PAINTING!
You can't afford to have anything but the best paint used upon your house, neither can you afford to have anyone but the best of workmen apply it. Cheap paint means poor protection and frequent repainting. We use **Genuine White Lead and Linseed Oil** because it makes quality which can only come from years of practical painting experience. These two things combined will give you the best possible kind of a job. Will you not let us call and give you an estimate?

CHAPTER XIII. Like a Thief in the Night.

"I have a very interesting case," said the detective as he sat at his desk.

"What is it?" asked the man who had just entered the room.

"It is a case of a man who has been found dead in a room."

"How long ago?"

"About a week ago."

"Where was he found?"

"In a room at the end of a long passage."

"What time was he found?"

"About midnight."

"Who found him?"

"A man who was on duty at the time."

"What was the cause of death?"

"It was a case of a man who had been found dead in a room."
