PROFESSOR THULINIUS.  
MY DEAR SIR,—I feel I should be wanting in duty did I neglect the opportunity of sending you my testimony as to the wondrous efficacy of your rheumatic specific. I have tried doctors and hospitals at various times of suffering, and also, I think, every form of advertised remedies, and also followed the advice of well-meaning friends, with a view of effecting a cure for this most trying disease. All that I have been able to accomplish hitherto has been, at best, temporary relief from pain. I am well known, and scores can testify that at best I could only crawl about with difficulty, and am surprised at my present agility in getting about from place to place. After leaving Little Bay Hospital at the close of last year, I was persuaded to try a bottle of your "Thulinus," and in a week or so afterwards I could get about fairly well. Upon again suffering a relapse last February, I took another bottle, with an equally successful result; but at last I determined to go through a course of treatment, and have just completed my fourth bottle, with the gratifying knowledge that I am now free from pain, can walk any reasonable distance without fatigue, have an excellent appetite, and feel myself pleurisy have become things of the past. I have not dined myself in any way, so all the credit is due to your wonderful remedy, under Providence, that my blood is becoming purer daily, and its effects upon my liver and kidneys most pronounced. I send you, with this the date of my previous attacks and sufferings should you wish to show them. I shall only be too glad personally to convince fellow sufferers of the benefits to be derived from a course of your treatment, as exemplified in my own case after ten years' martyrdom.—I remain yours faithfully,  
W. H. NEWTON NEWMAN,  
Teacher of Elocution, and twenty-five years Actor and Manager.  
Lansley, St. Phillip's paragon, can testify as to the crippled state of Mr. Newman prior to his taking "Thulinus."

EPPING SHIRE COUNCIL.

MONDAY, AUGUST 17

Present:—Crs. Barry (President), McCooy, Morgan, Bolyeat, McDonnell and Butler.

HEALTH OFFICER'S REPORT. Dr. Wilkinson, health officer, reported that during the year 1894 there had been 33 births and 10 deaths, one from violence and 3 under one year of age, the birth rate being, at the estimated population of 1269, 25 per 1000, and the death rate not quite 8 per 1000.

There were no deaths from contagious disease during the year. This is the third year in which no death from typhoid fever occurred in the shire. It was pointed out that a typhoid patient taken from the shire (one of the Gilbert family) had died in the Melbourne hospital.

CORRESPONDENCE. The secretary for Railways was requested to furnish the department with a frame of photographs of the picturesque scenery of the district. The group would be exhibited at certain of the railway stations, which, up to the present, are probably unaware of. Such an arrangement existed in New South Wales. Cost of pictures to be borne by the council or shire as the case may be.

Cr. Bolyeat—Would the auditors allow such expenditure? The secretary said he hardly thought so.

Cr. McCooy suggested that they might send the same reply as the Eilham council, namely, that they would rather have the fees reduced on the line.

Cr. Morgan—Are there any beauty spots in the shire? There are plenty up in the mountains. It was decided to take no action in the matter.

The secretary (Mr. Ryan) took occasion to report on the visit of the Railway Commissioners. From Secretary Department Public Works notifying the railway of the fees paid to local auditors £2 2s to £11 11s per day of 7 hours. Cr. Morgan moved and Cr. Butler seconded that a letter be sent approving of this reduction.

Alfred Robinson wrote requesting to know if there were any rates due on lots 282 and 283, Eden Park—He replied to.

From secretary to Sir W. J. Clarke asking if rates had been paid on Woodcock Manor Hotel. The secretary intimated that the license had left the hotel and having been legal and correct he found that the rates were still recoverable from her.

James Thomas, Richard Butler, John Brower, and Moses Leggett were drawing attention of council to condition of footpath in Spring Creek and desiring to have same repaired, as in wet weather water was not noticed in many places also wished to know on what the hedge prevented them using about 2 feet of the path, and was continually taking base and forming a deep ditch. Cr. Morgan moved that the engineer be authorized to have the cause taken and footpath in Spring Creek, and also main road and footpath near Woodcock Manor Hotel. They were agreed to.

Cr. McCooy asked that the contractor for the main road be selected men for the work. Cr. Morgan suggested that better supervision be exercised over the metal bridge. A vote of 10 was given.

The tender of Jno. Tuttle at 3s 11d per yard was accepted for supplying 50 yards of metal to the Boundary road. The secretary intimated that the tender of Cr. Bolyeat and Butler.

M. Kelly's tender at 27s for 50 yards for Mason's road was also accepted. Digging drain (30 chains more or less) in Louisa's lane near Leaman's. John Tuttle's price for this work was 22s. Mr. Keating did not state his bid could not entertain the idea just now of spending so much for the benefit of one individual. Cr. Morgan suggested that the matter stand over. Secord died by Cr. McCooy and seconded.

ORDINARY BUSINESS. Cr. Bolyeat moved in relation to the reduction of postal facilities which was recently made. At Woolcot they had had no loss. He moved that he moved that with a view to securing more satisfactory arrangements, that the council should be requested to post as much of the shire as possible, such as the rate notices, to the Woolcot and Woodcock post offices, so that their rates could be sent to the nearest post office. Cr. Morgan suggested that the matter stand over. Secord died by Cr. McCooy and seconded.

Cr. Bolyeat said that he had paid the rates. With regard to the first request, Cr. Morgan moved that the matter stand over. Secord died by Cr. McCooy and seconded.
