THE BRAND OF GAIN

A DRAMATIC STORY OF A FORTUNE MADE IN THE WINDING WAYS OF THE WORLD.

By C. ALBANE.

Jim Callan's eye was fixed on the man who sat opposite him...

Winter had passed, and the summer had come...

Suddenly he started forward with a gasp...

His face turned white, and he looked at the man...

He had turned round and was looking at the man...

He had turned round and was looking at the man...

He had turned round and was looking at the man...

THE TWO NECKLACES

A PARISH STORY.

There was a wonderful good woman for the approach of the winter...

She looked at him again. Could she trust that man?

She looked at him again. Could she trust that man?

She looked at him again. Could she trust that man?

She looked at him again. Could she trust that man?

She looked at him again. Could she trust that man?

She looked at him again. Could she trust that man?
