PAINTING!
You can't afford to have anything but the best paint used upon your
house, neither can you afford to have anyone but the best of workmen
apply it. Cheap paint means poor protection and frequent repainting,
repairs and money wasted. Poor workmen means the same thing.
We use Genuine White Lead and Linseed Oil because it makes

PAINTING!
You can't afford to have anything but the best work done upon your
house, neither can you afford to have anyone but the best workman
apply it. Cheap painting means poor protection and frequent repairs.
The only way to get the best work done is to employ the best painter.
We use **GENUINE WHITE LEAD** and **LINSEED OIL** in making the
Best Paint which can be prepared. The workmanship is of the
highest quality, and the price is reasonable. We have a large stock of
all the materials necessary for painting, and we can do your work
at the lowest possible price. Write for our list of prices and give us your
address. We will send you a list of prices and give you our
estimate.
