PROFESSOR THULINIUS.

MY DEAR SIR,—I feel I should be wanting in duty did I neglect the opportunity of sending you my testimony as to the wonderful efficacy of your rheumatic specific.

For the past ten years I have been a complete martyr to rheumatism in all its forms. I have tried doctors and hospitals at various times of suffering, and also, I think, every form of advertised remedies, and also followed the advice of well-meaning friends, with a view of effecting a cure for this most trying disease. All that I have been able to accomplish hitherto has been, at best, temporary relief from pain. I am well known, and scores can testify that at best I could only crawl about with difficulty, and am surprised at my present agility in getting about from place to place. After leaving Little Bay Hospital at the close of last year, I was persuaded to try a bottle of your "Thulinus," and in a week or so afterwards I could get about fairly well. Upon again suffering a relapse last February, I took another bottle, with an equally successful result; but at last I determined to go through a course of treatment, and have just completed my fourth bottle, with the gratifying knowledge that I am now free from pain, can walk any reasonable distance without fatigue, have an excellent appetite, and feel myself again competent to re-enter my profession, added to which my oft-repeated attacks of pleurisy have become things of the past. I have not dieted myself in any way, so all the credit is due to your wonderful remedy, under Providence, that my blood is becoming purer daily, and its effects upon my liver and kidneys most pronounced. I send you with this the date of my previous attacks and sufferings should you wish to show them. I shall only be too glad personally to convince fellow sufferers of the benefits to be derived from a course of your treatment, as exemplified in my own case after ten years' martyrdom.—I remain yours faithfully,

W. H. NEWTON NEWMAN,
Teacher of Elocution, and twenty-five years Actor and Manager.
LARGEY, St. Phillip's paragon, can testify as to the crippled state of Mr. NEWMAN prior to his taking "Thulinus."

HUNDREDS YEARS AGO.

IN MERRILL ENGLAND.

Perhaps nothing brings to mind more vividly the changes which the last hundred years have wrought in our world than the turning over the pages of a very old book.

The book in question is the Royal Calendar for 1571, which was published in London by the printer, Richard Grafton.

The calendar is a very interesting document, not only because of its age, but because of the information it contains.

PRESTON SHIRE COUNCIL. MONDAY, MAY 6TH. Present—Crs. Baylis (president), Crowley, Marshall, Paterson, Nichol, Howley, Barrow, White, and Howden.

COMPLAINT RE-DRAINAGE. The manager Inspector Permanent Building Society wrote calling attention to a leaky drain at the side of a brick cottage in Garnett street, owned by Mrs. Short, Northcote.

WATER FOR GILBERT ROAD. The Metropolitan Board of Works wrote stating that the duration of a guarantee from the council to themselves was 10 years, but it was understood that it must be renewed at the end of that period if the board considered it necessary.

THE METROPOLITAN BOARD OF WORKS. The president explained the position. Based on the valuations the water revenue only amounted to 1 and 5/16 per cent, but on the actual consumption of water through the meter was considerably more than the stipulated 6 per cent.

CR. PATERSON, in moving the adoption of the clause, said he thought they might claim to have done very considerably more than the stipulated 6 per cent. Cr. Marshall, in keeping down extra.

INSPECTOR'S REPORT. Mr. Horton reported favorably re applications for permits to use night-soil by Messrs. J. Brangrove, M. Lynch, John Healy, and A. Short and they were granted accordingly.

ORDINARY BUSINESS. Cr. Paterson submitted a report containing the recommendations of the local municipal committee re sewerage scheme—Received and ordered to lie on the table for personal of councilors, notice of construction of report to be sent to the chairman of committee, Cr. Knox.

THE PRESIDENT moved that in order to secure a voice in the management of the Melbourne hospital the council anticipate their annual charitable vote by one month and pass at this meeting the resolution of £2 to that institution. This would give five of their members votes in the election of the hospital officers, which came on in a fortnight.

CR. HOWEN seconded the motion, which was carried. Cr. Howden favored a ballot being taken to decide who should have the vote.

CR. PATERSON remarked that anybody was welcome to his as he had one already. Cr. Barrow said he had one also. The president said he would ascertain if "plural voting" was allowed. If not he would see that councilors got the votes who could use them.

CR. HOWEN moved that the committee of the whole consider the matter of calling applications for a valuator, at £25 a year—Agreed to. Cr. Howden called attention to the nuisance caused by people allowing hedges to grow on the footpaths. He moved that the inspector send notices on all offending—Carried.

ACKNOWLEDGMENT OF HOSPITALITY. An interesting letter was received from Mr. Jas. Ryan, secretary of the Epping and Whittlesea shire, reviewing the past history of the shire and warmly thanking the president and councilors for hospitality received at their hands on the occasion of the opening of the municipal buildings—Received.

FINANCE COMMITTEE. The report was submitted by Cr. Howden, recommending—1. That accounts amounting to £28 7s 3d be passed for payment—Carried. 2. That the tender for...
