Why is a wee pig like a fortnight?—Because it says, "Wah, wah," and two weeks make a fortnight. Why is a wee pig like a fortnight?—Because it says, "Wah, wah," and two weeks make a fortnight.

What a Chatter! Can't you see a young couple out of Cases? One morning answered to his granny, "A young couple can't do it!"

Stand two persons on a haystack, one as a newspaper as that they can't touch each other. To perform this apparently impossible feat, spread the handkerchief on the floor.

THE BIG SNEEZE. This sounds well in a room, but better still in the open air. One third of the company agree to say "Hi," another third to say "Hah," and the rest "Ho," all together at the same time.

Whether my ticket was anything or not I don't know, but this I do know, that the very next morning, in my dream, I was a millionaire.

PEACE ON EARTH. No soldier would commit pen and ink on earth, possibly to do that work for us to do. That help to make those words come true.

ONLY ONE MOTHER. Hundreds of stars in the pretty sky, Hundreds of shells on the shore together. Hundreds of birds that go singing by, Hundreds of bees that fly in sunny days.

WHAT AM I? Underneath the ground I lie, I'm called a worm, but I'm not I. I'm called a fly, but I'm not I. I'm called a spider, but I'm not I.

COMPETITION CORNER. dimes, shillings, catkins, jokers, puzzles, short verses, or anything you think will be interesting to the Cobbers' Club are to be sent to "The Leader," High St., Northcote.

WHICH IS THE STRONGEST DAY?—Sunday (week days). "Some puppy, please!" said Billy Bear. "What kind?" asked Shaggyman. "A dog," said Billy, "my name is Billy Bear."
