**CASH TRADING.**  
 Cash Trading is one of the fundamental principles of a successful business AND ANY MEANS which tends to bring about this result is gladly welcomed by traders generally.  
 The most successful method yet adopted is the system introduced by THE CO-OPERATIVE COUPON COY., LTD., who act as agents in this respect to thousands of Victorian traders.  
 It benefits the trader inasmuch as it INDUCES CASH TRADING, DECREASES BAD DEBTS and SAVES COSTS OF BOOKING and COLLECTING, and it is a boon to householders and the public as IT GIVES THEM A DISCOUNT ON RETAIL CASH PURCHASES whether large or small, which could not be obtained before.  
 THE PAYMENT OF CASH, and the SAVING OF CASH DISCOUNTS (which under the Coupon system is NECESSARY) IS PRODUCTIVE TO THRIFTY HABITS by which the whole community benefit.

HORONDA,

Brewed from the Pure Herb,

A WONDERFUL BLOOD PURIFIER.

A Man with Common sense giving advice to his friends:

- If you wish to live to the good old age of 100 years. Drink HORONDA.
If you wish to enjoy health and prolong your life. Drink HORONDA.
If you wish to make the blood run pure through your veins and keep out all diseases. Drink HORONDA.
LADIES who wish to have a good complexion without artificial means should Drink HORONDA.
PARENTS who wish to have their children healthy and grow strong should give them a glass of HORONDA.

THE first thing to do when you rise in the morning is to take a Glass of HORONDA.

YOU will then enjoy a good breakfast and never suffer from Indigestion.

HORONDA, Brewed from the Pure Herb.

HORONDA.

Horonda is by Nature mild;
The Herb in Nature's garden wild,
In grassy glade, by rippling rill,
Or on the crest of some high hill,
In rich luxuriant growths.
At length, inventive genius shows
A world-wide boon for human woes.
The ills to which poor flesh is heir
It soon will scatter and repair.
The gouty turn from grave to gay,
And quickly throw their sticks away;
The pale-faced maiden rightly knows;
It makes her blossom as the rose.
'Twill strengthen nerve, enrich the blood,
And nip the Cancer in the bud;
The blood doth strong and purely flow
That Cancers have not time to grow.
The aged on their sight remark,
And read the paper in the dark.
The laughing child makes mother ponder,
As it lolls and tosses off Horonda.
It blends with spirits or with wine,
Alone 'tis in the Temperance line,
The beverage better none could quaff,
It makes a rattling snuff-gaff.
Its worth can never be truly told,
For curing either cough or cold,
How it rejuvenates the old,
In fact the weak, the old, the young,
It praiseth linger on their tongue,
And as they drink they grow still fonder
Of John Dunne's beautiful Horonda.

After a girl has employed all her wit in securing a husband, it is gratifying to find a paper that she was 'led to the altar.'

THE MUNICIPAL ELECTIONS. TOWN OF NORTHCOTE—EAST WARD.

Address by Mr. Hayes. Mr. W. Hayes, one of the candidates for the vacancy in the east ward, held an open air meeting on Tuesday evening at the factory, Hastings street, on Tuesday evening. About thirty were present and Mr. G. G. Osborne was voted to "the chair".

THE INFLUENZA EPIDEMIC. WHAT THE LONDON TIMES SAYS ABOUT IT.

At the commencement of this year, when influenza was reaching its height and assuming very serious proportions in London, The Times had the following in its columns. We quote this as it is written by an authority whose words carry weight, and who gets to the real secret of the prevention of influenza:—Influenza has so far baffled research, we know however that it is highly contagious, its onset is sudden, and that the best thing we can do to escape it, is to avoid what is called the "common cold".

Mr. Boothby asked if the candidate would favor the council making periodical tours of inspection to see the works which required doing. The candidate said he was, as he was sure councilors often voted for works to be done they knew nothing about. He had had two or three inspections a year they would learn more about them than at 30 meetings.

## EPHRAIM SHIRE COUNCIL.

MONDAY, AUGUST 10.

Present:—Mr. McCraw (President), Mr. Morgan, Mr. Boyd, Mr. Butler, and Mr. Hanson.

**CONDUCTOR'S REPORT.**  
From Frederick Dunn, public analyst, stating that a sample of milk received from T. Morgan had been examined and passed the limit allowed—Received.

**THE FACTORY ACT.**  
From Shire of Loran, soliciting the council's support in an endeavor to get the Factory Act suspended until Federal action is taken to extend its provisions throughout the Commonwealth as a whole.

Mr. Boyd moved that Mr. Gair be asked to support the suspension of the Act, and especially so far as its application was concerned. It would be a great nuisance and he should either get it repealed or suspended.

Mr. Morgan seconded the motion. He considered it most inadvisable to apply the Act to shires.

Mr. Butler objected to the council taking any action, as it was a Government Act and not a municipal matter.

Mr. Hanson—Surely if it affects us we have a right to interfere. It was only through the shire council that the Parliamentary representatives could be shown how the shire was affected in the contrary direction.

Some time ago favored the Act, but had changed his opinion, and he would like to see some of the shire people.

If the shire did not make a protest against it it would be regarded as acquiescence in the Act.

Mr. Boyd said that the shire council had a right to be consulted, and that the shire council should be consulted.

Mr. Morgan—On time payment you are to be paid.

Mr. Butler—Yes; and the rent we would get for it would more than make up the cost.

Mr. Morgan—The shire council should be consulted, and that the shire council should be consulted.

Mr. Boyd—The shire council should be consulted, and that the shire council should be consulted.

Mr. Morgan—The shire council should be consulted, and that the shire council should be consulted.

## THE LEADER, SATURDAY, AUGUST 24, 1901.

### STARS OF NORTHCOTE TENT, 10th.

The fortnightly meeting was held in the Mechanics' hall on Thursday, 10th inst. The O.N. was on the program.

The first payment on the bridge boundary over the footbridge was made on the 10th inst., and had since made a start with the work, the road being now almost finished.

Mr. Butler's contract for fencing Mahoney's road, 180 yards long, was received since last meeting, and on inspection he found both cuts and rails were being put in under the dimensions specified, and he had notified the contractor to that effect. It was now 10 months since this contract was let.

Mr. Butler said that his brother had been asked to take the time of the contract to be extended for one month on account of the difficulty experienced in getting timber. The last time the contractor might have done, though, was to have a letter asking for an extension of time.

The motion was carried. Mr. Leze had completed the contract for supplying twenty extra yards had been supplied at a cost of £250.—Received.
