The Voucher for First-Rate Bread
Ward's Customers
You also will want for its quality when you have tried it.
There's a difference in my bread as there is in my Home-Made Cakes and Pastries.
The difference is in the quality of High Grade Flour I use, in the mixing of the dough, in the baking. It's all in the touch of making that results in a fine grained, well baked, full flavored loaf of bread, a rich cake, or delicious pastry.
That's the reason why my customers' vouchers for the value and quality of my Bread, as well as my Cakes and Pastries, and that is also the reason why my business has come to be called
