**Let Good Dispensing "back up"
your Doctor's Efforts.**
All the skill and learning of your medical man can be nullified
if his prescription is not dispensed accurately, faithfully,
to the very letter. When he specifies a certain drug he means
that drug only; and not a substitute. Moreover, he
prescribes, assuming that such drug will be right up to B.P.
standard. Knowing these facts,
Gardiner & McMullin specialise in Dispensing.
All drugs on our shelves are tested regularly; all prescrip-
tions are checked rigorously, consequently your medicine
will be exactly as prescribed.
When you consider that perfect dispensing costs no more
than the other kind, surely you are prompted to entrust us
with that prescription.
We carry Full Stocks of all Proprietary Medicines.

A Flawless Set of Teeth at the Lowest Price in Melbourne

It's simply wasting money to pay high prices for Artificial Teeth when I will supply you with an absolutely Flawless Set of Teeth with 22-ct. Gold Tooth if desired, at £2/10/- per Set (Upper or Lower)

This is in actual truth the very lowest figure at which correctly fitting, properly made artificial teeth are obtainable in Melbourne, and when you can ensure Dental Comfort for all time at such a moderate outlay, is it not foolish to suffer the inconvenience, pain and ill-health which infallibly follow on the presence of defective teeth in the mouth? Remember—**FAST PAINLESS EXTRACTIONS** are allowed with each set ordered—and I guarantee to extract any tooth without causing even the vestige of pain to the patient. Call, or phone Northcote 410 To-day.

PRESTON SHIRE COUNCIL.

MONDAY, OCT. 31.

[Present:—Crs Crispie (president), Jones, Bartrop, Bricknell, Bransgrove, Adams, Warr, McFadzean, and Robinson.]

INVITATION.—The Memorial Hall Club committee wrote inviting councillors and their wives to an evening at the club room.—Accepted.

COMBINED OFFICES.—The shire of Dimboola wrote asking the council to enter the proposed amendment of the L. G. Act prohibiting a municipal officer from holding the combined position of secretary and engineer without the consent of the Minister, as they considered this an unwarrantable interference with the rights of local governing bodies, and would largely increase the expenses of administration.

Mr. Warr moved that the letter be referred and instructions given to their Parliamentary representatives to deal with the bill on lines laid down by the Dimboola council. He (Mr. Warr) considered the proposed step a wrong one, as there were men in the dual office with ability to carry out the duties to the satisfaction of the municipality. Carried.

UNDERSIGNED BLOCK.—Cyril F. Barling applied for permission to erect a 2-roomed dwelling on a block of land in Town Hall street, No. 110, which he had purchased in 1914 before going to the war.—Applicant to attend committee on the motion of Crs Bransgrove and McFadzean.—Adopted.

WOMEN AND CHILDREN'S HEALTH.—The Society for the Health of Women and Children of Victoria wrote inviting three representatives to their annual conference on 30th November.—The president was anxious to attend.

THE HON. SEC. PRESTON FOOTBALL CLUB (E. J. Hannah) wrote thanking council for use of park for past season and asking for return of deposit.—Received.

ANALYSIS OF FOOD.—F. Duns and Son, analytical chemists, wrote offering to do the council's work at the rate of 15s per sample.—Referred to committee of the whole.

INFANTRY RIGHT-OF-WAY.—R. Broadhurst, 45 Gower street, asked that the right-of-way at the rear of his premises be attended to, as same was a menace to health.

The shire engineer said the only remedy was to give the right-of-way to the letter was referred to the works committee on the motion of Crs Robinson and Warr.

VICTORIA ROAD LINE.—A. J. Tanner, as hon. sec. Northern Tramway Extension League—Victoria road branch—wrote inviting 3 representatives to attend public meeting at Northcote to press the claims of the Victoria Road Tramway.—Crs Adams, Robinson, and Bransgrove were appointed to attend.

Cr. Bricknell in moving that those three be appointed said the Board's officers had surveyed a line further east, and north as far as Bell street.

OFFICERS' SALARIES.—The Municipal Association wrote forwarding a copy of agreement made with Municipal Officers Association re rates of salaries and conditions re same.—Referred to committee of the whole.

PROVISION OF ELECTRICITY.—The City of Footscray wrote forwarding series of resolutions passed at conference re distribution of electricity, and asking council to support same.—On receipt of all replies they would have a deputation to the Minister.

Cr. Bricknell, delegate to the conference, said this action was being taken in the fear that the Electricity Commissioners intended picking the eyes out of the electrical business by taking over the supply of the city and he moved that the resolutions of the conference be approved. Cr. McFadzean seconded.—Carried.

HALL FOR THURSDAY NIGHTS.—Frank Fishman, hon. sec. the Entertainers Orchestra, wrote applying for the use of the hall for alternate Thursday nights from 4th April, 1922, to end of 1922.—Referred to the hall committee on the motion of Crs. Bricknell and Adams.

CONFERENCE ASKED FOR.—Wm. H. Davis, hon. sec. Honor Board Committee, wrote asking for a conference with the Council on November 2nd to discuss details relating to the erection of the honor board. Design and plan and estimate of cost would be submitted.—Request to be complied with.

LIBRETTES MEN AND TRAVELLING.—Librettis Men's Association of Victoria wrote asking that a delegate from this council attend deputation to Tramways Board to urge that free passes be given to all librettis men.—President to attend conference.

WATER FOR HAROLD STREET.—Wm. A. Krieger, Arthur Henry Nichols and James H. Wayland wrote asking that the water be extended to Harold street.—Application to be made to the Board on the motion of Crs. Bransgrove and Bricknell.

RAISING STATUS OF SHIRE.—J. Cain, M.L.A., wrote stating he would do his best with the Minister re pushing through the Amending Act to allow of the status of the shire being raised, but he did not think they would consider dividing the Amending Act into two as suggested.

Cr. Robinson said he did not think there would be much difficulty in putting a separate Bill through for increasing the area of the proposed new borough.

PENDER'S GROVE SCHOOL.—J. Cain, M.L.A., wrote stating he would submit petition for the erection of new school at Pender's Grove to the Minister and request him to personally inspect the school in the near future.—Mr. Cain to be asked to notify the council when the Minister is making his visit.

METROPOLITAN BOARD'S PECULIAR PROPOSAL.—The Metropolitan Board wrote declining to extend the right of construction to Pender's Grove and Kilaria street. They would, however, extend the existing sewer to the eastern end of Kilaria street on the owners of houses there by paying the Board 27s, estimated cost of the work.

Cr. Robinson asked if it was the practice of the Board to make such a charge. Cr. Crispie.—I have never heard of it before.

Cr. Robinson said this extension not only affected the residents there, but the whole of the children of the Tyler street school, as the sanitary carts now came there during the children's dinner hour. He moved that the Commissioner be asked to try and bring the Board to a more reasonable attitude.

Cr. Crispie said he had already pointed out to the sewerage committee that if the extension were made to the two houses in Kilaria street it would not be necessary to sewer Foot street.

Motion carried.

NO WATER FOR PATTERSON STREET.—The Metropolitan Board intimated that they could not extend the water to Patterson street and Erval avenue as the return on an outlay of £180 would only be 11 per cent.—Copy of letter to be sent to Mrs. Bolton on the motion of Crs. Bricknell and Bransgrove.

A SECOND INFECTIOUS DISEASE HOSPITAL.—The Health Department wrote stating the Health Commission were of opinion that the Caulfield Military Hospital should be acquired as a second Infectious Diseases Hospital, and asking this council to give the matter earnest consideration with a view of taking joint

action with other councils.—Referred to committee of the whole.

STAR PICTURE THEATRE.—W. E. Edmonds, on behalf of the Star Picture Theatre Co., applied for permission to build a picture theatre at corner High and Gower streets.—Grand-ol, on the motion of Crs. Robinson and Adams.

FINANCIAL COMMITTEE.—Cr. Robinson (chairman) submitted the report recommending that the accounts amounting to £219 6 3 be passed for payment.—Adopted.

PUBLIC WORKS COMMITTEE.—Cr. Warr (chairman) submitted the report recommending:—1. That accounts amounting to £282 9 6 be passed for payment.—Adopted.

Let Good Dispensing "back up" your Doctor's Efforts.
All the skill and learning of your medical man can be nullified if his prescription is not dispensed accurately, faithfully, to the very letter. When he specifies a certain drug he means that drug only; and not a substitute. Moreover, he prescribes, assuming that such drug will be right up to B.P. standard. Knowing these facts,

Gardiner & McMullin Specialise in Dispensing.
All drugs on our shelves are tested regularly; all prescriptions are checked rigorously, consequently your medicine will be exactly as prescribed.
When you consider that perfect dispensing costs no more than the other kind, surely you are prompted to entrust us with that prescription.
We carry Full Stocks of all Proprietary Medicines.

All the skill and learning of your medical man can be nullified
