PAINTING!
You can't afford to have anything but the best paint used upon your
house, neither can you afford to have anyone but the best of workmen
apply it. Cheap paint means poor protection and frequent repainting,
repairs and money wasted. Poor workmen means the same thing.
We use **Genuine White Lead and Linseed Oil** because it makes
the **Best Paint** which can be procured. Our workmanship is of a
quality which can only come from years of practical painting of
experience. These two things combined will give you the best
possible kind of a job. Will you not let us call and give you an
estimate?
