The future season promises to be a return to prosperity for which we have prepared by making large purchases of all the Newest Styles, Fashions, &c., and manufacturing as hard as it is possible to go, to allow us, by straight dealing, to eclipse our opponents, and to break monopolies, by charging the very lowest prices—consistent with the quality that is to be got—not only in Melbourne, but in the Southern Hemisphere, with our Protective Government thrown in, which will show us the fruits of our labours in the coming seasons, and bring us back to our old position—THE PREMIER COLONY, VICTORIA.
