### GIVE US OUR DAILY BREAD.

THE FLOUR WE USE.  
Q.—What is the difference between the Patent Roller Flour and J. B. NEWTON'S Dyspepsia Flour?  
A.—The patent roller mills take the muscle, bone and brains out of the flour, and they do not leave sufficient nutriment in the flour to keep those organs from actual starvation.

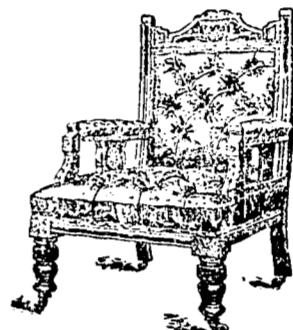

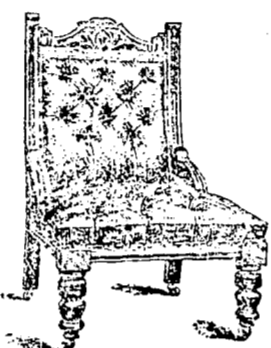

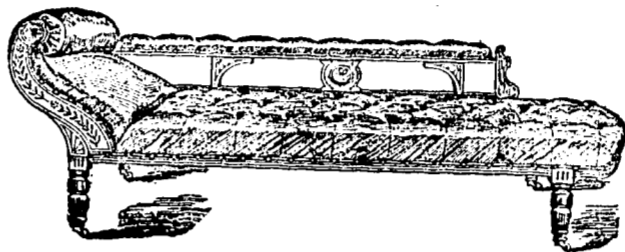

**J. B. NEWTON'S**  
**Dyspepsia Flour and Bread**  
Is Pure and Unadulterated, and is the Staff of Life, therefore we can live indefinitely on it, which you cannot do on the Patent White Flour.

RICHARD COBDEN.

F. T. HICKSON, M.A.

Cobden was born at the quiet Sussex village of Midhurst, on June 23, 1804.

In 1830-42 in Stockport one-half of the factories were closed, 20,000 dwellings unoccupied, artisans were breaking down on the roads, the Poor Rate was 10s in the £, and scraps of bacon were sold for nothing.

In 1841 Cobden was elected for Stockport, and in the same year he obtained the assistance of John Bright.

The scheme proposed by Cobden's friends was to read and compare the literature of political and local affairs.

These pamphlets were written anonymously, but Lord Durham, then the English ambassador at St. Petersburg, was struck by the clear force of the pamphlet on Russia, and became acquainted with the name of the author.

But his purpose was not literary—Cobden delighted in action. His name became familiar in Manchester. He was elected for Stockport—the home of the late Sir Henry Parkes—(C.P.M.) in 1847.

His first speech was for educational extension—a subject which Cobden claimed his exclusive attention, but his life work was begun in real, solid earnest when the Anti-Corn Law League was established in Manchester by a band of seven men, who were soon joined by Cobden and who soon became the force to the fray.

Free Trade had for years been a subject of discussion, but, apparently, there was little hope of England beating off the fetters of protection and the "web of ignorance" which, in the "web" of

NORTHCOLE V. COBURG.

This match was played at Coburg on Saturday last in the presence of a numerous audience of the public.

Northcote kept the home team well on the defensive the second quarter, Maindella the first to score a goal. Then followed a succession of missed points (15) some of which were ruthlessly kept out.

Northcote were first to score after the interval (which by the way had been prolonged to 20 minutes) by a goal from the (10) McAndrews kicking another goal.

This match was played on Saturday last at the farmer's ground, Croxton Park, in the presence of a good crowd of spectators.

The first quarter the Rose sided slightly by a score of 1-0, when the first goal was kicked by a clever goal, closely followed by the second goal, 3 goals to 0.

At the end of the match the Rose were victorious by a score of 3 goals to 1.

At the end of the match the Rose were victorious by a score of 3 goals to 1.

FOOTBALL

PRESTON V. WILLIAMSTOWN.

Undoubtedly the best game of football that has been witnessed in the Preston district was played on Saturday last, when the two teams met at the ground in the presence of a large and enthusiastic crowd.

The visitors were led by the bounce of the ball, and in the first quarter they scored a goal, after which their opponents scored a couple of goals.

The game was a very evenly contested one, and some good work was done by both teams, and some fast and exciting play was witnessed.
