**Cough No More!**

**PLUMMER'S ROSE**

**Cough Mixture.**

For Coughs, Colds, Influenza, Shortness of Breath, Asthma, etc., etc.

This invaluable Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness, Difficulty of Breathing, and Huskiness in the throat. It operates in dissolving congested Phlegm, consequently causing a free expectoration. Those who are troubled with that tickling in the throat, depriving them of rest night after night by the incessant cough which it provokes, will, by taking one dose, find immediate relief, and "One" Bottle, in most cases, will effect a cure.

In Asthma, Chronic Coughs, Difficulty of Breathing, etc., the Cures that have been performed are Truly Wonderful. Many who for years have been unable to lie down on their beds without danger of being choked (which invariably causes a dreadful cough) and others who only with difficulty could breathe at all in a recumbent posture, have, by taking one dose of the ROSE CAUGH MIXTURE, been enabled to lie down comfortably in their beds.

Sold by all respectable Chemists, and Storekeepers.

In Bottles 1s 6d. and 2s. 6d. each.

THE AFRICAN LOUST.

According to reports from Algeria, a new species of louse has been discovered in the Sahara. It is called the African louse, and is said to be a new species of the genus Pediculus. It is found on the heads of the natives of the Sahara, and is said to be a very common pest. It is said to be a very common pest of the natives of the Sahara, and is said to be a very common pest of the natives of the Sahara.

SOME MODELS I HAVE KNOWN.

There are many models of men, some of whom are very good, and some of whom are very bad. Some of the good models are those who are true to their principles, and who are not afraid to stand up for what they believe is right. Some of the bad models are those who are false to their principles, and who are afraid to stand up for what they believe is wrong.

THE DECLINE OF FANS.

In one of the most interesting of the many articles which have appeared in the North-Cote Leader, the decline of fans is discussed. It is said that fans were once very popular, but that they have now become almost obsolete. This is due to the fact that fans are no longer considered to be fashionable, and are therefore no longer worn.

THE GREAT DISCOVERY OF MUMMIES AT THEBES.

At a time when so many reports are being made of the discovery of mummies in Egypt, it is not surprising that a new discovery has been made at Thebes. It is said that a large number of mummies have been discovered in a tomb at Thebes, and that they are in a very good state of preservation.

"OLD TRUENHERL."

"He was in nothing an outlier," so writes President Harrison of one of the most interesting of the many articles which have appeared in the North-Cote Leader. It is said that "Old Truenerl" was a very famous man, and that he was a very good man.

THE LADIES COLUMN.

The following items on dress-making, millinery, and hairdressing, are taken from the North-Cote Leader. They are all very interesting, and are sure to be of interest to all our readers.

HOUSEHOLD AND FURNISH.

There are many things which are very useful in the household, and which are also very cheap. Some of these things are those which are made of wood, and which are very durable. Some of these things are those which are made of metal, and which are very strong.

INDIAN WARS AND INDIAN TROOPS.

The number of Indian troops which are now in the service of the British Government is said to be very large. It is said that there are now more Indian troops in the service of the British Government than there were a few years ago.

THE WONDERFUL THIEF OF THE FRENCH.

The French press has given another sensational article on the subject of the "Wonderful Thief of the French." It is said that this thief has been very successful, and that he has stolen a large number of things.

THE DEBILITATED.

There are many people who are said to be "debilitated," and who are therefore unable to do their work. This is due to the fact that they are not getting enough rest, and are therefore not in good health.
