**IT is pleasing to hear some of the
kind words spoken of our High-
Grade Printing.**
Here are two of the latest tributes, which
should interest every user of Good Printing:
The "Leader" Office.
"Gentlemen,—Let me express
my entire satisfaction with the
way you turned the cards and
programmes out. The style and
printing leave nothing to be
desired, and when I want other
printing done I certainly shall
come to you. My first order, but
not the last.
Yours faithfully,
M. L. C."
Messrs Whalley Bros.
"Dear Sirs,—I am prompted to
write and tell you how much I
appreciate the way you have printed
our church report. It is a pleasure
to pick it up, and I send it to my
friends, several of whom are mi-
nisters, with a feeling of pride.
Thank you. You deserve to suc-
ceed. I have seen many church
reports, but few turned out in
better taste and style.
Yours sincerely,
M. L. C."

PAINTING!
You can't afford to have anything but the best paint used upon your
house, neither can you afford to have anyone but the best of workmen
apply it. Cheap paint means poor protection and frequent repainting.
We use **Genuine White Lead and Linseed Oil** because it makes
the **Best Paint** which can be procured. Our workmanship is of a
quality which can only come from years of practical painting
experience. These two things combined will give you the best
possible kind of a job. Will you not let us call and give you an
estimate?
