TEAMEN & DAIRY PRODUCE  
MERCHANTS,  
HIGH STREET, NORTHCOTE.  
Northcote Public seem to "catch on."  
Our establishment's success, the  
fact which we have every day to  
prove, is a sufficient proof of the  
value of the goods we sell. We are  
able to supply and price.  
That is far above competing dealers rates.  
Henceforth we called attention  
And made lengthy special mention  
In regard to T.E.A. a white unrivalled branch.  
To seek custom and inspection  
In a different direction.  
These simple little verses now we launch.  
As sweet as any nut, or  
Rose, or Violet, is our BUTTER—  
This the "Acme" brand and "Separator"  
No regulation round its hinges [made  
Of a trace of dirty fingers.  
And our EGGS are sold almost as soon as  
laid.  
We our reputation stake on  
All our CHEESE and HAM and BACON,  
In fact no objection can compete;  
Without fear of contradiction,  
We assert it is no fiction.  
We're the CHEAPEST house and BEST in  
all the street.

THE UNWRITTEN LAW OF PARLIAMENT has always been in Victoria to close the session before Christmas, and so allow Ministers a breathing space of five or six months in which to consider and perfect the measures to be submitted to Parliament.

reason is not far to seek. Had the Casterton programme been adhered to there can be little doubt but that Ministers would have closed the session with comparative safety to themselves, and with considerable satisfaction to the country.

Some vandals visited Cr. Brock's homestead at the beginning of the week and indulged in the silly work of pulling down the fence and setting off the bushes.

Another life was lost in the city on Thursday by a lift accident which took place at the Latrobe Bond and Free Stores, 455 Latrobe Street.

The official assignees in Sydney have taken to playing cricket. In the history of the colony bankruptcy business was never so good, looking at it from the standpoint of the assignee.

Peacock had a most delicate job the other day over that young lady teacher. She wanted to become exempt from a rule of the party voting to "baptize the pupils."

The Anarchists in Spain are making violent and alarming demonstrations. Fiacents have been published by the organs of the party voting to "baptize the new year in blood."

bar and called for drinks, but having got them refused to pay. One of their number said he would go out and get the money from a "lady" member of the company.

After protracted delay the Attorney-General decided on Wednesday that the opinion of Messrs. Finlayson and Mitchell in regard to the criminal responsibility of the officers of the Mercantile Bank shall be acted on, but it was specially desired that the decision should not be publicly announced until certain preliminary measures had been taken.

Steeples-chasing is not the safest of amusements even in the old country, but judging from Mr. Dickinson's paper on "Hacing in Australia" in Scribner it is child's play compared with the way in which it is pursued in the Antipodes.

Steeples-chasing, which is another popular feature of every meeting, is conducted upon a track just inside the main course, although at the finish the horses cross paths and end the race in the "straight" before the Grand Stand.

A correspondent writes:—For the past few weeks a black cow with a bell affixed to her neck has annoyed the rattle-payers of the south ward, especially the light sleepers.

Up to date the Broken Hill relief committee has received £1054, and orders have been issued to the value of £350. From inquiries made in various quarters it is evident that, though a few very severe cases of distress exist, there is not so much general suffering as most of the men have either got back to work or left the district.

LOCAL ISMS.

Cr. McLean on Thursday night twice referred to Senior-constable Marks as "Councillor" Marks. Is this a case of "Coming events casting their shadows before?"

A woman riding on a Clifton Hill tram car in Queen's Parade on Tuesday fell in what appeared to be a fit, but when the conductor handed her over to a constable she said she had taken poison.

At the Northcote town council meeting on Thursday evening Cr. Peard dropped a few hints about retrenchment in office expenses.

Mr. Gladstone's Home Rule Bill is to be introduced into the House of Commons next month.

The authority of Scotland Yard acting on instructions received from the Crown law authorities in Melbourne, have issued a warrant for the arrest of Mr. Millidge.

Steeples-chasing in AUSTRALIA.
Steeples-chasing is not the safest of amusements even in the old country, but judging from Mr. Dickinson's paper on "Hacing in Australia" in Scribner it is child's play compared with the way in which it is pursued in the Antipodes.

The "Bebes in the Wood" at the Royal has also achieved great popularity, where the grand historical tableaux representing the kings and queens of England and the transformation scenes are particularly splendid.

NORTHCOTE TOWN COUNCIL.

THURSDAY, JANUARY 5.
Present:—Cr. Smith (mayor), McIntosh, Taylor, Verso, Dennis, Candy, Yeomans, Hastings, Burrows, McLean, Kuttou, Hagley, Pearl, Thompson, and Tidswell.

From Metropolitan Gas Company notifying that the present contract for street lighting would terminate at the end of December, and stating that they would continue to supply gas on the old system if not advised to the contrary.

Mr. R. Willis having secured a licence to retail wine by the single bottle the Mayor and Cr. McLean were appointed to attend.

It is said that the other Preston resident believes he has secured an increase of some £3,000.

Cr. Yeomans explained that the committee favored the idea of floating small loans of, say, £5000, as this would prevent the work being rushed and local contractors would have a better chance.

It is recommended that the plan prepared by the town surveyor be approved and the town clerk directed to give the necessary notice, as required by the Local Government Act, for the compulsory taking of the land required.

Cr. Pearl asked the chairman of the finance committee if, with a view of retrenchment during the coming year, the officers of the council had intimated that they were prepared to accept a reduction in their salaries.

Cr. Pearl asked the chairman of the finance committee if, with a view of retrenchment during the coming year, the officers of the council had intimated that they were prepared to accept a reduction in their salaries.

RETIREMENT OF SENIOR-CONSTABLE MARKS.

HOW HIS SERVICES HAVE BEEN APPRECIATED.
At the Northcote Town Council on Thursday evening the following letter was received from Senior-Constable Marks:—

"Having sent in my resignation as the officer in charge of the police Northcote, I also tender my resignation as summoning officer to your council. I feel I cannot leave without expressing my gratitude and thanks for the many acts of kindness and civility received from the mayor, councillors, and town clerk, and every officer connected with the council, who are a credit to any council for the manner in which they discharge their duty, and I can especially recall with satisfaction the pleasant relations which always existed during the time that I had the honor of acting as an officer of your council."

Cr. Verso said it was due to Senior-constable Marks that the council should express their appreciation of his services and accord him their good wishes and record same in the minutes.

Yeomans had much pleasure in supporting the motion. Senior-Constable Marks had proved himself a most efficient officer, and had given satisfaction to all, discharging his duty without fear or favour; and it would not be becoming on their part if they did not at their appreciation on record in the way suggested.

Cr. Hastings in supporting the resolution said Senior-Constable Marks was not so kind as some of the rough characters he had to deal with might like him to be, but he had shown his kindness to all.

WOODCOCK & GIBSON'S TROPHY.
The match Northcote v. Abbotford will be continued to-day. The following are requested to meet at Northcote Town Hall at 2.15:—Anderson, Angus, Bailey, Buckley, Curlew, Denwood, Dixon, Dickson, W. Johnson, Kinnear, O. Nichols, J. O. Reilly, H. Williams, A. Taylor, and G. Watson.

Cr. Peard said he would be satisfied if the matter came on for consideration by that time.

THE PANTOMIMES.
Ongoing attendances have witnessed the pantomimes of "Ali Baba and the Forty Thieves" at the Princess Theatre during the week and the general verdict is that for an all round entertainment it fully equals if it does not excel anything of the kind hitherto seen in Melbourne.

A GUNPOWDER PLOT.

BY A SECRET SERVICE DETECTIVE. In the fall of 1891 it was detailed by the Chief of the Secret Service Bureau at Washington to look after a couple of fellows who had come on to Washington to strike a blow in favor of the Southern Confederacy by kidnapping Lincoln, blowing up public buildings or assassinating public officials. The white man received word to show that the pair were cranks, who would do more work with their hands than with their heads, but it was nevertheless a wise step to look after them.
