PAINTING!

You can't afford to have anything but the best paint used upon your house, neither can you afford to have anyone but the best of workmen apply it. Cheap paint means poor protection and frequent repainting. We use **Genuine White Lead and Linseed Oil** because it makes quality which can only come from years of practical painting experience. These two things combined will give you the best possible kind of a job. Will you not let us call and give you an estimate?

Shands Tailors Ladies' Costumes

with the same distinctive touches that have earned him such a high reputation amongst well-dressed men. You'll find a Shands' Costume one that you can wear with pleasure and satisfaction anywhere. And, after all, there is nothing that can quite take the place of a genuine "tailor-made in your wardrobe."
See the beautiful cloths Shands is showing. You'll find that, though of the very best, they are by no means expensively priced.

It is pleasing to hear some of the kind words spoken of our High-Grade Printing.

Here are two of the latest tributes, which should interest every user of Good Printing:

The "Leader" Office.
"Gentlemen,—Let me express my entire satisfaction with the way you turned the cards and programmes out. The style and printing leave nothing to be desired, and when I want other printing done I certainly shall come to you. My first order, but not the last.
Yours faithfully,
M. L. C."

Messrs Whalley Bros.
"Dear Sirs,—I am prompted to write and tell you how much I appreciate the way you have printed our church report. It is a pleasure to pick it up, and I send it to my friends, several of whom are ministers, with a feeling of pride. Thank you. You deserve to succeed. I have seen many church reports, but few turned out in better taste and style.
Yours sincerely,
"
