READ WHAT A PROMINENT CONTRACTOR SAYS.
A WELL-KNOWN LADY OF BRIGHTON CURED BY
VITADATIO.
THE GREAT HERBAL REMEDY.
DOCTORS SAID MUST HAVE OPERATION TO SAVE HER LIFE. THERE IS NO OPERATION WANTED WHEN "VITADATIO" IS GIVEN A FAIR TRIAL.
Investigate this case and prove for yourself that it is Genuine "Warleigh House," Bay-street, Brighton.

To Mr. S. A. PALMER.
Dear Sir—It affords me the greatest pleasure imaginable to add my testimonial to the many received by you, praising the Wonderful Herbal Remedy "Vitadatio." My wife, who was one of the healthiest women in the colony, suddenly took ill last Christmas, and was confined to bed continually for six months. Medical men came to the conclusion there was little hope of her recovery unless an operation was performed, they being under the impression that there was an internal growth (Cancer or Tumor). My wife, however, declined to go under this operation. Acting on the advice of a lady friend, you were called in, and after putting a few questions, pronounced my wife to be suffering from Hydatids, and "Vitadatio" would cure her. She acted on this advice, and after taking 4 or 5 bottles, two bags of Hydatids (at different times) came away. She continued, and took a few more bottles of the Vitadatio, and I am pleased to say she is now, to the astonishment of all who see her, THE VERY PICTURE OF HEALTH, and as strong as ever. I believe in giving praise to whom praise is due.
Yours very gratefully,
J. FALKINGHAM.

BLOOD POISONING
CURED BY "VITADATIO."
86, Nicholson-street, Abbotsford,
11th October, 1899.
Mr. S. A. Palmer.
Dear Sir—It gives me great pleasure to inform you that "WEBBER'S VITADATIO" has cured me. I consulted two doctors, and they told me I was suffering from "BLOOD POISONING," produced by the sting of some venomous insect. I took several bottles of medicine prescribed by the doctors, but found I was getting worse. I had severe pains in my arms and legs, so much so that I could not walk, and my appetite was gone, and I could not sleep for the pain. My friends thought I was never going to get well again, but after taking Four Bottles of Vitadatio I feel quite strong again. I can eat and sleep and get about to do my work again, and I must candidly say with gratefulness that "VITADATIO" PUT ME ON MY FEET AGAIN, and it is the only medicine that has done me any good. Besides curing me of the BLOOD POISONING, Vitadatio has also cured me of a rash I had on my face and neck. You are at liberty to use my name if you wish.
Yours gratefully,
Mrs. T. E. KIRK.
N. Nicholson-st, Woodend, 28/10/99.
Mr. S. A. PALMER,
Vitadatio Institute, Melbourne.

Dear Sir—It affords me the greatest pleasure in bearing testimony to the genuineness and the power of your wonderful Herbal preparation, "WEBBER'S VITADATIO." You may rely on my doing all that lies in my power to let other poor sufferers know of the benefit I have derived from it. Briefly, the particulars of my case are as follow:—Some 14 or 15 years ago "I was suddenly taken ill" with Pleurisy, and shortly afterwards "Hydatids formed on the Lungs." I was treated by several of our best doctors, but as they failed to give me any relief, I decided to enter the "Kyneton Hospital," where I was "operated on" nine (9) different occasions, and they wanted me to undergo the tenth, when one day a Mr. E. Jones, of Kyneton, called on me and told me that from what he personally knew of "Vitadatio," he was sure it would give me great relief, if not altogether cure me. As I felt I could rely on this gentleman's word, and as everything else had failed, I thought it would give it a fair trial." The Hydatids began to come away shortly after I commenced the medicine, so you may be sure I stuck to it, till at last every Hydatid has left me. I can honestly say I AM IN BETTER HEALTH AND SPIRITS TO-DAY THAN I HAVE BEEN FOR THE PAST FIFTEEN YEARS. For this marvellous change I have to thank Mr. Jones for his kind advice and "WEBBER'S VITADATIO" FOR THE COMPLETE CURE. I may tell you that during the time I was under the various medical men I took innumerable quantities of medicine, without any result whatever. Of Herbalists and Specialists' medicines I have drunk gallons. One Melbourne Specialist in Hydatids guaranteed to cure me for £6; but my case was beyond him. I can honestly say "WEBBER'S VITADATIO" ALONE CURED ME. I give this testimonial of my own free will, and of a grateful heart. I shall be pleased to answer any enquiries and give full particulars to anyone interested on receipt of stamped addressed envelope. Testing some may be led by my experience and testimony to give "Webber's Vitadatio" a trial.—Yours gratefully,
MARY ANN COLE.
