PROFESSOR THULINIUS.
MY DEAR SIR,—I feel I should be wanting in duty did I neglect the opportunity of sending you my testimony as to the wondrous efficacy of your rheumatic specific.
For the past ten years I have been a complete martyr to rheumatism in all its forms. I have tried doctors and hospitals at various times of suffering, and also, I think, every form of advertised remedies, and also followed the advice of well-meaning friends, with a view of effecting a cure for this most trying disease. All that I have been able to accomplish hitherto has been, at best, temporary relief from pain. I am well known, and scores can testify that at best I could only crawl about with difficulty, and am surprised at my present agility in getting about from place to place. After leaving Little Bay Hospital at the close of last year, I was persuaded to try a bottle of your “Thulinus,” and in a week or so afterwards I could get about fairly well. Upon again suffering a relapse last February, I took another bottle, with an equally successful result; but at last I determined to go through a course of treatment, and have just completed my fourth bottle, with the gratifying knowledge that I am now free from pain, can walk any reasonable distance without fatigue, have an excellent appetite, and feel myself again competent to re-enter my profession, added to which my oft-repeated attacks of pleurisy have become things of the past. I have not distasteful myself in any way, so all the credit is due to your wonderful remedy, under Providence, that my blood is becoming purer daily, and its effects upon my liver and kidneys most pronounced. I send you with this the date of my previous attacks and sufferings should you wish to show them. I shall only be too glad personally to convince fellow sufferers of the benefits to be derived from a course of your treatment, as exemplified in my own case after ten years' martyrdom.—I remain yours faithfully,
W. H. NEWTON NEWMAN,
Teacher of Music, and twenty-five years Actor and Manager.
The Rev. J. D. LANGRISH, St. Phillip's Parsonage, can testify as to the crippled state of Mr. Newman prior to his taking “Thulinus.”

DETECTIVE'S PRETTY NEIGHBOR;

THE STORY OF A COMPLETE REVERSAL.

By the Author of "Nick Carter."

CHAPTER III.—THE PRISONER TAKEN. Nick looked steadily into the old policeman's face...

Nick knew that he must do quick work. He determined to reach the big street...

"What the devil!" said the officer. "That's no man, but a woman!"

"What do you mean?" said the officer. "That's no man, but a woman!"

"What do you mean?" said the officer. "That's no man, but a woman!"

"What do you mean?" said the officer. "That's no man, but a woman!"

"What do you mean?" said the officer. "That's no man, but a woman!"

"What do you mean?" said the officer. "That's no man, but a woman!"

THE TWO HIGHWAYMEN.

It was a fine day, and the sun shone brightly...

I began at last to think that the ball would never come to an end...

"You are always talking as if you were a man of letters," said the other...

"You are always talking as if you were a man of letters," said the other...

"You are always talking as if you were a man of letters," said the other...
