THE FIRST SNAP

Of Winty Weather makes us want Warm Clothing. BROWN & SCOTT do it well. They stand on velvet this season for value. They shrewdly bought Blankets, Flannels, Rugs, Jackets, Capes, Wool Hosiery, Wool Dress Goods, Wool Tweeds for Clothing, &c., before the abnormal rise in the price of Wool (which enriched our Victorian squatters by £1,500,000). Therefore they offer incomparable value in all Wool Goods. Their Millinery is noted for Style and Cheapness. They do a big trade in Juvenile and Men's Clothing, Hats, &c. Their Centennial Mackintoshes in Blue Melton Cloth at 17/6 are bargain value; Chesterfields ditto. For plain Family Drapery they excel. For Costumes, Blouses, &c., you can't do better. Try them.

The ABSENT-MINDED BEGGAR trades at Brown & Scott's and never forgets the address—401, 401A, 403, 403A Brunswick Street, Fitzroy. They send Samples (post free) anywhere. You can confidently send your orders in on Friday night and they will be ready for you on Saturday morning, and you will be served as well as if you chose them personally.

AS WE LIVE WE GROW!

HORONDA HERB.

THIS HORONDA IS REGISTERED.

At last we have found a

CURE for ALL DISEASES.

THIS valuable herb is grown on the proprietor's own farm at Yan Yean,

where the waters of that magnificent river, "The Plenty,"

continually flow.

HORONDA is the Greatest BLOOD PURIFIER in the Living World.

It is a large expression to make that **HORONDA CURES ALL DISEASES**; but there is no doubt about it, as it is not possible for the human frame to contain a disease that Horonda will not cure. The only guarantee that the company can give the public that this advertisement is truthful is to inspect the herb at the Factory, Miller Street, North Fitzroy.

HORONDA is the Most Palatable & Refreshing Beverage in the Southern Hemisphere.

If the proprietor was to try and explain to the public the comfort that they

will derive by drinking Horonda, even those that are enjoying the best of

health, and wish to prolong their life, it would take him the 365

days of the year to do so.

TRY ONE GLASS and you will never forget HORONDA.

Manufactured solely by the

BEE MARVELS

It will be seen from the above that the bees are not so stupid as they are generally supposed to be. They are very intelligent and have a very good memory.

The bees have a very good memory and are very intelligent. They are able to remember the location of their hives and the location of their food sources.
