NORTHCOE CRICKET CLUB EN TOUR. MATCHES AT BLACKWOOD, BARRY'S REEF AND GISBORNE. THEY WIN ALL THREE. A PLEASANT OUTING.

On Friday morning several of the Northcoe C.C. journeyed to Blackwood by the early train, and after a pleasant journey to Trethuan coach to Blackwood, the weather being very cold (Charles Robertson suggesting that we had struck Kaitiaki).

After a tedious trip by the coach (which was one of the slowest journeys we ever experienced) we arrived at Blackwood and were met by Mr. J. Tyrell and welcomed to the district. Geo. Coomber was especially welcomed by hosts of friends, this being his native place. Dinner was especially welcome owing to the intense cold, after which we adjourned to the Barry's Reef cricket ground to try our wicket with the combined team from Barry's Reef, Blue Mountain, Red Hill, at Blackwood, Charlie Robertson and the team from J. Coomber (a brother to George) and elected to bat, sending Geo. Coomber and G. Coomber to the wicket. Joe was caught off a mis-hit, and W. Hayes came out, but after making 2 was caught in a similar manner. Robertson played a splendid exhibition of batting on a very difficult wicket, the score being a result of 10 runs being added to the total, when Robertson got bowled off his bat for 23. Coomber's innings after making 2 was caught in a similar manner. Robertson played a splendid exhibition of batting on a very difficult wicket, the score being a result of 10 runs being added to the total, when Robertson got bowled off his bat for 23.

On Saturday we met a team from the Barry's Reef C.C. who were successful in winning the toss, and sent Hayes and Coomber to the wicket. After making 3 Hayes was caught at long-stop of a lofty hit Coomber came next and started very well and seemed as if he had started on another long innings, but after making 9 was caught by a low ball. Coomber was all the time making the pace very merry and hitting in great style. He hit one ball down a shaft and 6 was run for it, the fieldmen having to climb down the shaft to get the ball and the spectators to throw the ball to the batsman. The only other batsman to make any stand, the last wicket to fall being Coomber, and the total being 55, made in a brilliant manner. He was warmly applauded on leaving the wicket.

The Barry's Reef team took the wicket, but owing to the time bowing of Hayes, 6 for 53; Coomber, 6 for 15 they could only reach the moderate total of 51, of which Coomber made 15 and Walter 13. Callison was in fine form behind the wicket. On Saturday evening they were entertained at George's Ballarat Hotel by the district association, Mr. Vroland, president of the Barry's Reef C.C. as the chair. After due justice had been done to the excellent report provided by Host Goodge and the actual losses to be disposed of, Mr. Vroland proposed "The Visitors," coupled with the name of Mr. Robertson, and in a few well chosen words welcomed the Northcoe players to the district, and spoke enthusiastically of the Northcoe team both on and off the field. Mr. Robertson replied and thanked the different clubs and association for their kindness in entertaining the team and also their kind attention during their visit, and proposed "The Barry's Reef Association," which he applied to Mr. Vroland. Mr. J. Coomber proposed "The Visitors," which he applied to Mr. Vroland. Mr. J. Coomber proposed "The Visitors," which he applied to Mr. Vroland.

On Sunday the team were invited to Red Hill and Mr. Speary (who is an old Hawkeburn player) gave dinner with him, and guided by Mr. G. Coomber, Tompsett, and Co., in the morning we were very much pleased to see some of the most rugged and picturesque scenery. We walked through a Long Gully from whose bed some thousands of pounds worth of gold have been taken, and also several kinds of the old mines which have made this

part of the country famous. Mr. Speary kindly entertained the team at his home, and gave them a very good dinner, and after a pleasant trip to Trethuan coach to Blackwood, the weather being very cold (Charles Robertson suggesting that we had struck Kaitiaki).

Coomber was especially welcomed by hosts of friends, this being his native place. Dinner was especially welcome owing to the intense cold, after which we adjourned to the Barry's Reef cricket ground to try our wicket with the combined team from Barry's Reef, Blue Mountain, Red Hill, at Blackwood, Charlie Robertson and the team from J. Coomber (a brother to George) and elected to bat, sending Geo. Coomber and G. Coomber to the wicket. Joe was caught off a mis-hit, and W. Hayes came out, but after making 2 was caught in a similar manner. Robertson played a splendid exhibition of batting on a very difficult wicket, the score being a result of 10 runs being added to the total, when Robertson got bowled off his bat for 23.

On Saturday we met a team from the Barry's Reef C.C. who were successful in winning the toss, and sent Hayes and Coomber to the wicket. After making 3 Hayes was caught at long-stop of a lofty hit Coomber came next and started very well and seemed as if he had started on another long innings, but after making 9 was caught by a low ball. Coomber was all the time making the pace very merry and hitting in great style. He hit one ball down a shaft and 6 was run for it, the fieldmen having to climb down the shaft to get the ball and the spectators to throw the ball to the batsman. The only other batsman to make any stand, the last wicket to fall being Coomber, and the total being 55, made in a brilliant manner. He was warmly applauded on leaving the wicket.

The Barry's Reef team took the wicket, but owing to the time bowing of Hayes, 6 for 53; Coomber, 6 for 15 they could only reach the moderate total of 51, of which Coomber made 15 and Walter 13. Callison was in fine form behind the wicket. On Saturday evening they were entertained at George's Ballarat Hotel by the district association, Mr. Vroland, president of the Barry's Reef C.C. as the chair. After due justice had been done to the excellent report provided by Host Goodge and the actual losses to be disposed of, Mr. Vroland proposed "The Visitors," coupled with the name of Mr. Robertson, and in a few well chosen words welcomed the Northcoe players to the district, and spoke enthusiastically of the Northcoe team both on and off the field. Mr. Robertson replied and thanked the different clubs and association for their kindness in entertaining the team and also their kind attention during their visit, and proposed "The Barry's Reef Association," which he applied to Mr. Vroland. Mr. J. Coomber proposed "The Visitors," which he applied to Mr. Vroland.

On Sunday the team were invited to Red Hill and Mr. Speary (who is an old Hawkeburn player) gave dinner with him, and guided by Mr. G. Coomber, Tompsett, and Co., in the morning we were very much pleased to see some of the most rugged and picturesque scenery. We walked through a Long Gully from whose bed some thousands of pounds worth of gold have been taken, and also several kinds of the old mines which have made this

part of the country famous. Mr. Speary kindly entertained the team at his home, and gave them a very good dinner, and after a pleasant trip to Trethuan coach to Blackwood, the weather being very cold (Charles Robertson suggesting that we had struck Kaitiaki).

After a tedious trip by the coach (which was one of the slowest journeys we ever experienced) we arrived at Blackwood and were met by Mr. J. Tyrell and welcomed to the district. Geo. Coomber was especially welcomed by hosts of friends, this being his native place. Dinner was especially welcome owing to the intense cold, after which we adjourned to the Barry's Reef cricket ground to try our wicket with the combined team from Barry's Reef, Blue Mountain, Red Hill, at Blackwood, Charlie Robertson and the team from J.
