FOOTBALL.

NORTHCOTE V. GEELONG.

GOUGH'S GOALS.

At the Northcote Park on Saturday last, Northcote and Geelong...

It is apparent that at a football match where there is a large number of supporters...

Geelong made several changes in the composition of the team, while Northcote replaced Downs (injured in the Brighton match)...

The third quarter was the best-contested of the match. Geelong were playing 17 men, while Gough was limping about on Northcote's forward line...

Beginning the last quarter, interest in the match waned considerably on account of the locals' big lead...

For the visitors, Corfield, an old Northcote player, performed creditably as did Cooper, Cations, Noonan, Whedon and Bentley...

MONDAY'S MATCH.

Northcote was not engaged in a match today, but play Brunswick at the Northcote Park on Monday (King's Birthday)...

YARRAVILLE V. PRESTON.

In junior football circles this was the match of the day. Yarraville plays on their own ground, always proved a nasty problem for Preston...

their own ground, always proved a nasty problem for Preston to tackle and last season they gave Preston a good tussle for the premiership...

The following were the scores:—First quarter, Preston 2 to 2, second quarter, Preston 4 to 5 to 2 behind, Yarraville made desperate efforts in the last quarter...

Matches for to-day are as follows:—A grade, Northcote Methodists v. Thornbury Presbyterians; Heidelberg v. Fairy Hill; Northcote Presbyterians v. Northcote Baptists; Englemont v. Yarraville.

Northcote Amateur Cycling Club. The following is the result of the 15 mile handicap race at Epping on Saturday:—R. Rogers (11 min.), I. R. Allison (11 min.), 2; P. Thomas (11 min.), 3...

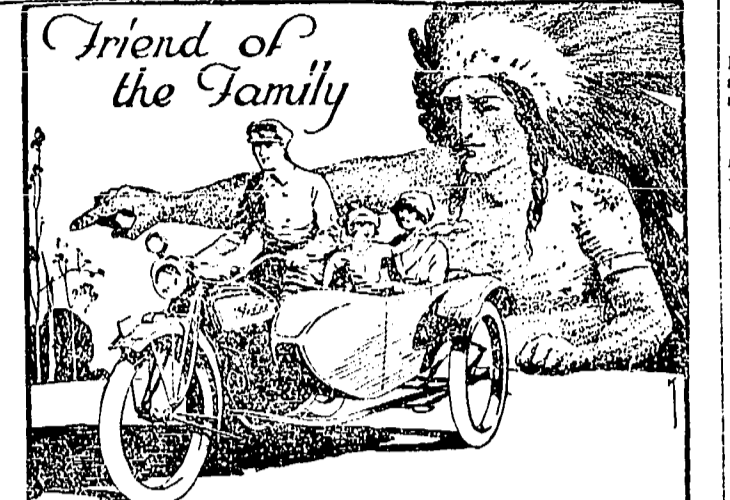

Preston District Cycling Club. The above club are holding a 15 mile handicap race on Plenty road to-day at 3.15. This is the second race for the silver cup presented for a points competition on all races throughout the season...

Band of Hope Movement. Northcote Baptist.—There was a good attendance of members and friends at the monthly meeting on Tuesday evening...

This association held their annual conference in the temperance hall, Russell street, Melbourne, on 25th May last. Representatives of 135 schools were present...

STATE ELECTIONS.
GR. MAYER AT THORNBURY.
Mr. Mayer, selected Nationalist candidate, addressed the electors in the Dispensary Hall, Thornbury, on June 17th. Mr. Mayer explained how the failure of the Redistribution of Seats Bill had caused a dissolution. He had nothing to say against Mr. Cain, a personal friend of many years. In the main he was a supporter of the Peacock Government's policy, but reserved that reasonable freedom of action that all men who endeavored to legislate for the best interests of the whole community.

At the meeting of the Northcote city council on Monday Cr. Johnson moved the adoption of the following clause of the public works committee's report:—
The value has completed the provisional valuation, and is now issuing notices setting out the amounts payable on properties under the Unimproved Rating Values Act 1922 and the net annual value prospective. Cr. Johnson said that in certain cases owners would find themselves in the position of having to pay more in rates, but others the rates would be considerably less.

Table with columns: Ward, Rate at 2.6 on Unimproved Value, Rate at 2.6 on Net Annual Value, Increase of Net Annual Value, Rate at 2.6 on Net Annual Value, Rate at 2.6 on Unimproved Value, Increase of Net Annual Value. Rows include South, East, Central, West, North, and Total.

PROCEDURE TO BE ADOPTED.
The council proposes to adopt the rating on unimproved value system. Notices are now being sent to all ratepayers showing the unimproved value, improved value and the net annual value, also stating they would pay on a 2/6 rate on the net annual value and amount they would pay on a 2/6 rate on the unimproved value.

DEATH OF A PIONEER.
On a hot north wind morning, 21st January, 1924, a group of seven persons set with their luggage on the beach of Sandridge (now Port Melbourne), waiting for the day that was to convey them to the far frontages of the dusty road to the embryonic city on the banks of the Yarra that was to be their home. The members of that group were the brothers Edward, Frank and George Kelson, the youngest but 14 years of age, their sister (Mrs. Hart) with her husband, who had been their nurse (Miss Harriet Kelson). The boat had landed them that morning from the ship Winchester, 539 tons, after an uneventful voyage of 162 days from Bristol, England, at which port 179 passengers had embarked for the new settlement of the Southern Cross.

FORCED £1 NOTES.
The public are warned against a number of forged £1 notes, which are circulating in the city. The notes are hand-colored in water colors and can be detected by rubbing a colored flannel over the face of them.
