FOOTBALL.

PRESTON V. COLLINGWOOD JUN. A ROUGH GAME.

The biggest crowd yet seen in the Preston Park assembled there yesterday last to witness the match between the local 18 and Collingwood Juniors. There was a very strong north wind blowing, which to some extent spoiled the game.

THE TEAM. Preston—Sullivan, Barlett, Graham, Brown, Hall (C.), McMahon, Wyatt, Stanlake, Watson, Thomson, Allan, Jackson, Haflinger, White, Patterson, Gilbert, Collingwood—Ross, Catlin, Lloyd (2), Kay, Burke, Crook, Wilson, Newbound, House, Gilbert, (Capt.), Patridge, Mackin, Patrick, Langman, La France, O'Brien, Field captain—J. Dick.

THE PLAY. Allan went down and was injured by a kick from the wind. Preston got away from the foot of the hill and played on the wing and forward. Gilbert was the first goal for the home team. It again fell to Preston that they were the winners. Stanlake marked and played in front. Burke was the best player on the field. Watson and Watson had a running show, but were held out of bounds. Shortly afterwards Watson brought off a good play, but was held out of bounds. The class was amended by leaving the course of the right-of-way an open question.

FINANCER COMMITTEE. Cr. Thompson submitted the report, recommending—1. That accounts, including public works accounts, also interest and sinking fund being deposited in the Bank of New Zealand, be passed for payment.—Adopted.

2. North Brunswick. Horticultural Garden competition.—That the Society be informed that the council request that there is no authority by which the request can be complied with.—Adopted.

3. Town of Brunswick, re extension of the railway to the M. T. & O. Co. Collingwood street footpath, west side.—Referred to the public works committee.

4. Methuen and W. T. Reay writing intimating that they would do their best to meet the council's Bill.—Referred to the public works committee.

5. John Hinde, secretary Gas Co. wrote asking to be furnished with a return showing the streets liable to justify the expenditure which would be incurred by extending the company's mains. He would then bring the matter before the council.—Referred to the public works committee.

6. Cr. Marks moved that the matter of cancelling Beavers' road be considered with the estimates. Seconded by Cr. Pearl and carried.

7. Cr. Candy said he thought it should be laid down that where a property owner in a private street situated in the construction of the whole street, by putting down channelling and forming the road and footpath in front of his premises, the work being done under the direction of the engineer, he should be allowed to be made for the land that he occupies. He thought the matter was one that should be considered by the committee and he moved accordingly.

8. Cr. Jamieson thought being a question of a better way to track this matter out to be given notice of motion and he discussed by the full council.

9. Cr. Candy said he first wanted to know whether the matter was a public work or not. He moved that the matter be referred to the public works committee. The motion was carried.

10. Cr. Marks moved that the matter of cancelling Beavers' road be considered with the estimates. Seconded by Cr. Pearl and carried.

11. Cr. Candy said he thought it should be laid down that where a property owner in a private street situated in the construction of the whole street, by putting down channelling and forming the road and footpath in front of his premises, the work being done under the direction of the engineer, he should be allowed to be made for the land that he occupies. He thought the matter was one that should be considered by the committee and he moved accordingly.

12. Cr. Jamieson thought being a question of a better way to track this matter out to be given notice of motion and he discussed by the full council.

13. Cr. Candy said he first wanted to know whether the matter was a public work or not. He moved that the matter be referred to the public works committee. The motion was carried.

14. Cr. Marks moved that the matter of cancelling Beavers' road be considered with the estimates. Seconded by Cr. Pearl and carried.

15. Cr. Candy said he thought it should be laid down that where a property owner in a private street situated in the construction of the whole street, by putting down channelling and forming the road and footpath in front of his premises, the work being done under the direction of the engineer, he should be allowed to be made for the land that he occupies. He thought the matter was one that should be considered by the committee and he moved accordingly.

16. Cr. Jamieson thought being a question of a better way to track this matter out to be given notice of motion and he discussed by the full council.

17. Cr. Candy said he first wanted to know whether the matter was a public work or not. He moved that the matter be referred to the public works committee. The motion was carried.
