PRESTON SHIRE COUNCIL.

MONDAY, AUGUST 5TH. Present:—Cra. Harris (President), Peterson, Brock, Showers, Storey, Bayles, Crawley, and Marshall.

MEMBERS. Henry C. Haas, of Preston State School, wrote reporting several cases of measles amongst the children.—Received.

A BRIDGE. Geo. Amoy wrote asking permission to build a bridge over the main drain, Oakford Road, to allow of his passing in and out of his property.—Granted subject to approval of engineer.

A CAB STAND. Jas. Eggleston and six other cab-drivers asking permission to establish a cab stand at Bell Street in connection with the tramway from Bell Street to Clifton Hill.

RELIEF WORKS. After discussion it was resolved on the motion of Cr. Showers and the president to grant the request of the relief works in favor of having the stand at Cranmer Street, but Cr. Brock said: "Don't ask me more than I can give."

THE METROPOLITAN BOARD OF WORKS. The Metropolitan Board of Works drew drawing attention to the fact that night soil was being deposited close to the board's 18 inch and 30 inch main sewer at Regent Street, Preston, which was a nuisance to the public health.

INSPECTOR'S REPORT. Mr. Horton reported having visited "Foster's" farm at corner of Regent Street and Gilbert Road, for which a permit to distribute soil under such circumstances as the present would tend to pollute the water supply of the metropolis.

FINANCE COMMITTEE. This was submitted by Cr. Marshall and recommended the passing of accounts amounting to £611 11s. 10d.—Adopted.

IMPROVEMENTS TO COVER STREET. In connection with the proposed ratways to Gowen Street, Cr. Peterson moved and Cr. Bayles seconded that the matter be referred to the work.—Carried.

PERMITS. Timothy Foley wrote requesting the council to extend his permit for one week to use a night soil on land situated at corner of Regent Street and Gilbert Road, owing to his having been unable to carry out work on account of recent rain.—To be dealt with under inspector's report.

THE NATIONAL BANK. The Manager National Bank wrote notifying that it was the intention of his directors to close the local branch of the bank.

ALDERMAN O'NEILL. The Secretary Heidelberg Shire wrote stating that the cost of work on the abutment to the Doreen Creek bridge, viz., £20, was excessive, and that he could not recommend his council to pass the amount.—Referred to engineer to confer with the Heidelberg authorities.

ENGINEER'S REPORT. Cr. Showers maintained as justified. The President said he considered Cr. Bayles had voted against the permit all through, and ruled that Cr. Showers was not justified in his assertion.

"Our journey does not have to end, Harold, remarked Lovetvski, as he looked at the man who was sitting over the camp fire...

"No sooner did the keys of the door than we dashed outside, and I saw the man who was sitting at the table...

"I am not a Russian peasant," remarked Lovetvski, as he looked at the man who was sitting over the camp fire...
