PROFESSOR THULINIUS.

Mr. DEAR SIR,—I feel I should be wanting in duty did I neglect the opportunity of sending you my testimony as to the wondrous efficacy of your rheumatic specific.

For the past ten years I have been a complete martyr to rheumatism in all its forms. I have tried doctors and hospitals at various times of suffering, and also, I think, every form of advertised remedies, and also followed the advice of well-meaning friends, with a view of effecting a cure for this most trying disease. All that I have been able to accomplish hitherto has been, at best, temporary relief from pain. I am well known, and scores can testify that at best I could only crawl about with difficulty, and am surprised at my present agility in getting about from place to place. After leaving Little Bay Hospital at the close of last year, I was persuaded to try a bottle of your "Thulinus," and in a week or so afterwards I could get about fairly well. Upon again suffering a relapse last February, I took another bottle, with an equally successful result; but at last I determined to go through a course of treatment, and have just completed my fourth bottle, with the gratifying knowledge that I am now free from pain, can walk any reasonable distance without fatigue, have an excellent appetite, and feel myself again competent to re-enter my profession, added to which my oft-repeated attacks of pleurisy have become things of the past. I have not dined myself in any way, so all the credit is due to your wonderful remedy, under Providence, that my blood is becoming purer daily, and its effects upon my liver and kidneys most pronounced. I send you with this the date of my previous attacks and sufferings should you wish to show them. I shall only be too glad personally to convince fellow sufferers of the benefits to be derived from a course of your treatment, as exemplified in my own case after ten years' martyrdom.—I remain yours faithfully,

W. H. NEWTON NEWMAN.
Teacher of Music, and twenty-five years Actor and Manager.

Largest Circulation and Best Advertising Medium in the Northern Suburbs. NORTHCOTE, PRESTON, THOMASTOWN, EPPING, WHITTLESEA, FAIRFIELD, HEIDELBERG, CLIFTON HILL. SATURDAY, JUNE 8, 1895.

STRAY LEAVES. FROM THE DIARY OF AN OLD NORTHCOTE BOY.

WANDERINGS IN DERBYSHIRE. Here in wild pomp magnificently bleak. Suspended Matlock towers and the Peak. Here rocks on rocks, forests forests rise.

Round this coast, by the light breeze. Of the holy Florence, saintlike and lovely. That had inhaled a glorious form.

Lea Hurst is the former home of a Derbyshire heroine, Florence Nightingale. Mary's tower is a small square tower, situated on an island in the middle of a pretty lake, and is approached by a light of steps.

After a rest under a noble chestnut tree, whose spreading branches sheltered John Westley while he presided from a pedestal to the villagers, we wandered on through the woods until we arrived at Matlock Park, interested and impressed beyond measure with our last day amid the Derbyshire hills and dales.

THE POLITICAL BOWLING GREEN.

By SOMER in Thursday's Press.
Bismarck used to have a saying—
'Vergerman, God, and nothing else.'
I could almost fancy the Premier making that saying his own. Without being defiant, he manages to convey to the Assembly that he is perfectly indifferent as to what the Government may do with him.

This is why the Premier, without being easily flattered, is very fond of the word. Besides, he knows that the Opposition are weak in numbers. In fact, there is no reason to suppose that the Government will be defeated.

It has been conveyed to Mr. Turner that he has nearly to his time in order to sweep the Opposition out of the next appal. There are no signs of the Opposition's return, which are said to be in the hands of the Opposition.

Then there's Mr. Frank Muldoon's seat. The same causes are not at any inquiring worker who is coping with the Opposition. Mr. Muldoon has done Mr. Muldoon; but Mr. Muldoon, they say, is the cause of his own undoing. He is too full of fire; he is too full of fire; he is too full of fire.

People say that the Premier has made a mistake in committing the Government to a Women's Suffrage Bill. For my part, I don't see how I would be inclined to do so. The Government is in a position to do so.

That put in the mind of a bit of humor which the Premier is apt to do for two reasons. In the first place I have never seen a man so much as Mr. Muldoon. He is a man of a certain kind.

There is one man in the Assembly whom nobody can suppress—neither friend nor foe. I mean Mr. Muldoon. He has an opinion—and a strong one, too—on every subject before the House, from the paying of rates to the tax on baby clothes.

The actual meeting of the above was held on Monday night, Rev. S. Harris presiding. Selections from Longfellow were given by the members. The subject was introduced in a short but graphic sketch, written by Mrs. W. A. Harrison.

The teachers are still very nice against the Government. One of them said to me the other day that there is not a real private left in the service. There is not a £200 salary left in it all the school year.

By anybody were to judge of the Government, it would think that the Government is a very tight place. It is a very tight place. It is a very tight place.

Some people tell me that the Tariff business is demoralising the Press and the country alike. I don't think it. I think it is a very tight place.

Something like that. It's true, any way. It's true, any way. It's true, any way. It's true, any way.

EPPING SHIRE COUNCIL.

MONDAY, JUNE 17TH.

Present:—Crs. Morgan, Bodycost, McCoy, and McDonnell.

COMMISSIONERS.

From the Secretary Public Health Department, stating that the requirements as to dress, inclusive of amount of doorway space, doors opening outward, and door fastenings, must be complied with, other matters in accordance with the views of the council being not insisted on for the present. Referred to surveyor for report. Secretary to reply that the matter is being attended to.

From Chief Secretary's Department, circular to municipalities urging increased care in the preparation of the municipal rolls, so that expense might be avoided in the printing of the electoral rolls.—The secretary was instructed to be specially careful in examining names of all persons not eligible to vote.

From Messrs John Sharp and Sons, asking for permit to make about 25 chains of road at Wollert, as at present there is no road from the station to their waggon to swing.—Permit granted, subject to approval of an engineer on the matter.—Mr. McDonnell and Mr. McCoy.

From Secretary Melbourne Hospital, stating that the donation of £400 recently forwarded would entitle councilors to vote at the elections of honorary medical officers, and that a representative to be appointed at next meeting is July.

From Secretary Shire of Butterfield, asking cooperation of this council in an endeavor to get retaining wall for public works done as well as, it being considered the free of 10s. 6d. for each cubic foot of retaining wall, adequate remuneration.—Cr. Bodycost moved and Mr. McCoy seconded that the council should be given.—Carried.

From Alex. Sparrow, Jnr., Carlton, forwarding account for 423 cubic feet of stone for the Epping Shire Hall. The work was done in 1894 and the account was sent to the late Mr. Zimnier. Councilors thought it very strange that this account had not been rendered before Mr. Zimnier's death, and that it was done by the putting on of a few shillings. He replied, Cr. McCoy, the engineer said the council never authorized the Hill paving the House. Seconded by Cr. McDonnell and carried. The claim be not recognized.—Carried.

From James O'Byrne, Thomastown, asking to have his name placed on the roll for house and land at Eden Park.—It was decided that a valuation notice be sent to Mr. Turner.

From Annie Mary Zimnier, making a similar application for property situated at Warrigallstown. The secretary explained that this property must be applied for by the owner, and that it was already on the roll in respect to the Zimnier properties. The matter was referred to the valuation court, on the motion of Cr. Bodycost and McCoy.

From Cr. Bodycost, forwarding account for £4, for dinners to councilors (four months). Account passed for payment.

From Cr. Bodycost, recommending a bridge at Craigieburn over the creek, and that the timber decking be covered with a sufficient depth of mat, properly tarred and finished with coats of paint. This would be an ultimate plan to let traffic. The work would cost £22. Cr. Bodycost thought a £5 note should do the work.—Necessity and report as at next meeting.

From Cr. Gray, Thomastown, complaining that he had received notice from the inspector that he was to appear before the inspector, who had found no offence. Cr. Morgan moved and Cr. McDonnell seconded that a letter be sent to Mr. Gray, stating that so long as no offence had been committed, the inspector should not appear before the inspector.
