THE ENGLISH LANGUAGE—ITS USE AND ABUSE

On W. H. Turner's view a paper on the above subject at least should be written in English.

Through this paper the following are intended to be introduced into the English language, in order to be used as a standard of correctness in the use of the English language.

The language is used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.

It is not surprising that it should be used in a variety of ways, and it is not surprising that it should be used in a variety of ways.
