The Leader. JUSTICE TO ALL. Published every Saturday Morning. SATURDAY, JANUARY 8, 1921. PROGRESSIVE PRESTON. This should be Preston's year. Every-point that way. Look west, and you look in vain for such large areas of splendid building land within the same easy reach of the city.

On the arrival of the main body it was apparent that the early party had been doing very well indeed.

A Flawless Set of Teeth at the Lowest Price in Melbourne

It's simply wasting money to pay high prices for Artificial Teeth when I will supply you with an absolutely Flawless Set of Teeth with 22-ct. Gold Tooth if desired, at £2/10/- per Set (Upper or Lower).

This is in actual truth the very lowest figure at which correctly fitting, properly made artificial teeth are obtainable in Melbourne, and when you can ensure Dental Comfort for all time at such a moderate outlay, is it not foolish to suffer the inconvenience, pain and ill-health which inevitably follow on the presence of defective teeth in the mouth? Remember—FREE PAINLESS EXTRACTIONS are allowed with each set ordered—and I guarantee to extract any tooth without causing even the veigle of pain to the patient. Call, or phone Northcote 910 To-day.

Bairnsdale District Cricket Association Visit to Northcote.

The presence of the Bairnsdale District Association in Melbourne to witness the test match was not just a sight by the members of the Northcote Cricket Club, particularly those who have a very vivid recollection of the hospitable manner in which they were treated on their visit to Bairnsdale at Easter time.

The visitors were accorded a civic welcome by the mayor (Cr. Timmins) on their arrival, and invited to the mayor's room, where a pleasant little function was held, after which an amusement was made to the park to try conclusions on the cricket field.

Bairnsdale batted first and compiled the very respectable score of 218, the chief contributors being Cowell, who gave a fine display of batting for 114. Others who performed well were Rosenbrock 71 and Dr. Alsop 22. Northcote responded with a total of 127, with fine innings for 70 retired Dr. Hartkopf also batted in fine style for 63, and "Son" Yeomans showed good form in making 51.

Table with 2 columns: BAIKNSDALE (Reynolds, Cooper, Finch, Liddelow, Korr, Cooperstone, Morrison, Rosenbrock, Dr. Alsop, B. Kyle, Cooper, Morrison, Dumeras, J. Kyle, Clarke, Sundries) and scores.

Table with 2 columns: BOWLING—FINCH, six for 49; Cooper, one for 19; Pothergill, one for 19; Bunter, none for 20; May, none for 19; Yeomans, none for 27; Gibaud, two for 29; Hartkopf, two for 11.

Table with 2 columns: NORTHCOTE (Gibaud, Liddelow, Pothergill, Rosenbrock, Dr. Hartkopf, Timmins, Cooperstone, Cooper, Korr, Liddelow, Boulter, Gill, I. B. W., Liddelow, May, Dumeras, B. Kyle, Liddelow, Yeomans, Carroll, Morrison, Korr, Dougo, Rosenbrock, Sundries) and scores.

Table with 2 columns: BOWLING—MORRISON, none for 28; Liddelow, six for 71; Cooperstone, 2 for 62; Clarke, none for 27; B. Kyle, none for 8; Dumeras, none for 17; Korr, two for 6; J. Kyle, none for 6.

As a fitting wind-up to the day's festivities a smoke social was held in the town hall in the evening, at which there was a record attendance. Very complete arrangements had been made for the entertainment of the visiting team. A fine musical programme was rendered, those contributing being Messrs A. Graham, H. Peters, E. Rowell, Jas. Hill, Stevens, Broadway, and Lantto. Mr. J. C. Copplestone, secretary of the Bairnsdale C. C., made an efficient accompanist. The wants of the "inner man" were liberally catered for, and a most pleasurable time was spent by all present.

WHITTLESEA SHIRE NEWS.

The last matches of the first round of the Shire of Whittlesea cricket competition were concluded on Saturday, 18th December, when Whittlesea defeated Yan Yean, Arthur's Creek defeated Doreen, and Mernda defeated Kinglake. The last was a particularly keen game.

The annual picnic of the Hazelton Methodist Sunday school was held at Doreen recreation ground on Wednesday last, when the programme of games and amusements was indulged in. There was a large attendance. The keenest contest was throwing at the weights by ladies, two of whom succeeded in knocking them down twice in three throws.

Remember when oiling your sewing machine that a little and often is better than a deluge now and then. After oiling, work the machine a few minutes, having cleaned away all dirt and grease, restore the cotton and spool to their places, thread the needle, and the machine will be ready for use.

NORTHCOTE POLICE COURT.

THURSDAY, JANUARY 8TH. (Before Messrs Ben Johnson (chairman), Cohen, and Evans, J's P.)

Sub-inspector McLeod proceeded against Elias Phillips, licensee of the Peacock hotel, Northcote, for having persons on his premises during prohibited hours. The defendants were Montague Mason, John J. Cooper, Joseph Bliz, Herbert Pittman, and Frank Thomson, all of whom pleaded not guilty.

Constable Paul, stationed at Kew, said that on the 1st December last, in company with Constable Hartley, he had the Peacock hotel under observation, and at 10 p.m. saw two men enter the side door. They went to the front door and heard someone in the bar, and the sound of soda water bottles being opened.

Constables J. M. Davern and Jas Hartley corroborated the evidence of Constable Paul. The city inquest closed the evidence for the prosecution. Elias Phillips, licensee of the Peacock Hotel, said he knew the defendants, and remembered the night of 1st December. Pittman arrived first, and came to discuss some business regarding real estate, in which they were partying together, and to consider the transportation of some to Romy. Mason had come to see him in regard to the purchase of some land at Preston.

THE WHISPERS OF "A BAD TIME." THEIR JUSTIFICATION QUESTIONED. In a current issue of Table Talk is a timely paragraph with a view of counter-acting the alarmist rumors that are floating about everywhere: "Whispers have been at work for some weeks on the Collins street kerbstone regarding some strange financial transactions for next March. A word which they mean, these financial rumors very innocently more than say we are 'in for a bad time'."

NOTHING SERIOUS. She: "Why did you let your temper so unfortunately at that time of cards?" He: "It was the only thing I had left to lose!" Old lady to policeman at a motorist: "I want the back of your car!" Policeman: "I'm afraid I can't let you have it, mum."

AN INSECT INCUBATOR.

HOW A ROSE PEST IS KEPT DOWN.

Flower-lovers know to their cost the constant warfare which has to be carried on against insect enemies.

How the Eggs are Deposited. "At the time when the plant leaf is thickest, a small insect, resembling a miniature wasp, or an ichneumon fly, which it really is, may be seen flying its way among the fat aphides, moving leisurely, and with a dignity quite beyond its size, for it usually is not longer than an eighth of an inch."

A Living Host-Safe. "Of course, the aphid so treated does not die at once, else Nature's aphid would die at once, else Nature's aphid would die at once, else Nature's aphid would die at once, else Nature's aphid would die at once."

MAN: A NEW DEFINITION. "WHAT WOMAN HAS TO MARRY." "Vain man supposes himself indispensable to woman."

THE FABLED BUYP. A POSSIBLE EXPLANATION. "Many people, more particularly those who live in the bush, are firm believers in the existence of the buyup."

WOMAN'S WORLD. WRINKLES FOR WIVES. "Never forget that a man ceases to be a man when he ceases to be a man."

WOMAN'S WORLD.

WRINKLES FOR WIVES.

Never forget that a man ceases to be a man when he ceases to be a man. Do not be too sure to prove yourself right. Your husband may not be willing to confess himself in the wrong—

IMPROVING THE COMPLEXION. Do not for a moment imagine that a bad complexion can be made into a good one with the use of any of the many cosmetic preparations which are being advertised.

WHAT FASHION DOES. Ladies have much to answer for in the industrial world. A fleeting fancy or a passing whim may either create an industry or crush one.

WHERE WOMEN DO THE COURTING. A national eccentricity of Ukrania, Russia, is that the maiden does all the courting. When she falls in love with a man she goes to his house and tells him the state of her feelings.

THE WARNING WAS NEEDED. It was a little supper among a number of kindred spirits, and when the cloth was removed from the table nearly everyone present obligated with a song except the chairman.
