THULINIUS
THE GREAT SCANDINAVIAN REMEDY

PROFESSOR THULINIUS.

MY DEAR SIR—I feel I should be wanting in duty did I neglect the opportunity of sending you my testimony as to the wondrous efficacy of your rheumatic specific. For the past ten years I have been a complete martyr to rheumatism in all its forms. I have tried doctors and hospitals at various times of suffering, and also, I think, every form of advertised remedy, and also followed the advice of well-meaning friends, with a view of effecting a cure for this most trying disease. All that I have been able to accomplish hitherto has been, at best, temporary relief from pain. I am well known, and so can testify that at best I could only crawl from place to place. After leaving Little Bay Hospital at the close of last year, I was persuaded to try a bottle of your "Thulinus," and in a week or so afterwards I could get about fairly well. Upon again suffering a relapse last February, I took another bottle, with an equally successful result; but at last I determined to go through a course of treatment, and have just completed my fourth bottle, with the gratifying knowledge that I am now free from pain, can walk any reasonable distance without fatigue, have an excellent appetite, and feel myself again competent to re-enter my profession, added to which my old-repeated attacks of pleurisy have become things of the past. I have not dieted myself in any way, so all the credit is due to your wonderful remedy, under Providence, that my blood is becoming purer daily, and its effects upon my liver and kidneys most pronounced. I send you with this the date of my previous attacks and sufferings should you wish to show them. I shall only be too glad personally to convince fellow sufferers of the benefits to be derived from a course of your treatment, as exemplified in my own case after ten years' martyrdom.—I remain yours faithfully,

"THULINIUS"
