PRESTON POLICE COURT. MONDAY, MAY 17. [Before Messrs Knox (chairman) Patterson and Clineh, J's.]

VACCINATION CASE. Police v. John Gibson. For not having his child vaccinated. The law having been complied with Sergeant Robinson's name to show that the charge, which was granted.

WANDERING CATS. Inspector Horton v. Mrs. Brown. Four head found wandering on a common. Fined 10s per head, with 2s 6d costs.

President and councilors of Preston, through the rate collector (G. Hamilton) sued Mr. R. Story for the sum of £4 1s 3d for rates on property in Bell st. and elsewhere.

Defendant said he was not admitting the money, as he was neither the owner or occupier of the house when the rate was struck. The collector replied that defendant's name appeared in the rate book as the owner and occupier of the property and all the notices had been served in his name.

Defendant said he had not seen any notices. The collector replied that he had both posted them and served them on the house. A rate book was produced before the summons was issued.

Defendant—What is the date of the summons? The collector—It is dated the 10th; but it was really prepared a month before that.

Defendant—Did you receive a letter from my brother about these rates on the 4th asking for particulars? The collector—I don't know exactly what day it was.

Mr. Knox, J.P.—What's that got to do with it? Are the rates owing? Defendant—Not by me. I am only taking the line of examination simply to show that this action is the result of a mistake on Mr. Hamilton's part.

The defendant then entered the witness box and stated on oath that he was in New South Wales at the time the rates were struck and he had no knowledge that a rate had been struck on the property supposed to be owned by him or that he had any interest in the property; that he was the owner of the property and therefore not liable to be rated.

EPPING SHIRE COUNCIL. MONDAY, MAY 17. Present—Crs. McCormick (president), Morgan, Boydcocks, McDonnell, and Butler.

LETTER OF CONDOLENCE. Prior to the reading of the minutes the secretary brought under notice the letter of condolence from the Mayor of Sydney, dated the 15th inst., in relation to the death of Sir W. J. Clarke.

MAINTENANCE OF MAIN ROAD. Mr. McDonnell moved that tenders be called for putting up metal and keeping the main road in repairs from June to September. This plan had been in operation, had worked well, and proved much cheaper than the day labor system.

Mr. Butler seconded the motion. Mr. Boydcocks pointed out that the new had kept the main road in repair during the last 6 months and he would ask if they ever saw the road in better condition at the time of the year.

Mr. Morgan said that the road was in a very bad state of repair, and that it was necessary to put up metal and keep the main road in repairs from June to September. This plan had been in operation, had worked well, and proved much cheaper than the day labor system.
