly effective...

WORTH BEARING IN MIND.

Don't expect an advertisement to bear fruit in one night. It is a mistake to think of human life and advertising is the same business. You can't eat enough in a week to last a year and you can't advertise on that plan either.
