**HORONDA (REGISTERED),**  
The King of all Drinks for all Seasons.  
BREWED FROM THE PURE HERB.  
**HORONDA** is  
Strengthening, Wholesome, Refreshing, Appetizing, Delicious, AND Comforting.  
**HORONDA** keeps the System running Smoothly.  
As a Tonic for Old and Young it cannot be equalled in the Living World. The Children positively love it. Manufactured only from Pure Herb, grown on the proprietor's own farm, under the special superintendence of a Medical Expert.  
**Read This Carefully Through.**  
Mr. J. DUNNE, the Sole Manufacturer of HORONDA, has no hesitation in asserting that it beats all the Doctors in the living world. No doctor can cure Indigestion—HORONDA will. The doctor simply prescribes the dark medicine to-day and the light medicine to-morrow, without affording relief, whereas a few bottles of HORONDA will effect a certain, permanent cure, and by regularly taking a glass of this wonderful Herb, before, with, or after Meals, you will never suffer from Indigestion or be troubled with any Liver Complaint.  
**Wonderful Testimonies.**  
One of the Smartest business men in Melbourne, who does not wish his name published, writes to say that he had been a sufferer for eight years from Bilious Headache, which was a terrible strain on his system, and greatly impeded his business pursuits. The Heavy Feeling in the head and dull severe Pains in Back, were a constant worry to him. A friend advised him to take a glass or two of HORONDA every night before going to bed, mixed with a little whisky, he took that friend's advice and to-day is a new man, and absolutely cured after having tried all the medicines advertised to cure his complaint without effect.  
Another Leading Gentleman who would have liked his drop of Whisky in his HORONDA, but not being able to take his glass of Whisky and then leave it alone, made up his mind never to again touch intoxicating liquor of any kind. He determined to carry out the promise given to his wife and family, and made it his business (knowing that he must have a substitute for the spirit) to take the Brunswick St. North Fitzroy Tram, and visit the factory in Miller street, and proved to his own mind after seeing all the ingredients brewed, that HORONDA was really a non-intoxicating beverage, and one that any testotater could drink with safety.  
To take one trip through the large factory to see the process this valuable Herb has to go through, would be the most pleasant and interesting time a person could enjoy.  
Be wise in time and drink HORONDA, for, besides being a wholesome and strengthening beverage, it is the only known palatable substitute for Alcoholic Drinks.  
HORONDA is recommended to Invalids for reviving the wasted tissues, purifying the blood and enticing a healthy appetite. Always have it in the house. It will bring sunshine into your life.  
NOTE.—Do not be entirely satisfied with what you see in print, but visit the Factory—North Fitzroy, and see the Herb brewed with your own eyes, or call at the Moonee Valley Agency (next Age office, Collins street), and sample HORONDA.  
NOTICE.—Apart from its medicinal qualities, HORONDA is an unrivalled beverage for Spring, Summer, Autumn, or Winter, and consequently is justly called "The Drink for all Seasons." It is delicious to the palate, and a grand throat quencher, always stimulating the system. HORONDA is now put up in specially made attractive bottles, and sold in quantities of not less than One Doz. at the following bed-rock prices—Pints, 3s per doz.; Quarts, 5s per doz.

Short Story. The Troubles of a Day.

For some thirty minutes, his palette and his brushes in his hands, Jerome Courchamp strolled around his studio...

His picture was undoubtedly finished, and these touches were only actuated by the feeling that it was about to be irreversibly separated from him.

Somehow or other, he said, "I have a strong love for this canvas." No picture, indeed, had so interested him in its progress. The soldier had dawned on him suddenly, and the execution of it proceeded easily.

There were the children, the black and white horses, the black and white horses, the black and white horses...

There was a knock on the door, and a little girl of about ten years of age, clad in a blue dress, came in.

"What is it, my dear?" said the artist, in a friendly tone. The girl, holding Courchamp's organ to which she was a regular contributor...

"Oh!" cried Courchamp, "I am so glad to hear that. You are a very good girl, and I am sure you will be a great help to me."

"I have a question to ask you," said the girl. "I have heard that you are a very good painter, and I would like to know how you do it."

"When in Paris the composer had just returned from his trip to the north, he was very tired and his health was not very good."

The Table.

Butter a plentiful and appetizing article, and three ounces of raw bacon, cut into thin slices...

There were three of them—the girl, the boy, and the man. They were all looking at the picture with interest.
