You've got to keep on walking;

Are a necessity at all times of the year. Cool days and nights often come in the Spring and rainy days come in every season—therefore it is wisdom to possess a good Overcoat to suit the season.
The first illustration features the NEW TRENCH COAT which is very popular for its light weight, rainproof qualities and smart appearance.
The other style illustrated is a heavy coat which may be had in a wide or cloth of various shades, and patterns in the comfortable Raglan cut.

Have You a Gas Cooker?
Summer Cooking with an antiquated fuel range is an utterly miserable process, involving constant attention to the fire, and a general extravagance in time, labor, and temper.
A Modern Gas Cooking Stove enables the Cook to work coolly and placidly, preparing several dishes at the same time, and giving to each exactly the amount of heat required. It ensures success and punctuality without fatigue, without discomfort, and without the labor of cleaning out grates and carrying coals.
