MOTOR PATROL'S MIDNIGHT DASH

ATTEMPT TO ROB PRESTON GARAGE.

Four Arrests Made.

On hearing a suspicious noise outside his garage on Thursday evening, Mr. Rayner phoned the police. In response to the call No. 1 Patrol in the "Grey Streak" rushed to the scene at 50 m.p.h., arriving in four minutes. They arrested a man and woman and later on two men at Brunswick.

Receiving a call to go to Rayner's garage in Bell street, Preston, early on September 25, the motor patrol reached the garage within four minutes, after covering a distance of something like three miles.

At about 1 a.m. on the date mentioned, Mr. Rayner, a member of the firm of Rayner Bros., heard a noise outside the garage. He immediately called police headquarters, and armed with a revolver went outside to prevent the intruders from escaping by the back door.

The patrol wasted no time arriving, and Plainclothes Const. Donnelly and Guider went to the rear door, with the intention of searching the premises. On approaching the door one of the constables fell over a barbed wire fence, and the noise disturbed two men who ran out of the building and escaped. In a lane nearby however, the police discovered a car

in which there was a man and a woman. The driver tried to start the engine, but the police got there before he could do so.

Members of the patrol questioned these two, and later visited a house in Brunswick. No one was then there but later Const. Guider who waited at the place arrested two men.

Later George Lewis, aged 33 years, of Chaleyer St., Preston; Ernest Leithhead, aged 22 years, a bill poster, Owen St., West Brunswick; Allan Chadwick, aged 28 years, a motor wheel worker, Donald St., Brunswick; and Ida Chadwick, 33 years, home duties, were each charged with attempting to break into the garage of Rayner Bros., with intent to steal.

The story of the capture was told at the Preston court on Thursday, when the four accused were committed for trial at the Supreme Court. Bail was fixed at £100 each.

HUSBAND SUED FOR MAINTENANCE ARREARS.

THE GUILLERNE'S AT PRESTON.

At Preston court on Thursday Esther Guillerne proceeded against her husband, Victor Peter William Guillerne, of Yarra St., Richmond, for £7/15/- arrears of maintenance. He was also called upon to show cause why he should not be imprisoned for failing to find a surety of £40 to comply with the maintenance order "Not Paid Anything."

Mrs. Esther Guillerne said—"Since the order was made in September last my husband has not paid me anything.

Cross-examined—We have been married for 12½ years and there are three children. We have only been parted for 10 weeks on Saturday next.

Mr. Cullity (for Guillerne)—He has expressed a wish to return?

"Too Many Promises."

The wife—He has made too many promises before for me to consider any he makes now.

Mr. Cullity—If you give him time you might come together.

The wife—He would leave the State.

Mr. Cullity—It is a long way to

walk. (Laughter.) Your husband is a builder?—Yes.

This morning did you not practically agree to accept his offer to return to you?—I couldn't do that. He couldn't prove himself in 10 weeks.

You don't want him to go to gaol?—No.

Prior to the separation he always maintained you?—Not as he should.

What security could you get?—I have pleaded with him to put the children on the State, and he refused.

He has told you he had a prospect of getting work?—Yes. He said he was going to get work for certain, but he didn't give me any money.

You won't have him back?—No; not at present.

How long do you think it should take him to prove himself?—Six months at least.

Mr. Cahir (for the wife)—Did he say anything about work at Deniliquin?—Yes. He said he had three years' work there.

Did you go to Bentleigh?—Yes, and I saw him arm in arm with another woman.

Mr. Cahir—That was how he was working at Deniliquin. (Laughter.)

The wife—I asked him why he wasn't at Deniliquin, and he said "I've been there and have come back."

Mr. Cahir—Did he say anything about what he would do if you got an order?—Yes. He said he would go to gaol or leave the State.

Will you return to him?—Yes, if he proves himself. If he behaves himself for six months and supports me, I will, for the sake of the children, take him back.

Mr. Cahir—We will agree to an adjournment if some assurance is given that support will be given to the wife.

Husband is "Broke."

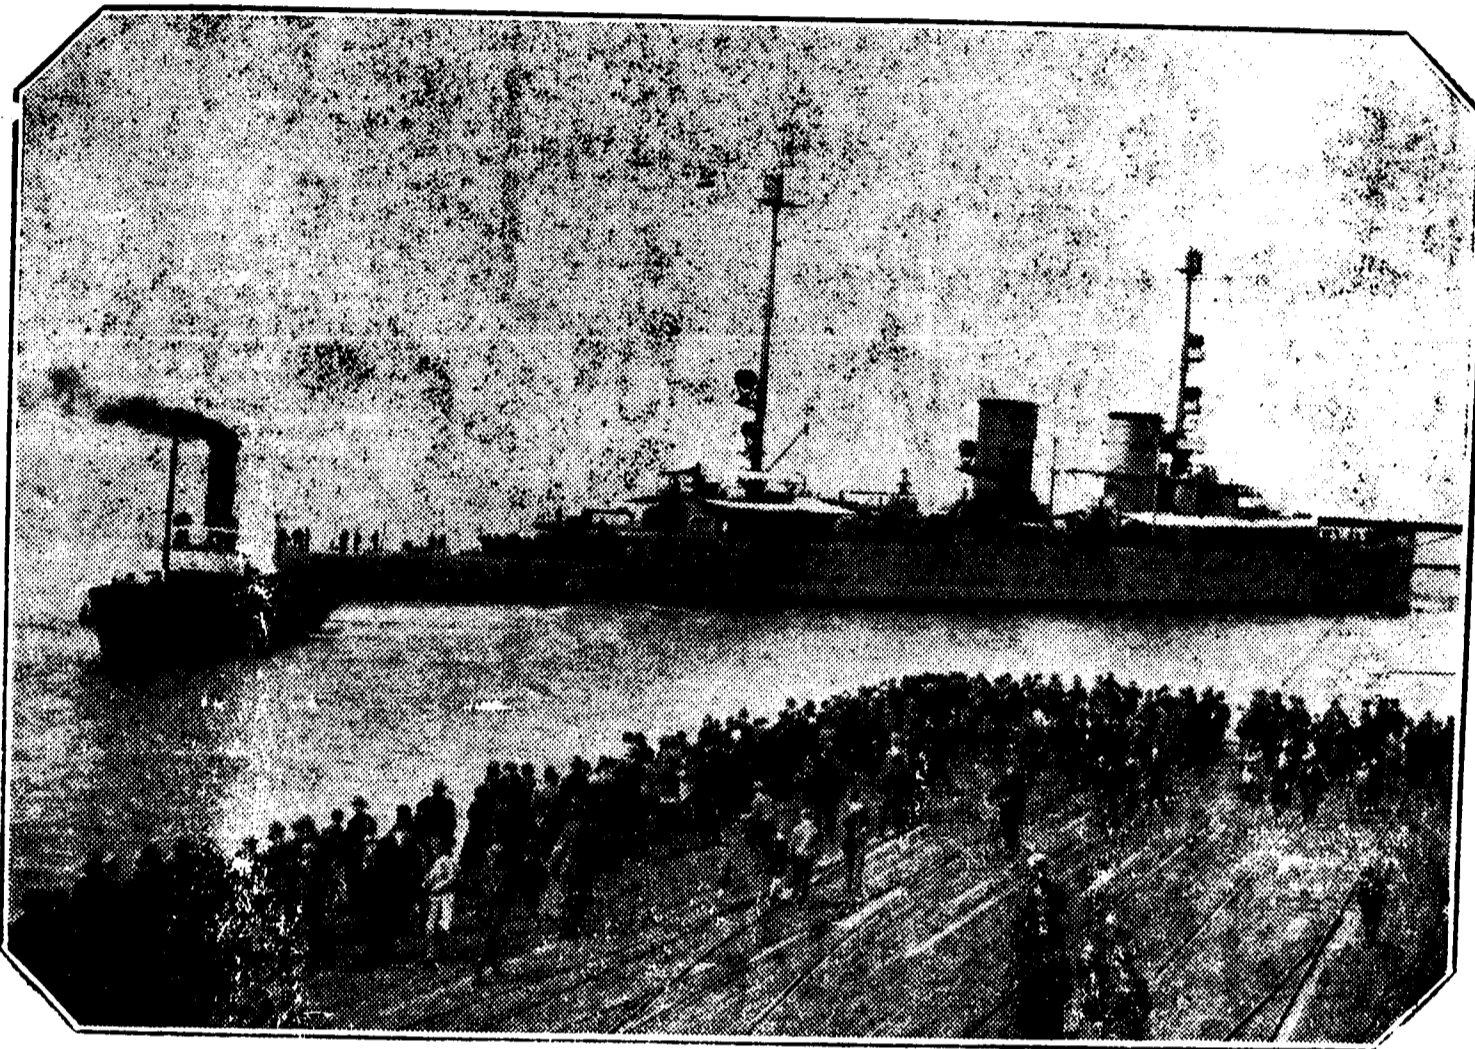

Mr. Cullity said Guillerne was "broke," and could not get any work. He had some prospects of getting something to do. Guillerne was anxious to return to his wife, and the main thing preventing the reunion was the financial stringency.

Mr. Cahir—This man is alleged to have stated he would sooner go to gaol than pay anything for his wife's support.

An Order Made.

Mr. Walker, J.P., said that an order would be made that defendant be imprisoned until the arrears (£7/15/-) were paid, a stay of 14 days being granted. In respect to the surety the bench ordered that in default of finding the surety Guillerne be imprisoned for three months.

PRESTON COURT

THURSDAY, OCTOBER 2.

Before Messrs. O. A. Walker, T. J. McMahon and C. W. Hooper, J.S.P.

False Pretences Alleged.

Manuel Roy Leigh Alberry, a builder, was charged at Preston court with having, between March 15 and May 22, by means of false pretences, representing himself as W. G. Alberry, he obtained from David Henshaw, timber and building materials to the value of £133/17/2, with intent to defraud.

The case came before the court on September 25, and after voluminous evidence had been taken, the hearing of the case was adjourned. It again came before the court on Thursday.

After hearing the evidence Alberry was committed for trial at the Supreme Court on October 15. Bail was fixed at £200.

Offensive Noise.

Herbert Boyle, of Epping, was charged that on July 20 he allowed his motor car to emit an offensive noise in High St.

Traffic Const. Cunningham said that the noise could be heard from a distance of 300 yards. The silencer on the truck was broken. Boyle said: "I am only the driver of the vehicle."

Maintenance Order by Consent.

Ethel May Snodgrass, Etnam St., Preston, proceeded against her husband, Kenneth John Snodgrass, of Little Mountain St., South Melbourne, asking for an order for maintenance.

Mr. Cahir appeared for the complainant and by consent an order was made that defendant pay his wife 27/6 per week, that he find a surety of £25 to comply with the order, and that he pay £2/8/- costs.

Vehicles Driven Over Footpaths.

P. Kelly, Cooper St., Preston, charged with having driven a motor truck across a slab footpath in Queen St. on September 16, was fined £2, with 2/6 costs.

Inspector J. O. Iles prosecuted in these cases for the City of Preston. Others also fined for similar offences in various streets were—A. Porter, High St., Preston; W. McCubbin, Devon St., Preston; W. Rexter, Dennis St., Northcote; and E. Guthrie, Stewart St., Preston.

One of these men, when told the fine would be £2, said "Or how long?"

Mr. Walker—You want a stay. Defendant—Things are so bad that I'd be out of my wages for some time at 5/- or 6/- a day. Anyhow, the

police can pick me up down at Northcote if they want to.

C. Read was charged with having driven across the footpath onr. Gregory Gr. and Plenty road.

Read said that he was carting sand to place it on a council dump, and the council foreman had told him to drive over the footpath at the point where he had done so.

The case was withdrawn at the suggestion of the bench.

R. B. Turney, Bell St., Preston, who drove a milk cart along Powell St., was fined £2, with 2/6 costs.

No Light.

D. Block, Harold St., Thornbury, who drove a milk cart without a light in the early morning of September 16, was fined £3, with 2/6 costs.

Vehicles Pass Stationary Trams.

T. Hewitt, Goe St., Caulfield, was charged that on September 18, in Plenty road, he drove a motor car past a stationary tram car whilst passengers were boarding or alighting.

Action was taken in this case under a by-law of the City of Preston.

Inspector O'Doherty said that he saw defendant's truck, going at a speed of over 20 m.p.h., pass a stationary tram whilst two people were about to get on to the tram.

The chairman said—This is a very dangerous practice, and we are only sorry the by-law is not uniform in all suburbs.

Fined £2, with 2/6 costs.

On a similar charge H. Brown, Heidelberg road, Ivanhoe, was also fined £3, with 2/6 costs.

Stepson Charged With Housebreaking

Frederick Webb, 19 years, was charged that on September 12 he broke into the house of Ernest Taylor and stole a suit of clothes, an electric torch and £1/10/- in money, to the total value of £7/10/-.

Ernest Taylor, foreman of the Preston City Council, said that he missed the goods mentioned from his house on September 14. Later he identified his suit and other goods in the hands of the police. Webb is his stepson.

Det. W. Campbell said on September 26 he saw Webb in Flinders St., and asked him where he got the suit he was wearing. After some questioning he said "I pinched the suit from my stepfather." Asked where he had been living he said "I've been sleeping in railway carriages." In a statement he admitted having watched his mother "plant" the key, and then he used it to enter the house, where he obtained a suit, a torch and about £1/5/- in money.

Webb was committed for trial at the Supreme Court.

DISTURBANCE AT FOOTBALL MATCH.

SPECTATOR STRIKES PLAYER.

FINED £5.

As a sequel to a disturbance at a football match on August 16 Ray Bassett, otherwise Roy Bassett, appeared at the Preston court on Thursday, charged that on August 16 he behaved in an offensive manner at a football ground, known as Hutton's paddock. Bassett pleaded "guilty under provocation."

General Fight.

Sgt. Lang said that during a football match Bassett, who was a spectator, rushed on to the ground and assaulted a player. The result was a general fight.

Walter O'Doherty said he was at the match and saw Bassett run 80 yards on to the ground and make a "swipe" at a player. The player turned round and the blow cut his eye open. A general fight then ensued.

Gave Himself Up.

Sgt. Lang said that a warrant was issued for Bassett's arrest and he gave himself up.

"Struck First in Self Defence."

Bassett said a fight started and he went and looked on. He was struck and struck back in self defence.

Sgt. Lang—The whole scene was disgraceful. There were 40 or 50 in the fight.

Fined £5 in default a month's imprisonment.

The fine was paid.

Misunderstood

Driven From Home

Tompkins and his wife had been having the worst quarrel of their married life. Pots, pans, and dishes were flung one after the other at his head. As the water jug hit him on the ear, Tompkins came to the conclusion that he could stand it no longer. He rushed upstairs and packed his bag. "Where are you going?" snapped Mrs. Tompkins as he opened the front door. "I'm leaving," he said, "and I'm never going to come back. Woman, your bitter tongue has ruined two lives. We will never meet again. I wish I were dead!" Mrs. Tompkins suddenly looked thoughtful. "That reminds me," said she, "have you paid your life insurance premium yet? It's due!"

A Ben Turpin comedy and "Intolerance" comprised Clive Brook's motion picture education when he appeared before a film camera for the first time six years ago.

MERENDA

Vigorous criticism was levelled at the Whittlesea Shire Council at a meeting of the Progress Association on Monday night owing to the council not taking action in removing the flood waters from Cheapside lane. It was decided to ask the council to receive a deputation of residents to consider suggestions for expediting the work of removal. It was also decided to ask Mr. J. G. Orgill, president of the association, to nominate for the vacancy in the council caused by the ousting of Evan McDonald.

Mr. C. E. H. Brownhill, who so worthily held the seat for several years, is also being pressed to allow himself to be nominated.

The annual meeting of Mernda Tennis Club will be held on October 7, when officers for the coming year will be elected.

Jack Buchanan, featured with Jeanette MacDonald in Ernest Lubitsch's new production for Paramount, "Monte Carlo," is one of London's favorite musical comedy stars.

Exclusive to "THE LEADER." "COMMON CLAY" Shapes Fate.

Social Problems Solved in Fearless Fashion as Picture Unfolds

Have you ever attended a dignified gathering when the favored guest dropped a plate of soup into the lap of her most dignified guest?

When working on a picture," says Keaton "and a humorous gag or episode is performed, I keep thinking of the multiplication table.

These are some of the absorbing questions that are being asked in "Common Clay." Can a girl who has made a mistake ever rehabilitate herself? Who are our "best people"?

HOLLYWOOD'S MIXED WEATHER.

No Fault of Weather Man. There is supposedly only one kind of Hollywood weather, but conditions on the Warner Bros. lots and locations seem to vary.

While Dolores Costello and company, making "Hearts in Exile" in a Russian snow scene, perspired in fur and woollen sweaters, hundreds of extras playing the part of Hindus in the great indoor and outdoor temple sets of "The Green Goddess" shivered in the scanty dresses.

While the John Barrymore company made an impressive outdoor sequence of "General Crack" which is showing at the Star and Gowerville on Monday, September 29, hoped for the usual sunshine of southern California for its natural color sequences, the Pauline Frederick company, making "Engel" for Columbia, for a long time would have chosen fog to simulate English weather.

What Stars Can't Do. The stars can't always do the things they want to do. Almost every little detail of their lives is governed in some way by the contracts they have signed with their producing companies.

REGENT TALKIES

The features for Saturday's matinee are Ed. Everett Horton in "The Flying Fleet" Ramon Novarro in "The Jade Box" serial, and Laurel and Hardy, the clever comedians.

Monday brings Buster Keaton in "Free and Easy," a big comedy with suspense and humor are the four prime characteristics of "Big News," and it might well be described as one hectic day in a newspaper office.

The mid-week change brings "The Girl Said No," a human story in which William Haines is seen as a young man making his way in the business world, starting out as a very fresh young man, but becoming subdued when his father dies and the responsibility of running a home for the family devolves on his shoulders.

At the close of the lesson on Friday, her fellow-instructors and co-workers, with the head master (Mr. Carter) and Miss Geegson (representing the staff) gathered together for a farewell ceremony.

BOXING

Billy Squires, a coming champion, who is being trained by Fred Hillman, is making such wonderful progress that he has been approached to enter the Sandringham competitions.

Squires is a brother to the bantam-weight boxer of Sheffield. He has only been in training for three months and if he continues to improve he should go far in the boxing world.

Fred Trotter, another smart lad, is also showing out. He gave a splendid exhibition at the Collingwood town hall last Wednesday night and received an ovation for his cleverness.

Clem Sheppard received his medal on Friday in honor of winning the junior amateur championship of Victoria at St. 6th.

Stanley Bowers, junior amateur champion of Victoria at St. 6th, was well received when giving a boxing exhibition last Wednesday at Collingwood. This lad received his medal in honor of winning a title.

FAIRFIELD NEWS

Heidelberg Municipal Band gave a social in the Memorial Hall, Fairfield, when there was a good attendance.

Fairfield Diggers' Cricket Club held a social dance in the Soldiers' Hall on the 24th. The attendance was good.

An enjoyable evening was spent at the Victory Social Club's dance in the Masonic Hall, Gillies St.

Fairfield footballers held a pleasant house party in Youren's Hall on Saturday.

Over 100 attended a eucure and dance at Clifton Hill for which ex-Cr. Coulson made his house available.

Crs. Kane and Dummett and Mr. Coulson presented the prizes. Proceeds were for the Spensley St. Mothers' Club relief fund.

Child Injured. Suffering from a lacerated scalp, shock and abrasions, Betty Cooper, four years of age, of Alhambra, was admitted to the Children's Hospital. She was struck by a tram in Bourke St.

Alphington Bowling Club. Alphington Bowling Club was officially opened on Saturday by the president (Mr. J. P. Munro). In view of the fact that the money usually spent in connection with this function was given to the club, Mrs. Munro threw the jack, Mrs. Thompson gathered together the Ladies' Bowling Club) graced the first bowl.

Rifle Club. The above club had a pleasant outing at Hurstbridge last Saturday at the invitation of the Diamond Valley Rifle Club. Fairfield won the match, which was shot over 600 yards, by 28 points.

The president (Mr. F. Smith) extended thanks for the invitation and the kind hospitality. Top score for the opposing side was made by Mrs. C. Hill, for which Mr. Henderson presented a trophy.

Fairfield School.—Presentation to Mrs. McDonald. (General remark was expressed when it was learned that Mrs. McDonald, who had been giving religious instruction every Friday for the past six years, was leaving the district.

At the close of the lesson on Friday, her fellow-instructors and co-workers, with the head master (Mr. Carter) and Miss Geegson (representing the staff) gathered together for a farewell ceremony.

Appreciative remarks were made by Rev. B. T. Bunline and Rev. F. A. Apple, and the Rev. J. P. Munro, who presided.

Opening of Fairfield Bowling Club. At Fairfield green on Saturday afternoon the opening ceremony was performed by Cr. Coote, J.P., president of the club.

Mr. W. Lupton (president of the club) spoke in support and expressed appreciation of the work done by honorary members.

Mrs. Dare (women's club) also welcomed the visitors. Opening bowls and jacks were thrown by Messrs. Dare, Lupton and Allan. Trophies won during the year were also presented.

VANDALISM IN NORTHCOTE.

25 REWARD SUGGESTION. Writing to the Northcote Council the Northcote West Ward Progress Association has drawn attention to many deliberate instances of vandalism.

It was stated that in one street a public phone box had been pushed over, and fences wrecked. Further instances of vandalism in the letter continued, "only go to show the need for adequate police protection in these areas."

Cr. Mitchell said that not only was the West Ward aggrieved. In Auburn Ave. a fence had been wrecked and posts pushed over. He moved that a reward of £25 be offered.

Cr. Dennis—Oh, have a heart! A voice—Make it £50.

Cr. Mitchell—I'm serious. It seems that there is a party of blackguards going about wrecking damage, and the council should take every means to have them apprehended. In Hammond St. recently the council suffered when tree guards were smashed down and concrete seats broken.

After further discussion the matter was referred to the Finance Committee.

out in the junior class. Killman's is Harry May, who has a nippy left hand and knows how to use it.

Vic and Cliff Deslandes gave a very fast and clever display of boxing, standing toe to toe, taking and giving in good fashion, and slow curled a bar bell weighing 110lb.

Billy Smith, light-weight champion of Australia, was the turn of the night at Collingwood last Wednesday. His lifting was more wonderful than when he won the title. He has received the soubriquet of "the modern Samson."

STAR AND GOWERVILLE.

CLARA BOW MOST NATURAL STAR.

Only when in front of the camera is Clara Bow an actress. Some of Hollywood's screen stars take their art home with them at night, enrobe themselves with it between pictures, eat and sleep with it, and wear it on their sleeve, but not Paramount's little red-head.

Clara Bow lives in one of the least pretentious bungalows on one of the least pretentious streets in Beverly Hills, traditional home of the film-makers, and a city of many mansions. She has no swimming pool, formal garden, or separate domicile for her servants.

In fact, she has few servants. One small housemaid, one studio maid, a secretary, and a cook, comprise her staff. She no longer has a chauffeur. She must prefer to drive for herself.

Contrary to her friendly manner toward everyone whom she comes in contact, she has few friends, and

CLARA BOW. A Paramount Star.

no intimates. Clara Bow can be said to lead a lonely life. She likes praise, but despises flattery, which she believes is the essence of insincerity. Sincerity she cannot tolerate.

The reason is apparent. She is the most natural person in Hollywood, and she knows it. She has been writing would be proof positive that the actress had never met her.

Today Clara Bow is the same vivacious, outgoing, and confident ingenue person who burst into fame when she became the "It" girl, following the release of the picture of the same name. She will be seen in her latest Paramount all-talking picture, "True to the Navy," at the Star and Gowerville Theatres on Thursday, Friday and Saturday, October 9, 10 and 11, together with Phyllis Haver in "Sal of Singapore."

BIG C.Y.M.S. DANCE.

Nearly 600 dancers taxed the accommodation at Collingwood Town Hall on Show Night (September 26), when Northcote and Fairfield branches of the C.Y.M.S. joined forces to stage one of the most brilliant dances of the season.

The majority of those present were Northcote residents, while many friends from neighboring suburbs and representatives of other branches attended.

During the evening the dancing championship of the C.Y.M.S. was decided. Fifteen couples competed for silver cups presented by Mr. C. Ford, the judges declaring in favor of Mr. G. Perry and partner, representing North Fitzroy branch. Though little separated the couples in ability, the announcement of the decision met with popular approval. Congratulations were freely extended to the committee responsible for the arrangements. They included Messrs. W. Sheehan, L. Dickson, L. Growsay, G. Beeden, E. Farnell, J. Hickey, J. Waters, J. Baker, D. Shorritt and F. Penry.

PRESTON'S "STATE COACH"

(To the Editor) Sir,—I would like to ask the mayor of Preston his reason for change of front on this most vital question. On all sides one hears the cry "economy and still more economy," but the mayor's action in this case shows his insincerity.

When Cr. Zwar, at the meeting on the 8th inst., moved "that the Buick car be disposed of," Cr. Robinson, after receiving a wireless message from another councillor, decided most emphatically that notice of motion was essential; but after the notice as required is given, and the matter is discussed by the mover and the seconder on the night of the 22nd, another flash of knowledge is received by the mayor, who suddenly decides that the matter is out of order, presumably because the minutes of the earlier meeting were inadvertently incorrectly recorded, or maybe, because he saw the writing on the wall. However, it is to be hoped that Cr. Zwar will not be so easily gagged in the matter, but will come again. What has the mayor to say?—Yours etc.,

AVOIDING THE ISSUE. The controversy over the "state car" in Preston still goes on. Despite the avowal of many councillors that the car should be sold...

CR. ZWAR gave notice that he would move for the disposal of the car. The notice was accepted by the mayor (Cr. Robinson), and when it came up for discussion at the last council meeting...

THE usual fortnightly meeting was held in the Progress Hall on October 1, Mr. Burian being in the chair. There was a good attendance.

A letter from the town clerk stated that the matter of a through drain from May street to Cooper street was to be held over for three months.

There is a duty to be done, and that is the disposal of the car. In justice to the ratepayers and to himself, the mayor (Cr. Robinson) should permit a vote on the "state coach" in open council.

Northcote players were mainly responsible for the bitterness manifested in the last quarter of the climax was reached when an Oakleigh player was felled, and as a trainer rushed over to his assistance, he was deliberately set upon by a Northcote player...

The position remains much the same regarding the efforts put forth by the committee, which is doing all it can in order to provide relief measures for those who are in need.

In last issue of the "Leader" an appeal was made for a pamphlet on the deserving case. It is pleasing to note that a prompt response took place; in fact, two responses, one of which was accepted, a grant made by Mr. McManis, High Street, Preston, being accepted by the committee and passed on to a thankful mother.

Quit a number of clubs which exist throughout the municipality have promised to come to the assistance of the relief committee in organizing local activities and thereby raising money in aid of the funds.

Another representative meeting of the Preston Unemployed Relief Committee was presided over by the mayor (Cr. Robinson) on Tuesday evening last.

Letters from many organisations were read promising co-operation. Some of the more interesting entertainments in the near future.

Mr. Warren, of Tyler street school, forwarded \$35, and Braithwaite's, of the Northcote Theatre, with the wonderful revue "Paramount on Parade" will be screened.

the banks all over the place. Sides of the embankment should be covered with stone walls.—Request to be made to the Railways Department.

Travelling Stock and Street Damage.—Cr. Turner spoke of driving of sheep and cattle through Northcote. This, he said, was a very serious matter every Tuesday night. Men on horses followed the sheep along the footpaths, and rode on the slab footpaths, continuing, Cr. Turner said "On several occasions I've had a row with these men, and one night I threatened to pull one man off his horse. If an offender would go up there one of these nights and pay a surprise visit, it would do a lot of good."—Matter referred to Finance Committee.

General. Cr. Hayes moved that slabs on south side of Kellist St. be referred to P.W. Committee.—Carried.

Cr. Dennis referred to discolored water in the north wall, Northcote, and said he had passed the matter to the board. He was advised there was no cause for complaint, and he suggested in future that a sample be taken.

BROWN OR ENGLISH TROUT.
(By A.F.D.)
How many anglers and self-styled sports stop to think of the trouble and expense that is incurred in the bringing of the brown and rainbow trout into our local streams and reservoirs?

Under the impression that he was pleased to see the "back yard" boat manufacturer, Edward John Clemons, a member of the Welpthi Sho Company, Separation Creek, Northcote, unwittingly transgressed the law. After the case had been heard at the Northcote court on Tuesday, the bench dismissed the charge without even calling on the defence to give evidence.

Charge of Receiving.
Clemons was charged with having on September 9 received nine shoulders of leather, the property of the late Joseph, knowing them to have been stolen.

Mr. Ridgway (for Clemons)—You do us business with Clemons?
Witness—Yes.
Lydia Elizabeth Smith, Johnson street, Fitzroy, said—About 2 p.m. on September 9, man named "Scotty" Masson asked me to take a parcel and meet him on the corner of Separation and High streets, Northcote.

Mr. Ridgway—Did you ever know anyone as "Scotty"?
Witness—No.
The Police Evidence.
Plain-clothes Constable Thomas, of Northcote, said—About 8.30 p.m. on September 9 I went to Clemons's house and he told me he had received a parcel from a woman that day. I went to the factory with him and saw eight shoulders of leather and said, "That leather is portion of a quantity stolen from Kedapelle's warehouse."

Clemons said, "I didn't know it was stolen. I do a lot of business with Kedapelle's." In answer to further questions Clemons said, "I first met Masson, whom I knew as 'Scotty' Stevens, a month ago. He said he was a 'backyard' boat manufacturer, and I arranged to buy his stock at 60 p. per pound for shoulders."

Mr. Ridgway—Do you know that Mr. Clemons and his partner have been in business in Northcote as the Welpthi Sho Company for eight years?
Witness—No, not personally.
Was Clemons open and frank with you?—Yes.
Did he offer to show you his books?—Yes.
The P.M. (Mr. T. D. O'Callaghan)—There was no attempt at concealment, was there?—No.

The Case Dismissed.
After consulting his colleagues on the bench, the P.M. announced that the evidence had been considered very carefully, and it had been decided to have done in the ordinary course of business; he had paid by cheque and obtained receipts. Clemons was also given an excellent character by the police. The case would be dismissed.

Constable Congratulated.
The P.M. also complimented Plain-clothes Constable Thomas on the fair and impartial way in which he had given his evidence.
The teacher was doing her best to explain the points of the compass to her class. "Willie Jones," she said, "stop up here for a moment." Willie did as he was bid. "Turn round and face the north," ordered the teacher. "Now, what is on your right hand?" A flush crept over Willie's face. "Please, miss," he confessed, "it's the bell that's on my right hand."

The P.M. also complimented Plain-clothes Constable Thomas on the fair and impartial way in which he had given his evidence.
The teacher was doing her best to explain the points of the compass to her class. "Willie Jones," she said, "stop up here for a moment." Willie did as he was bid. "Turn round and face the north," ordered the teacher. "Now, what is on your right hand?" A flush crept over Willie's face. "Please, miss," he confessed, "it's the bell that's on my right hand."

IN THE GARDEN

AMONG THE GOLDFISH.

The craze for tropical fish in small aquariums has assumed large proportions in Melbourne, and a big business is being done by breeders and dealers. The dealers received a setback recently, when the shipping companies trading with the East decided to stop the crews bringing the fish on board Chinese and Japanese ports, owing to the large amount of fresh water used on the voyage to Australia. The result of this embargo means that the breeders in Victoria, who number only about six, will do a big business until the embargo is lifted or other means are found to import the curious exotic fish from abroad.

One of the pioneers of the industry in Melbourne is Mr. George Malcolm, of Burnley. Mr. Malcolm has been breeding goldfish in his concrete tanks at Gibden St. for nearly twenty years, and has during that time managed to rear some queer specimens of them if he is not placed in the small aquariums of many Victorian homes.

During a recent visit to his establishment the writer saw much that was of interest. In the tanks of concrete and glass were specimens of many rare fish. Certainly the most curious were the Chinese Celestials, whose eyes are on the top of the head. Their coloring is old gold, and they have a large tail similar to the Chinese Fantail.

Another curious fish is the Japanese Shubunkin, a scaleless rarity with pepper and salt markings. The Shubunkin is a "sport" from the Fantail, and the Japanese have now fixed them permanently as a breed. The "sports" have a striking variety in color, some being red, white, brown and yellow.

In point of view of elegance there is no breed of goldfish equal to the Japanese Fringetail. The body is short and round, with long pendant and delicately lace-like fins. The dorsal fin is as high as the body is deep, producing the effect of a sail as the fish moves through the water. Japanese Fringetails, Fantails, Yodotails, and Telescope-eye were in abundance, and varieties noticed were Comet-tails, Nymphs, and common Carp. Cold water fish from India

NORTHCOTE WIN PREMIERSHIP

The final match of the B section premiership was won by Northcote, who defeated Prahran at Merri Park on September 25. At the last moment this contest, which should have been played at Northcote, was transferred to Merri Park, owing to the state of the ground at Northcote.

The winning team displayed better form in all departments of the game, and ran out easy winners, scoring 14 runs to 5. Leggo pitched to Roxburgh for Northcote, and Burley and Souter hit some of the attack for Prahran. The latter team gave a poor display in defensive work, and were the victim of Leggo's curves. Northcote landed 14 hits, 3 each from Heron and Gibaud. The former hit a fine triple in the fifth inning. Verdon, Marshall and Roxburgh also batted well. In offensive work Prahran could do little, securing only 5 scattered hits, two of which came from the veteran left-hander, Thompson. Eustace provided a double in the sixth term, but froze at second, as his team mates failed to connect with Leggo.

The outstanding players for Northcote were Heron, Gibaud, Leggo, Gordon and Rowe, and those who displayed good form for Prahran were Burley, Blake, Eustace, Souter and Parker. Hindson and Willie umpired. Scores: Northcote, 3,3,0,2,3,0,1,0—14. Prahran, 2,0,0,0,2,0,1,0—5.

SUMMER MERCERY AT SHANDS!

Brightness is the keynote of the attractive display of new Summer Season Mercery at Shands. Every wanted need for sports. Office or Holiday wear is shown in novel and unique color tonings, which blend harmoniously to produce striking yet distinctive effects.

FASHION AND SPORTS SHIRTS, FANCY PULL-OVERS, SWEATERS and LUMBER JACKETS, NEW TIE Designs, snappy HOSIERY effects and particularly smart tonings in HEADWEAR are only a few of the items included in this widely varied display.

Prices represent remarkably keen values and offer big money savings. **CALC. TO-DAY** are very nice to see.

SECOND ELEVENS

NORTHCOTE v SOUTH MELBOURNE

(By "Longun.")

Northcote opened the season with a journey to South Melbourne. A very early wicket had been prepared considering the short time for preparation. It was very nice to have a chat with Ted Lockwood, a prominent player of the Collingwood Football League.

South Win the Toss.

Unfortunately Northcote lost the toss, but at the close of the day they were quite satisfied with their performance.

South's Opening.

Williams and Featherstone faced the bowling of Fleming and McSperren, the former playing his first game with Northcote having come from Fitzroy.

One for None.

The start was disastrous for South Williams being smartly snapped up in slips by Miller off Fleming's first over, without a run being scored. Byrne followed. The scoring was very slow at the opening, the batsmen being content to watch the bowling carefully.

With the score at 13 Featherstone was run out for 8. Davenport filled the vacant crease, and Byrne after scoring 8, was bowled by McSperren. With the score at 8 for 24 Cornelius joined Davenport, but did not last long, being bowled by Clarkson, who had relieved Fleming. The board showed 32 when a sharp shower drove the rain into the pavilion.

Rain Interferes with Play.

On resuming, conditions were very bad, the bowlers being unable to get a foothold. Sawdust was freely used by bowlers and batsmen. Clark, a mere boy, making his first appearance with the local team was shaping nicely. Davenport and he proving troublesome to Northcote and giving both bowlers a chance early in their innings.

Football Weather.

Conditions were most suitable for football than the summer game. Rain was falling when the century mark was reached. Another coastal shower drove the players to the pavilion during this interval they had tea.

Lawn and Fleming resumed bowling after the adjournment. Clark reached his half-century mark with two nice strokes to the pickets off Lawn.

Clark out for 65.

The score gradually increased to 149 when Davenport was run out for 49. Clark did not remain long afterwards, Miller catching him off Clarkson for a well made 65, a very nice knock for a boy making his first appearance. The remaining batsmen offered little resistance, the last wicket falling with the score at 165.

Clarkson had the best bowling figures; 11 overs, 41 runs, 5 wickets. The absence of a fast bowler was sadly felt by Northcote.

With the few remaining minutes for play Northcote scored 4 runs. Scores:—

Northcote B v Carlton.—Frequent rain postponed play in this match. T. Smark was elected captain of Northcote and sent Carlton in to bat. Remarkable bowling by Stevens resulted in their dismissal for the small total of 67. Stevens, who maintained a perfect length and fought the ball cleverly, took eight for 25, including the last trick. He received valuable assistance from the fieldsmen, of whom W. Clancy was outstanding. At stamps Northcote had lost two for 97, Stevens again being to the fore with a nicely compiled 42, while O'Kane, a new colt, scored 17 not out. The match will be concluded next Saturday and should result in a win for the locals.

FINED 25 AND LICENSE SUSPENDED

Stated to have travelled at a speed between 40 and 50 miles an hour along High Street on September 2. John C. Louder, of Collins Street, Thornbury, was fined 25 by the Northcote court on Tuesday, and his license was suspended for three months.

Traffic police stated that between the corner of Darebin and High streets, Northcote, and Wellington street, and Queen's parade, Clifton Hill, Louder's speed was between 40 and 50 miles per hour. At the tram shunt near the railway bridge he narrowly missed knocking down a pedestrian.

Louder pleaded guilty and said, "I didn't think I was travelling so fast. My speedometer wasn't working."

When the bench announced the suspension of the license Louder said, "That's my living. I'm a garage-man."

The P.M.—You should be more careful.

DEAD OR DEAD DRUNK?

MAN'S UNUSUAL EXPERIENCE

Dead or dead drunk? That was the question which presented itself when the Northcote police and an ambulance were summoned to St. George's road on September 13.

Dead drunk was the answer, and the sequel resulted in Henry Robbins, of Richmond, appearing at the Northcote court on Tuesday to answer that charge.

The case had been called a week before, but Robbins had failed to put in an appearance.

Senior Constable Fowles related that the police were informed by telephone that there was a dead man in St. George's road. When the police arrived at the spot an ambulance was also there, but the man, instead of being taken to the morgue was locked up at Northcote.

Robbins.—When I was let out I left a deposit of 10/, which I thought would be sufficient to pay the fine. The P.M. (Mr. O'Callaghan)—You have had an unusual experience, which should be a lesson to you.

Robbins.—I had to pay for the ambulance. Under the circumstances you will be discharged.

Dead drunk was the answer, and the sequel resulted in Henry Robbins, of Richmond, appearing at the Northcote court on Tuesday to answer that charge.

The case had been called a week before, but Robbins had failed to put in an appearance.

Senior Constable Fowles related that the police were informed by telephone that there was a dead man in St. George's road. When the police arrived at the spot an ambulance was also there, but the man, instead of being taken to the morgue was locked up at Northcote.

DEAD OR DEAD DRUNK?

DEAD OR DEAD DRUNK?

That was the question which presented itself when the Northcote police and an ambulance were summoned to St. George's road on September 13.

Dead drunk was the answer, and the sequel resulted in Henry Robbins, of Richmond, appearing at the Northcote court on Tuesday to answer that charge.

F. SEYMOUR MAKES NEW ASSOCIATION RECORD.

(By "Aequus.")
Considering that there was an Association final there was a poor attendance at North Melbourne cricket ground on Saturday, when Oakleigh (minor premiers) were opposed by Northcote. Just when people were preparing to go out for the afternoon wind storm, accompanied by rain, spelt the intentions of many, who decided not to brave the elements.

Strong Teams.
Northcote fielded a side that was considered the strongest for the season. Honig replacing Postler, while Oakleigh was powerfully represented.

THE TEAMS.
Northcote: Wilson, Cockram, Hill; half-backs: Stockdale, Perkins, Woods; centres: Nicholls, Corrigan, Garrett; half-forwards: Ross, Briggs, Honig; forwards: Pruser, Seymour, Gray; followers: Rowe, Milne; rover: Brown.

Oakleigh: Backs: Nott, McAllister, Wiltshire; half-forwards: Dolan, Russell, Thomas; centres: Oprey, Beasley, Fleming; half-backs: Dolan, Frazier, Salter; followers: O'Neill, Spain; rover: Maher.

THE PLAY.
Maher won the first opportunity of using the strong wind favoring the Arden street end.

A Snappy Start.
Wasting no time, Oakleigh attacked and Maher scored a behind. A free to Fleming well out was marked by Frazier, who punted to the goal.

Too Many Free.
Northcote were playing forceful football, but a couple of the players were giving too many penalty kicks. From one of these Goode scored a splendid goal, while twice Frazier snafu Maher, who was playing smartly, again found Frazier, who punted his fourth goal of the match.

Northcote's Match.
At last Northcote penetrated the defence and a snappy pass by Pruser-Brown was rewarded with a big point. Towards the end Briggs had two tries, the second resulting in a minor. Quarter-time scores: Oakleigh: 5 goals 1 behind (31 pts) Northcote: 1 goal 1 behind (7 pts)

Northcote Recover.
Aided by the wind Northcote set out to reduce the margin. A masterly move by Rowe, now half-forward, culminated in Pruser passing to Seymour for his 10th goal of the season.

A New Record.
Since 1912 Dave McNamara's record of 107 goals stood, but Seymour's successful kick saw a new record posted.

Sturdy Defence.
Nott, Thomas and Duff were very active for Oakleigh and kept Rowe quiet from piercing the uprights. Wilson, Woods and Hill were equally square for Northcote.

Briggs' Goals.
Then in a flash Briggs twice found the big opening with long kicks. Brown was roving brilliantly, his dashes being very powerful. Milne snapped a minor.

Not Injured.
Through receiving a bad knock on the face Nott was forced to retire, and Allison took his place. Seymour was again successful when he marked from Brown, and Northcote then led by a point.

Hit the Post.
Going great guns, Brown was unlucky to hit the post, while another snap went behind.

being assisted considerably by members of the senior club. Umpire Jury had a hard game to umpire, but did his job well.

The Teams.
Northcote: Backs: Davies, Edsall, Condie; half-backs: Humphreys, Burns, Easton; centres: Lane, O'Neill, Edwards; half-forwards: Johnston, Johnson, Ackland; forwards: Cole, F. Ludlow, Jowett; followers: Houderoff, Woods; rover: Docking, Coburg.

Best Players.
Davies, Burns and Easton played a fine game on the back line, while Jowett (wing and half-forward) gave his best game for the year. O'Neill and Edwards (on the wing) were at their top, but their good work was nullified by Coburg's powerful back line.

Club Notes.
A players' meeting is called for Thursday night to finalise the arrangements for the forthcoming trip to Healesville. Mr. E. Musgrove, the popular treasurer, has taken over the arrangements from Mr. T. Houderoff, who is unable to make the trip.

V.F.A. DISQUALIFICATIONS.
(To the Editor)
Sir,—With reference to the letter in last week's issue signed by W. Fawcett, secretary of the V.F.A., relating to the report of the committee between Northcote and Port Melbourne second eighteen, much criticism has been hurled at the writer of the report, and unwarranted at the very incident mentioned was accurately described, and I challenge Mr. Fawcett to prove otherwise. Agreeing that the incident occurred not last more than 36 seconds, this is quite long enough for the hearing evidence disqualified several players who gave a truthful version of the incidents. It is high time the delegates in this department were elected to judge these cases next year. Too much club interest is surrounding in this department of the management, and at this special tribunal three members of the same were in attendance at the match. Fawcett now had a run for his money and must have been acted upon as the evidence given was not convincing.

Deciding Goal.
Brilliant play by Driver, Withers and Frazier allowed Oprey to pick up near the fence and cleverly notch a goal. Oakleigh led by 16 points and the quarter was over. Northcote fought back and noddle snapped a sixer. Both teams were tired, and after Gray, Briggs and Fleming scored behinds there was no further scoring.

A Nasty Scene.
Towards the end of the quarter Wilson brought Goode to the ground and a few spectators and trainers rushed the arena. The police soon restored order, play being held up for 49 seconds. Nothing of note happened, and the bell rang with Oakleigh winners by nine points and pre-splendid goal, while twice Frazier snafu Maher, who was playing smartly, again found Frazier, who punted his fourth goal of the match.

Northcote's Match.
At last Northcote penetrated the defence and a snappy pass by Pruser-Brown was rewarded with a big point. Towards the end Briggs had two tries, the second resulting in a minor. Quarter-time scores: Oakleigh: 5 goals 1 behind (31 pts) Northcote: 1 goal 1 behind (7 pts)

Hit the Post.
Going great guns, Brown was unlucky to hit the post, while another snap went behind.

Wasted Chances.
Through paying too much attention to the man Northcote were frequently penalized for breaches of the rules. Many times the ball was being swung forward, only to be checked by some cote should have been goals. In front, they led by only three points. Half-time scores: Oakleigh: 5 goals 4 behinds (34 pts) Northcote: 1 goal 1 behind (7 pts)

Brilliant Wing Men.
For Northcote, both Nicholls and Garrett outplayed their opponents. The former received a nasty knock from Driver early in the game. With Corrigan, these men formed a brilliant centre line.

In Defence.
Woods and Wilson were fine defenders and saved repeated times. Hill and Perkins were often in the picture, and Cockram and Stockdale were quieter than usual.

A Splendid Rover.
No one did more than Brown, roving, while Gray lent him valuable assistance. Pruser had an unlucky day and missed a good deal. Seymour played a good honest game, but should have been replaced at half-time, as he was suffering from concussion, and knew little about the game. He received medical attention during the week-end.

Strong Rucks.
Milne, Honig, Briggs and Rowe all worked hard, whether following or placed, while Boss did many clever things.

The Umpire.
McKinnon handled a difficult task and Wilson (alleged elbowing) and Milne (alleged unsportsmanlike conduct) have been reported to the Association.

V.F.A.
NORTHCOTE v COBURG
A large crowd attended the Preston ground on Saturday to witness the best, and rain made it most comfortable for both players and spectators. Northcote were weakened by the absence of Skilton, J. Ludlow and Wiltshire (all disqualified). Docking (not named hand) and Burns (crushed finger) played to make up the team, but could not do themselves justice. On the other hand Coburg, who had defeated Preston by a small margin, fielded their best side for the year.

FANCY'S FASHION

LADY'S NIGHTGOWN

This is the best time of the year for the making of dainty lingerie, suitable for the approaching summer season. Winter is now a thing of the past, so that we must give a little time and thought to the replenishing of our wardrobes, especially regarding underwear. The long evenings spent at home will afford facilities for home sewing, which is a real pleasure. The materials suitable for modern lingerie are many and varied, those most favored being voiles, either patterned or plain, silks, and laces. In these days of cheap ready-mades it is often said that it really does not pay to make this, that or the other. This

RECIPES

Lemon Marmalade.
Take 6 nice sized clear skinned lemons (not too ripe); put them in a pan, and cover with cold water; water away. Cover well again with cold water, and boil another hour. Carefully remove lemons and place on a china meat dish to cool, and keep this water. Measure it into a deep basin, and when lemons are cold cut them up as finely as possible (rejecting the pips), and every little cut up lemon with a breakfast cup also add to the measured liquid; there should be one cup of liquid to each cup of lemon. If not make up with boiling water. Let stand all night. Next day put lemon and water on to boil. Measure the same number of cups of sugar. When lemon is boiling add sugar. Stir well till sugar is dissolved and endeavor to have the mixture in the jar, and after 40 minutes test a spoonful on a saucer. When it jells, remove from the fire,

Teddy's Best Man

By C. D. LESLIE

(All Rights Reserved)

Horace Venables took a furnished flat and settled down to enjoy himself. He went out, he entertained, and society, finding he had money and no wife, was kind to him. He managed unobtrusively to see a good deal of Kitty Clive. Teddy neglected his fiancée shamefully, but Kitty had been neglected for nearly five years, and was used to it. She made excuses for him. It seemed he could do no wrong.

Teddy saw no objection to Horace going about with his sweetheart. He regarded Horace as a very useful friend, and made use of him. Teddy had private worries, and one day came to Venables in a mood of despondency.

"Look at these, Horace," he said. "You think of 'em. Seems to me I'm up a tree."

He gave his friend certain typed documents from the secretary of Saquah Explorations. Hidden in a mass of verbiage, Horace gathered the judicious and at present unremunerative investments had exhausted the capital of the company. Reconstruction and fresh capital were necessary.

"My broker says there's no quotation for these here, and abroad they're changing hands at a heavy discount. It's awful, Venables, it means again deferring my marriage."

"But my dear child, you're not married yet," said Venables. "It's all I've got to live on, these shares. I've spent the rest paying my debts and, well, in a flutter or two."

"I'll look in to it," said Venables, after a long pause. "I know one or two men in Throgmorton Street."

He did not believe the Exploration shares represented all his friend's capital. Teddy meant to break his pledged word to his Patrick.

Horace went to the City, and that very day news came through that Saquah's were tumbling to nothing.

That afternoon he called at Horace's street, and for a moment he was out with Teddy. Clive took him into the surgery.

"Hales is having some more financial losses. Says it means deferring his marriage," Venables told him. "Then Kitty'll break a heart."

"I wonder—surely it'll open her eyes."

"You can't open a woman's eyes—sometimes. She's the wife type, not the celibate. She wants a husband and children to be happy."

"There are other men."

"Not for her? She's as pretty as ever."

"Because there's only one man for her. Poor Kitty, what a tragedy! That rotter has wrecked her life. I'd like to shoot him!"

"Oh, well," said Horace, "let's hope these losses Teddy talks of aren't as serious as he fears."

On the spot he made up his mind. Kitty should marry Teddy. Hales if he cost him twenty-five thousand pounds.

He set the plot in train that evening by telling Hales that possibly an agent was being made to squeeze him out and advising him to hold on, and next day visited his broker.

"I want you," he said, "to approach Mr. Theodore Hales, and buy his Saquah Explorations; he has twenty-five thousand shares. Buy the lot."

"What limit, Mr. Venables?"

"Twenty shillings."

"I guess we'll get them for you a good deal cheaper," smiled the broker.

He was therefore very disgusted at the uncompromising attitude of Teddy Hales. That gentleman calmly declined to discuss any sale at a lower price than twenty-one shillings. He rang up Venables and reported his non-success. The man's a fool, I can buy any number at a few shillings each," he added.

"I only want Mr. Hales's shares," replied Horace. "Try him again. I'll ask a reasonable price." Then, ringing up Teddy, he advised him to take the best offer he could get.

Horace went out to lunch, and he had not been gone long before a lady appeared. Mr. Venables' man, who whistled the door, recognised Miss Clive. She had frequently visited the flat, but not before alone.

"Is Mr. Venables in?"

"No, madam, but I expect he'll be in shortly. Will you wait, madam?"

Kitty, who looked pale and troubled, came from a smaller room where the sitting-room, which was curled, and she would, and was shown in. Horace habitually sat.

A sudden impulse had impelled her to call.

She was wholly unaware of Horace's feelings towards her, but he was her friend. In the hour of her trouble she turned instinctively to him.

WHITTLESEA COUNCILLOR OUSTED.

Mr. Justice Mann in the Practice Court on Friday last made absolute an order nisi compelling upon Evan McDonald, of Glenferrie road, Upwey, to show cause why he should not be ousted from the office of councillor of the Whittlesea Shire Council, on the ground that he did not now possess the necessary property qualification.

The application was made on behalf of the president of the Shire of Whittlesea (Councillor B. J. McCormack). Mr. Eager (instructed by Mr. Sabelberg) appeared for the applicant; and Dr. Ellis (instructed by Messrs. Maddock, Jamieson and Lennie) appeared for the respondent, McDonald.

Mr. Eager moved that the order for the "ouster" be absolute. Relying upon affidavits, he said that on May 6, 1930, McDonald ceased to be the lessee and occupier of certain property in the shire, and thereupon ceased to be liable to be rated as the owner or occupier of the property. The qualification of a councillor depended upon his liability to be rated in respect of property of an annual value of £20. McDonald claimed to have entered into an agreement to lease certain land at Whittlesea, but even if the agreement were entered into the lease did not come into existence as a contract until after his other qualification had ceased. He, therefore, held office wrongfully for a period.

Dr. Ellis said that the lease was entered into by McDonald in a bona-fide manner, and although not reduced to writing until a later date, it was in existence as an oral agreement. The land which was the subject of the later lease was vacant and with sufficient notice of the fact that the lessee had a right to occupy.

Mr. Justice Mann, in a considered judgment, said that McDonald's qualification expired, or at least ran out, on May 6. A question arose as to the date when the oral agreement was made, and he received evasive answers, or no answers at all. He then said when challenged by the law, that he liable to be rated for six vacant apartments in the town of Whittlesea by virtue of a verbal agreement between himself and a Mr. Eager. Both parties denied the agreement, and he found in favour of the plaintiff, that it was a transaction entered into simply to allow McDonald to sit as a councillor. For that reason it was void, and the transaction should be public and the terms should be clear and fully evidenced. It was in August that a definite agreement was made, and the council was retrospective as far as the Local Government Act was concerned.

Mr. Justice Mann said there was no binding agreement between the parties until some weeks after the date of the question to be decided. The order, would, therefore, be made absolute, and the respondent must pay the costs.

SHOW TUG-OF-WAR.

NORTHCOTE TEAM SUCCESSFUL.

The most closely contested event on Saturday at the Royal Show was the final of the tug-of-war, which the Northcote club team won from Emerald Hill by half an inch. The duration of the tug was seven minutes. For the first three minutes Emerald Hill had the advantage, but they were pulled back an inch and a half in the last minute. It was the only time in which the sides were found. Emerald then gained one inch, which was pulled back an inch and a half in the last minute. It was the only time in which the sides were found. MUNICIPAL COUNCILS AND THE V.F.A.

FORMATION OF GROUNDS COMMITTEE SUGGESTED.

Some time ago when the Victorian Football Association decided to play its semi-final and final matches on a non-Association ground, a number of the councils who control Association grounds were indignant, feeling that as they had spent large sums in ground improvements, that the Association should not go outside an Association ground for the semi-final and final matches.

A conference was arranged by the Port Melbourne council, at which a resolution was carried, protesting against the action of the Association, and also another recommendation that permanent grounds control committee should be formed, on which all councils having Association grounds should be represented.

Mr. Dennis told the Northcote council on Monday that these resolutions had been agreed to unanimously.

WIFE'S UNUSUAL REQUEST

WANTS HUSBAND TO GO TO GAOL.

A QUESTION OF MAINTENANCE PAYMENTS

During the hearing of a claim for arrears of maintenance at Northcote court on Tuesday a wife asked that she be allowed to sign a request at once to send her husband to gaol.

The case was one in which Mrs. Florence Morton sued her husband, Norman Arthur Morton, for £10/10/ herself and two children. Morton was also called upon to show cause why he should not be imprisoned for not entering into a surety to comply with the order for maintenance.

Husband Out of Work

Morton said the order was made against him on July 29. He had been out of employment since the timber strike twelve months ago, and he could not get work anywhere.

"Wouldn't Pay If He Had the Money"

The wife—My husband said he would not pay me, even if he had the money.

The P.M. (Mr. T. D. O'Callaghan) to Morton—How are you living?

Defendant—With my brother ever since my wife left me.

The wife—I didn't leave him. He left me. (Laughter).

My husband said me that he would not pay me if he had it.

The P.M.—He has been out of work since he left me, and he would not pay me if he had it.

"Would Prefer To Go To Gaol"

The wife—He said that he would not let his people go to gaol or not. I would only get the money. He said he would prefer to go to gaol and let the Government keep him. I am being helped by the Ladies' Benevolent Society and I get an occasional day's work.

The P.M. said it appeared that the husband should do more. An order would be made that defendant be imprisoned until he complied with the order and paid the arrears. The matter of the bond would be adjourned for a month.

Morton—It is impossible to get work.

The P.M.—You can do more than you are doing. It is at your wife's option whether you go to gaol or not. Morton sat down in the court.

The P.M.—Get away and see if you can get some work, as your wife is a pensioner on the relief funds.

The wife—I'd like to sign the order to send him to gaol at once.

I've given him all the time I can.

The P.M.—You can do that if you like.

NEWS OF THE PROGRESS ASSOCIATIONS

NORTHCOTE WEST WARD

The usual fortnightly meeting of the above was held on Thursday evening, September 25, the president (Mr. C. Thomas) being in the chair.

Valuations.—Considerable discussion took place on the matter of valuations. Several members quoted cases where valuations had been increased this year. In each case it was pointed out that the streets had been newly constructed, but that because no members considered that, with the decline in property values, as shown by the numbers of empty houses and shops in the city, together with unemployment and the lowering of wages, increases at the present time would be tantamount to a motion was carried unanimously that the council be requested to re-value the city at the earliest opportunity, and that the secretary seek the support of other progress associations in Northcote, together with the Central Council of Progress Associations, to achieve this object.

Payment of Rates and Enrolment.—Another matter of considerable interest was the proposal that the ratepayers, who has been unable to pay his rates on the specified date is finding himself in arrears, the rate should be paid in instalments. It was decided to approach the Central Council with a view to having the ratepayers' rates reduced, and to double penalising a ratepayer being done away with.

Other Matters.—A number of other items were brought before the council, included among which was a complaint of alleged vandalism. It was suggested that the ratepayers should be notified that these outbreaks are a very strong argument for the extra poll tax proposed, and that they should be sought after for a long time.

Cr. Bird was present and stated that he would be pleased to attend the meeting on the 10th of October, the syllabus item being a social evening.

EAST PRESTON

Mr. Rogerson presided at the fortnightly meeting.

Correspondence from the town clerk intimated that all garbage carts were covered; right-of-way north of Rene street had been referred to the council; the control of Strathallan cemetery was receiving attention.

The mayor and general secretary of Preston Unemployed Relief Committee (Mr. Osborne) sought co-operation in relieving distress. A further fact that a meeting on behalf of the Lord Mayor's appeal would be held on Wednesday.

A brief report disclosing the action adopted by the council in reference to the administration of Strathallan cemetery was submitted by the secretary.

Hamilton avenue is to be put in a satisfactory condition for £1,000. Members, believing this impossible, decided that councillors be asked to review the estimate with the object of giving immediate relief.

Mr. Maynard was asked to make inquiries regarding a monkey tail scoop which has been lying on a vacant allotment in Hamilton street. Members desire to know if the council has hired it, and if so why it has not been used.

The secretary was instructed to inquire as to whether Murray road had yet been taken over by the contractor. As a result of footpath construction in Plenty road, the concrete portion is in places six inches higher than the asphalt portions. Relief will be asked for.

Some months ago the council authorised the erection of a swinging danger sign at the corner of Tyler street and Plenty road. Councillors are to be reminded of this.

The site of signs indicating the position of the tramway was discussed, and it was the general opinion that they are too small.

A committee was appointed to inspect the parks of the East ward and to draw up a report, including suggestions for the improvement of at least one of them. This committee will begin its tour of inspection on Sunday morning next at 10 o'clock.

NORTHCOTE STREET CONSTRUCTION.

OWNERS OF FRANCIS GROVE OBJECT.

When objectors to the construction of Francis Grove, Northcote, were called for at the meeting of the council on Monday evening, about a dozen appeared. Mr. Whittaker said 40 or 50 years ago, when he bought his land, there had been no talk of a road, but with the advance of the times it was necessary to have a road, and the owners were agreeable to lay down a good serviceable metal road—two to carry bakers' carts and parambulators. (Laughter.) That would be quite sufficient. They were willing to pay for a substantial road, but not for an "extravagant" road.

Mr. McGowan said the time was not opportune for valuing and wages were falling, and if the work were deferred for 12 months the owners would be in a better position to pay. A number of people were out of work, and so could not pay. There were 12 other objectors on the same grounds.

Woman Who Couldn't Pay.

Mr. Bluntish said that when one of the owners—a widow who was nearly starving—received her notice and said she couldn't pay, one of the councillors had said: "Let her starve."

The Mayor—I want a more explicit statement than that. I'd like to know who the councillor was who made that statement.

Mr. Bluntish—I couldn't prove it, only heard it.

Cr. Turner—Then it's only hearsay.

Mr. Bluntish—Yes, I can't prove it.

The Council Discussion.

Cr. Oiver said the street had been on an early list, and the time had now

round. In this, however, they failed to come for its construction. There had been many complaints about the state of the street. Two months ago it was unsafe to take a vehicle onto the street. It was the only street in the area left to be made. Out of about £1000 was being carried by three persons. Those who were carrying the greatest amount of weight could not object to the construction of the street. As far as Mr. Bluntish's statement was concerned, he would be obliged to Laroebin road. As far as the price was concerned, the concrete would work out as cheap, if not cheaper, than bitumen. The money had been borrowed, and moved that the plans be adopted.

Cr. Hayes seconded, saying the street had been in a shocking state in the past few winters. The street was no credit to the municipality, as it was one which should be made. But whilst the work would improve some of the property values and some of the owners, it should be made for health reasons.

Cr. Oldis said Box Hill and other councils charged 7 per cent interest, whereas the Northcote Council borrowed for 6 per cent. The council had received a tender of 28,6 per foot, and the price proposed that the time was opportune to do the work as far as the cost was concerned.

Cr. Bird—Opposed any further burdens being placed on the owners of this street at present. It was time that the council reconsidered its policy about constructing side streets in an expensive manner. No doubt the expensive street would save maintenance if other councils could lay down streets 8/- to 9/- per foot cheaper, why couldn't Northcote do it?

Cr. Oldis—You said!

Cr. Bird—Preston constructed Leicester St. at 22/6 per foot.

Cr. Hayes—Is that the actual charge, or the charge made by the council to the ratepayers?

Cr. Bird—The charge made by the council.

Cr. Hayes—Oh!

Cr. Bird, continuing, said that at the present juncture the council should not go on with the work and provide employment for a privileged few at the expense and hardship of many owners, who at least should be no more considered. (Applause from the gallery).

Tender Accepted.

The council adopted the plans, and later let a tender to J. W. Barker and Sons for £1,520/0/6 to carry out the work with cement penetration. The price is £188/8/- below the engineer's estimate.

500 Chickens Burnt
An overhated "brooder" was responsible for an outbreak of fire at the poultry farm of A. H. Cooks, Shering street, North Preston, at quarter past 11 on Thursday evening of last week. The brooder was severely damaged by fire and 500 young chicks disappeared in smoke and flames. The Preston firemen succeeded in quenching the flames with extinguishers and buckets of water.

New Lights for Preston
THERE was a very fine lighting display in Preston on Monday evening between the Post Office in High street and from Gower street to Kelvin grove, when, for the first time maintaining a number of reserves and plantations in various parts. It is a matter for regret that the efforts put forth do not receive the all round support and appreciation they deserve. In quite a number of instances, thieves and vandals have set to work and undone much of the work carried out by the custodian, Mr. Eagles and his assistants. Within the last week, 300 privet plants were stolen from the lawn along the pipe track, near the Bruce street entrance. They have in all probability been sold. Mr. Eagles values the stolen plants at £2. Privet plants were also uprooted from the grass plots in front of the tennis courts in Gower street, and some miscarets made off with geraniums which had been planted on the Kelvin grove side of the Baby Health Centre. It is a pity the police cannot lay hands on the individuals who are responsible for such despicable acts.

Lights for the Pipe Track
It is satisfactory to be able to report that Preston council intend within the next week or two to install lights in the vicinity of the plantations along the pipe track, which is becoming a favorite rendezvous for local residents, as well as visitors. A suggestion has been made that it would be a commendable act to place a few seats here and there for the convenience of the public, and a drinking fountain might follow when municipal funds are in a more flourishing state.

A Night Brawl
At about 9 o'clock on Tuesday evening a man rushed hurriedly into Preston watchhouse. He was breathless and excited and it was some time ere he could collect himself and tell his story to the assembled members of the force. Half-an-hour earlier he explained he became interested in the movements of two persons on a boat of land in the vicinity of Lake Edwardes. The young man was somewhat overcome by the fleecy streaks of white and grey in the star-lit skies and the two persons referred to moved round and round in a stealthy, cat-like manner. One person held a flickering and guttering candle and the other carried an apparently heavy bag. The onlooker made for home and obtained an electric torch, after which he proceeded to the spot above indicated. There was no sign of the human beings, but the man with the torch discovered blood-stains and a newly made grave. Then he made a baseline for Preston police station and there, with bated breath, glistening eyes and perspiring forehead related his little story. Const. Ballard and Rosewarne were deputed to inquire into the evening mystery and hastened, with all speed to the scene of the incident. Sure enough there was blood-spattered soil and strands of a bag protruding from the recently disturbed earth. A spade was procured from a nearby house, and this was wielded in workmanlike manner by Const. Ballard, the other member of the force looking on in silence and with strained eyes. The other man who had been instrumental in bringing the police party along stood well in the background, ready to lend a helping hand if necessary or maybe run away. He with the spade scooped out quite a large quantity of earth and then struck a bag and contents. The drama arising was not altogether esoteric, but Ballard battled along and drew the bag from its resting place. Excitement was by this time at concert pitch, the three principals in the evening scene feeling an unaccountable atmosphere about them.

Telephone Cabinet Rifled
ON Thursday evening of last week the telephone cabinet in Miller street, Preston was broken and damaged to the extent of £2/10/-.

Shopbreaking and Stealing
BETWEEN Saturday and Sunday last, a bench vice, hand-drill, taps, wrench and cash valued at £5 were stolen from the shop of Jas. Jennings, cycle mechanic, Gilbert road, Preston. The front door of the shop had been forced open with a lever.

Broken Street Lights
MR. Bird, in charge of Preston's electric light department, is justly annoyed at the deliberate breaking of street lamps in and around Preston. During the last day or two four have been broken in Plenty road, towards Darenby Creek. The breaking takes place out of sheer wantonness and mischief on the part of young men who ought to know better. A watch is being kept and it is hoped the offenders will be brought to well-merited justice.

Investigation Committee
THE investigation committee, composed of Crs. Hombarrow, Newton and Jones, have practically completed their labors, and some of the recommendations to be brought forward at Monday night's meeting of the council will, it is stated, savor somewhat of the bombshell order. It is currently reported that the council will be advised to dispense with the services of half a dozen or more employees.

Jewellery Robbery
LAST Saturday afternoon, the house of Arthur Winduss, roof-tilter, Gilbert road, Preston, was broken and securely locked. Upon the son, Geo. Winduss returning at about a quarter to 6, he found the back door had been forced open and the following property taken:—Five stone ring, diamond dress ring, 3 stone pearl ring, gold chain, rolled gold chain with watch attached and two £1 notes. The value of the stolen property is £57/2/6.

Duplicate Key Used
BY making use of a duplicate key in the back door of the home of George H. Young, May street, Preston, on Tuesday morning, thieves entered and stole £3/10/- in notes.

Loud Speaker Taken
FORCING the front door of East Preston Tennis Club with a jemmy, an entrance was effected and a loud speaker, valued at £12/10/- was stolen.

Front Door Forced
BETWEEN 1.30 a.m. and 7 a.m. on Wednesday the kiosk at Cooma street, Preston, carried on by Hector McColl Jones was entered by forcing open the front door. An alarm clock, two boxes of tennis balls, soft drinks, oranges, and sweets to the value of £5/11/6 were carried off.

A Labourer's Loss
ALFRED H. Thompson, laborer, of Raglan street, Preston, reported the loss of a wheel strop, 20 ft. of rope and pony breeching, valued at £1/12/6. The property was stolen from an open shed in Thompson's yard.

Diggers' Cricket Club
THE following have been elected office-bearers of Preston Diggers' for the ensuing year:—President, Mr. J. Donath; Secretary and Treasurer, Mr. H. Knight; Captain, Mr. N. Osbourne; Vice-captain, Mr. F. Golden. The first match of the season will be played at Williamstown on Saturday afternoon, October 11.

IT PAYS TO BE WELL DRESSED.
IN practically every walk of life the man who is fastidious about his appearance is held in the highest esteem. A well cut Suit imparts self-confidence to its wearer, so essential to the man who wants to get ahead. Have your new Spring Suit faultlessly tailored, expressing your individual style and ideas.

REUNION AT MERNDA.

Twenty-two years ago Mr. John P. Danaher relinquished his duties as head teacher at the State school No. 88, Mernda (since renamed Mernda). On Saturday last (September 27) a reunion of the former very pleasing school during the pupils of Mr. Danaher was held. At 2.15 p.m. the bell was rung and pupils numbering 50 were lined up outside the school as of old before Danaher into the school, where seats were taken at attention and stood whilst the roll was called of all who had passed beyond, quite out of observation. For the home and please the professional. For the home and please the professional. For the home and please the professional.

WEST PRESTON FOOTBALL CLUB
THE above club held its first annual picnic at Montmorency recreation ground on Sunday, there being numerous attractions for the many patrons who helped to make the trip a social and financial success. Tennis, kicking the football, footracing and numerous other events were freely indulged in. After the success achieved it is possible that a monthly picnic may be held during the summer, so numerous were the requests. Thanks are due to Mrs. and Mr. Harrison (caretakers), of Montmorency, who did everything to make the day enjoyable.

EPPING NEWS

The Epping Tennis Club had a visit from a team from St. Mark's, Fitzroy, last Saturday, but owing to the heavy rain the games were not concluded. The match will be resumed on Saturday.
The cricket club has just about completed the new wicket on the recreation reserve. The pitch is made of Preston gravel. In the event of football ending next Saturday a game will be played on October 11 between the married and single men of the district. Much interest will be taken in this event, as it will bring back to the game many players who were prominent in the club's activities many years ago.
With the favorable season milk production is increasing, and some farmers have to resort to separating the surplus milk.
Further donations have been received by the secretary of the local unemployed distress committee, and the fund is to be augmented by a euchre party and dance.
Most farmers and land owners throughout the district are busy cutting archoke thistles. These are being used extensively as fodder, but the crop does not seem to be as prolific this year as last.
The Roman Catholic Archbishop of Melbourne, the Right Rev. Dr. Mannix, will visit Epping early in November to administer confirmation to the children of the parish.

Really large precious stones, especially emeralds, rubies, and sapphires, are in great demand; they may run up to £10,000 in value.
To fit out the kiddies is always a task for the busy mother. "Where to go? What to get? are the puzzling questions. Let us help you solve your problem. We guarantee our milk fresh and on sale one hour after milking.

CYCLING NEWS

PRESTON AMATEUR CLUB.

The above club conducted its annual 60 miles road race last Saturday in adverse weather conditions. This was the final handicap event of the season, and seven trophies were donated, including the "Standard" cup for first, and Mr. John Jack's cup for fastest time.

A sprint race at Whittlesea was won by G. Wells.

Result:—H. Neuman (12 min.), 1; A. Hocking (12 min.), 2; F. Haack (8 min.), 3. Winner's time, 2 hrs. 33 min. 40 secs. Fastest time unplaced, G. Harris (ser.), 2 hrs. 23 min. 39 secs. First senior unplaced, G. Stevens; first junior, W. Carey.

The senior aggregate was won by W. Addison and the junior by W. Carey.

FAIRFIELD CLUB.

Thirty-eight riders faced the starter for the 60 mile road race, the first big event of the Fairfield Amateur Cycling Club, on Saturday. In spite of head winds, hail and driving rain 23 riders finished inside four hours. R. Mac was first through Mernda and W. Patrick (30 min.) first to the turn. The winner was H. Ambler (16 min.) with V. Ashwell (13 min.), T. Brewer (ser.), fastest time; and L. Hede (ser.) in the places. On Saturday night the club held a well attended banquet in Hammes's Hall.

MOTOR CYCLING

PERSONAL

The stork has brought a fine daughter to Mr. and Mrs. C. Vallence, of Bipping.

W. G. Swift, a former town clerk of Northcote, has been appointed municipal auditor for the coming year to the City of Chelsea.

Cr. Walter Thomas, of Whittlesea Shire Council, is laid up with a severe illness at his home at Mernda.

Mr. T. Jones, of Bayliss St., Preston, is leaving on Saturday next on a holiday trip to Brisbane and Tweed Heads, Queensland. He will be away for three weeks.

Maxwell Blinn is the name bestowed on a new rival in the family of Mr. and Mrs. H. William Shepherd, of Gladstone Ave., Croxton.

Last Tuesday afternoon the stork visited the home of Mr. and Mrs. W. E. J. Bott, of William St., Preston. Mrs. Bott being blessed with a baby girl. Both are doing well.

Mr. and Mrs. Reg. C. Moyle, of Darenth St., Northcote, are receiving congratulations on the birth of a daughter. The happy event occurred at Sister Preston's "Ardur" Private Hospital, Thornbury.

The death occurred on September 26 of Mr. William Edward Greenland, of Arthur St., Fairfield. He was widely known and respected. He leaves a widow and members of the family are Eileen, William, Annie, Vera, Phyllis, Jack and Keith.

Mr. W. J. Blyth has been appointed municipal auditor to the City of Preston for the coming year. Mr. E. Pyke has been similarly appointed to act for the City of Northcote. These appointments were made by the Executive Council.

We understand that the Rev. J. H. Bates, late minister of the James St. Presbyterian Church, has received a call to the Presbyterian Church at Balmoral.

After undergoing serious operations, Mr. Francis Bates (estate agent) is now restored to health and strength, and his many friends will be pleased to know that his general presence is again pervading his old establishment at the "Star," corner High St., Preston.

Dr. and Mrs. Harry Mendelsohn, of High St., Northcote, have been receiving many congratulations during the week on the advent of a permanent little visitor. Mrs. Mendelsohn has become the happy mother of a bonny daughter.

An old and respected resident of Northcote passed away at 6 Cunningham St., Northcote, on September 17 in the person of Mrs. Annie Lancaster, widow of Mr. James Mortimer, aged 65 years, and a resident in Northcote for over 40 years. After a short service at the home, conducted by Rev. Constable (All Saints' Church, Northcote South), the interment took place at Boroondarra cemetery, Kew. Beloved mother of Louie (Mrs. Hoad).

Major and Mrs. Blaskett, well known figures in the aviation world, who left Preston six months ago on a visit, are returning from England by the "Mongolia," which at time of writing had reached Perth.

Whist Miss Olive MacGregor, a member of the choir of the Church of the Epiphany, was standing with her mother in a safety zone in Victoria Pde., East Melbourne, on Friday last, when she both knocked down by a motor car. Miss MacGregor was injured so severely that she had to be taken to St. Vincent's Hospital, where she received surgical attention. Mrs. MacGregor escaped with severe shaking. It will be seen from this occurrence that a safety zone is not always a safe position in which to shelter.

THE Minority Report.
 Cr. Jones said that he differed from his colleagues on the committee and had prepared a minority report as follows:—
 There is no doubt that during the last three years the official car has been abused, and has cost the ratepayers considerably more than it should have done, and this has been recognised by councillors, but when they have referred to the matter in

Preston Council will Sell State Coach

SPECIAL INVESTIGATION COMMITTEE'S REPORT PRESENTED

MAJORITY RECOMMENDATION TO SELL CAR.

For months the Preston "State Coach," as the Council motor car is called, has been a burning question, and there have been many requests for its disposal.

After much discussion a special investigation committee, consisting of Crs. L. Jones, A. E. Newton and W. J. Hemburrow, was appointed to investigate the facts and figures in connection with the running of the car, and majority and minority reports were presented to the Preston Council on Monday evening before an overflowed gallery.

The reports differed greatly as to what the annual maintenance costs actually are, the majority report setting them down at £595 per annum, and the minority report giving the figure at £161.

The discussion was a lively and personalities were indulged in by the councillors, including the Mayor, who took a stage spoke of the "dignity of the Mayor's office."

The Majority Report.

As chairman of the special investigation committee, the majority report was signed by Crs. Newton and Hemburrow. It was as follows:—

As instructed we herewith submit a report of our investigation of the Buick motor car.

This car was purchased in October, 1927, for £100/13/-, for the use of the Mayor and councillors. From records kept we find that the cost of running and maintaining the Buick car for the year ended August 31, 1930, was as follows:—Wages (chauffeur), £212; petrol consumption (40 1/2 gals.), £10 1/2; registration and insurance, £23; repairs and replacements, £53/0/2; total cost of £308/1/7.

We point out that the car has now run 42,000 miles, and consequently depreciation and maintenance would be much heavier in the future than in the past. We would suggest that if at any time it was necessary for council to go on a tour of inspection of the municipality (providing no other car was available), a car could be hired at very little cost and probably would not exceed £10 per annum. In our opinion the cost of running this car has been ridiculously high, and would not be tolerated for one moment by any private business firm or individual, while we do admit that the use of a car is a convenience to the Mayor and also of our municipality, we are also certain that it is not a necessity, and we have no hesitation in the present state of the council's finances, in recommending as follows:—

- 1.—That the services of the chauffeur (Mr. L. E. Gossely) be dispensed with at once.
- 2.—That the Buick car be valued by an expert, and that the car be sold within 30 (thirty) days.

(Signed) W. J. HEMBURROW, A. E. NEWTON, Councillors. 6/10/1930.

It may be interesting to note that on September 25, 1929, the speedometer reading was 20,978 miles, and on March 25, 1930, 39,138, or 1,860 miles for the six months, during which time the speed was out of order for three weeks. On September 2, 1930, it was 42,217, a distance of 3,079 miles for over five months, or a total distance of 11,239 for the eleven months. Anybody will recognise that a motor car which has been used in this manner could hardly be credited with having any value left in it. The car is only valued at £200, and therefore the value of a new car, therefore the value of a new car of running the car for the year, allowing depreciation at 25 per cent, is approximately £233.

Cr. Adams—If that report is adopted it will mean an employe will be dismissed?
 The Mayor (Cr. Robinson)—Yes.
 Cr. Adams—That is not right. The report should be considered by the committee.
 Cr. Jones—The committee's instructions came from the council, and (CONTINUED ON PAGE 13).

NORTHCOTE COURT

TUESDAY, OCTOBER 7.

Before Mr. T. B. Wade, P.M., and Messrs. E. J. Jones, W. Hayes, H. E. Johnson and Mrs. Wood, J.S.P.

Motorist on Three Charges. Leonard J. Woodhead, 201 St. Northcote, was fined on the following charges—£2 for driving an unregistered truck on September 1; £2 for driving without a license and £2 for having parked his truck in such a position as to obstruct other vehicles.

Headache. Woodhead said he had only purchased the truck three weeks before, and he did not know that it was not registered.

Taxi Driver Fined. Robert H. Walker, taxi driver, Union Street, was charged with having on September 1 plied for hire with a hackney carriage elsewhere than on an authorized stand, was fined £2, with 2/6 costs.

Maintenance Arrears. Mr. O'Toole prosecuted for the Melbourne City Council in this case.

Olive Neal sued her husband, Charles Stewart, for £125 arrears of maintenance in respect of herself and her three children.

Street Betting. Sydney Snowden, of Kemp St., Northcote, was charged that on October 4 he frequented Kemp St. for the purpose of street betting.

Snowden pleaded guilty. The Northcote Council v. A. J. Veness said—About 1 p.m. on Saturday last, I saw Snowden in a car in High St. and saw Snowden in a yard in Kemp St.

He appeared to be writing in a book when he handed him something. About 3 p.m., with Plainclothes Const. Batt and Const. McCormack I went into the yard and spoke to Snowden.

He said—"I am not to be caught. I have only been at this for a couple of weeks." I said—"I've seen you at this in Kemp St. before."

Const. said—"I saw you earlier in the day making bets." He said—"Yes, I should have woke up before."

In Snowden's pockets were found slips amounting to £4 in money, of which Snowden said £2 was his own.

Plainclothes Const. Batt, said—I saw Snowden in Kemp St., where he was approached by several men, and he would then go into a yard and appear to make entries in a book.

Snowden said he had been out of work and that he was trying to make a few shillings.

It was stated for Snowden that he had been out of work and was trying to make some money to keep his home going. He had been "mug" and had lost money over the venture.

The minimum penalty of £20, in default two months imprisonment, was imposed, and Snowden was also ordered to pay 19/6 costs. Time for payment was allowed at the rate of £3 a month.

Motor Mascot Stolen. Histon, Henry Chaplin, 18 years, Winter St., Malvern, was charged that on August 26 at Fairfield, he stole a motor car mascot valued at 17/6, the property of Harold Edward Cohen.

Cohen said—"I live at Heidelberg road, Fairfield. On August 26, at 8.30 p.m., I left my car near the Fairfield Theatre, and later when I returned, my mascot was missing from the radiator cap. About 20 days later I saw my mascot on another car which had been outside my garage."

Plainclothes Const. Batt, said on September 9 Chaplin admitted that he had stolen the mascot from a car and had given it to a friend.

Chaplin pleaded guilty. The P.M. said he did not want to damn the youth's career and the case would be adjourned to a date to be fixed.

PRESTON COUNCIL'S FINANCES

HEAVY OVERDRAFT INCREASE.

When the treasurer's report was presented to the Preston Council on Monday night, it was shown that the net overdraft at 1/10/36 was £14,611 0/6, or £5,500 11/7, more than it was at the corresponding date last year. In arriving at that overdraft it must be noted that a sum of £7,000 has just been transferred from the electric light fund into the general fund, and had that not been done the overdraft would have been over £21,000.

PARKS OF EAST PRESTON.

The committee of the East Preston Progress Association appointed to inspect the parks met on Tuesday, Cr. Maynard attended by invitation. It was decided that a plan for the improvement of Dell Park should be drawn up. Mr. Houghton submitted a plan involving the construction of an oval 170ft. wide and 150ft. long, and a running track 2 1/2 feet wide; also a bandstand and children's playground. The secretary Mr. J. A. Clingman was instructed to ask the council to receive a donation; also to seek the cooperation of the council.

The boys in training are as follows: H. Mackinnon, E. Brown, R. Brown, N. Wilson, W. Blun, Vic. Deakins, Cliff Deakins, and James Reid.

RESERVOIR NEWS

Mr. Tootel has again taken over the letter delivery work in this area.

Mr. Flanders relieved Mr. Tootel, who has been ill for months. Extra help has been provided, so that in areas near the post office the mail is delivered at 8 a.m., a boon that residents appreciate.

Mr. Sutton, our local Isaac Walton, has added to his laurels by grassing another five brown trout weighing 2 1/2 lbs. from Elwardes Lake.

The stork has visited Mr. Flanders, J.P., of the local post office, and also Mr. Sutton, of Royal Parade, and congratulations and felicitations are acknowledged.

Mr. Hallenstein, the local S.M., has now taken up his residence in Reservoir.

The Preston Rowing Club is busily training for the coming Henley and V.R.A. events. It is intended to enter a maiden four, lightweight four, and junior eight.

The relief committee met on Thursday night last at the residence of the secretary, Mr. Flanders. It was decided not to hold the intended carnival.

The committee will go into regular meetings, and any combined functions arranged by the central committee, which would then be assisted. There is a further sum of £5 to be forwarded to the central committee, making a total of £12.

Mr. Uren donated a sheep to the United Reservoir Progress Association Cricket Club. It was divided into three prizes and the club set £22/4 to its finances. The club is playing matches every Saturday, and is at present playing a team from the Northcote area.

The garage, smith's shop and residence in Epping road was offered at auction on Saturday last.

The Terminus Garage, owned by H. Jenkins, has been broken into again, making the record entries for force to tally 14. Special locks were sawn through after abortive attempts were made to enter through a back door and a window.

The breakers got very little for their labors, a few shillings from the till, some personal belongings and tools. The locks were specially obtained from Pen-bridge to prevent ever recurring forced entrances, and the necessary replacement of these is Mr. Jenkins' chief loss.

Mr. S. Jefferys, choir master of St. George's Church, has left the district.

Mr. Phillips, secretary of the Reservoir United Progress Association, has left the district, but still retains his secretarial position, and continues his active interest in the welfare of the Association.

Presbyterian Bazaar at Reservoir. On October 4 the Presbyterian Church, Reservoir, held a very successful bazaar in aid of church funds.

The stalls were tastefully decorated in separate color schemes, the whole blending into one blaze of color. The clothing stall was arranged by Messrs. Danlop, Mitchell, Watts, and Miss Whiteoak; small goods, Messrs. James Welsh and Shepherd and Miss Richardson; cakes, Mrs. McLeod and Misses Glover and McLeod; flowers, Mesdames Baker, Throusd, and Rose; and jumble, the Boy Scout patrol. Mr. Dean introduced Cr. Hemburrow, who, in opening the bazaar, apologized for the absence of Crs. Zwar and Jones and referred to the uplifting graces of the church, which are being presented with bouquets, and touched on the recurring dismal wall of economy, and appealed to those present to buy their goods economically.

Mrs. Hemburrow presented a handbag, and presented a child leather case as a token of esteem to Miss Dodds, who has been in the church. The Ladies Guild wished to thank Miss Dodds for her nine years' work in the Sunday school, Ladies' Guild, and in organization work for the benefit of the church.

Mr. Dean regretted the loss of such a sterling worker, but trusted that Miss Dodds would continue her activities in another sphere. Miss Dodds briefly returned thanks. The stalls did a steady business throughout the afternoon and evening, and about £50 will be realized, including a donation of £10/1 from Cr. Hemburrow. Miss Dodds acted as secretary, and with Mrs. Armstrong was responsible for the organization.

Boxing. Micker Byrnes, bantam weight amateur champion of Victoria, has just returned from Colac, where he has been resting for future championships. His next fight will be in January.

Next year will be very hard for all the champions, as the Australian championships take place in Victoria, and it will be the ambition of all to go right through undefeated.

A smart boy from Collingwood, Tommy Jackson, made his first appearance in public last Tuesday night.

A new pupil to the school is N. Wilson. All performed their work with great interest last Wednesday evening.

The boys in training are as follows: H. Mackinnon, E. Brown, R. Brown, N. Wilson, W. Blun, Vic. Deakins, Cliff Deakins, and James Reid.

BIG FACTORY FIRE

£10,000 DAMAGE.

300 OUT OF WORK.

Damage estimated at many thousands of pounds was done by a fire which swept through the factory of Messrs. Bourke and Cooke, in Groom street, Clifton Hill, on Saturday afternoon.

Valuable machinery in the clicking and finishing rooms and thousands of pounds worth of leather were destroyed. Extensive damage was done by fire water, and smoke to the manufacturing, cleaning, seating, and finishing departments. As a result over 300 persons will be thrown out of work.

The building—a three-storied brick structure, with an iron roof—was used as the Commonwealth harness factory during the war. No work was done at the factory on Saturday morning, but the place was visited about half-past eleven by John McMahon, a night watchman employed by the firm.

Shortly after 3 o'clock in the afternoon smoke was seen coming from the roof of the building at the rear, and the alarm was given from a street along by two men. By the time the first detachment of firemen had arrived from Hoddle street station flames were bursting through the roof and the fire had obtained a firm hold upon the top floor.

The building is L-shaped, and in the angle formed by the wings there is a lift well, which drew the flames down, so that they spread to the second and ground floors. The firemen, however, were able to confine the fire within the lift well.

FOOTBALL.

BOURKE-EVELYN FOOTBALL ASSOCIATION FINAL. WHITTLESEA V EPPING.

The day was warm and a northerly wind continued to play the road wind and consequently there was congested play for the most part of the game. However when the play was forced into the open there was a very exhilarating football. Both teams were strongly represented, but in physique the Whittlesea players overshadowed their opponents. All the forwards were the most prominent for Whittlesea during the quarter, whilst Nebel and Alf Ziebell were outstanding Epping players.

Epping soon attacked the Whittlesea goal and Blair and Deanshaw were working like Trojans to keep them at bay. The half time interval showed the score—Whittlesea, 5—1 (31 pts.); Epping, 1—4 (25 pts.). Spectators were delighted at the close nature of the game, and were satisfied with the exhibition the teams were giving.

The final scores were—Whittlesea, 7—4 (46 pts.); Epping, 6—7 (43 pts.). The winners were best served by Alchin, Duns, Deanshaw, Boney, Hillier and Blair, and those of Epping deserving of mention were A. Ziebell, Pratt, Callaghan, Vearing, Shallow and Varcoe.

The grand final will be played at Doreen Hall Saturday, and a great game should result.

LEAGUE SUB-DISTRICTS FINAL. In an exciting and even game South Melbourne District triumphed over Fairfield in the first grade final at Oakleigh by 15 goals 14 behinds to 12 goals 7 behinds. The goal kickers were:—South Melbourne—Patterson (4), Burwash (3), Le France (2), Mahoney (2), Avery and Copeland. Fairfield—(2), Clark (2), Morell (2). Ames, Dowling and Rogan. Best players for Fairfield—Shearer, R. Powell, Cameron, Martin, Ely, Haspenson and Rogan. The seals' game was preceded by the second grade final, in which Kew District, 10 goals 11 behinds, defeated Fairfield District, 10 goals 5 behinds. Goal kickers: Kew—Mansfield (2), Stevenson (2), Thewlis (2), Mercer (2), Marshall, Robertson. Best players for Fairfield—Shearer, Cockram, Dempsey, Beckwith and Muir.

NORTHCOTE FOOTBALL CLUB. F. SEYMOUR'S RECORD. (By "Anonius.") At the last meeting of the committee of the Northcote Football Club it was decided to appoint a sub-committee to arrange for some suitable way in which the brilliant achievement of Frank Seymour in scoring 110 goals for the season, and thus breaking the Association record, could be recognized.

Congratulations.—A letter has been forwarded to the Oakleigh F.C. congratulating the committee and players on having won the V.F.A. premiership for 1936.

Best and Fairest.—A cup, donated by Mr. A. Propoych, for the best and fairest player, has been awarded to "Dug" Nicholas. This is the second time "Dug" has been commended.

Runners-up.—To commemorate a successful year in which the club were runners-up, the management of the Northcote Theatre entertained the committee and players at the Northcote Theatre on Thursday evening. An excellent programme was provided and enjoyed and the courtesy of the management was duly appreciated.

Annual Meeting.—The 1936 Annual Meeting was held on Thursday evening last, and received their final payments last Thursday. It is proposed to hold the next meeting on Thursday, November 12, at 8 p.m. at the Northcote Theatre. PRESTON COUNCIL

MONDAY, OCTOBER 6.

The usual meeting was held on Monday. Present—The Mayor and C. J. Adams, A. E. Newton, L. Jones, R. H. Maynard, W. T. Robson, W. Spratling, W. J. Hemburrow and H. P. Zwar.

East Preston Tennis Club. F. A. Hedger, secretary East Preston Lawn Tennis Club, submitting statement of receipts and expenditure, also statement of cost of erection of pavilion at Bell Park, asking that this council forego two year's rental as a donation towards the cost of the pavilion.

Cr. Adams moved that the matter go to the Parks Committee to obtain further information.—Carried.

Reservoir Station Sewerage. Gordon Webster, M.L.A., re request for sewerage facilities at railway station, advising that as expense involved is estimated at £1,043, the matter will be again reviewed in 1931.

It was decided to so inform the Reservoir Progress Association.

East Preston Social Club. Secretary East Preston Social Club, applying for the use of both old and new town halls every Saturday night for the next three months from 11.10.30 for church parties and dances in aid of the Mayor's appeal fund.

The Mayor said the hall had been practically booked up to the end of the year, and the hall committee should seek out other places. The body had done a lot to raise funds, and the council should do all it could to encourage them.

Bell Street Park. J. A. Clingh, secretary East Preston Progress Association, asking council to receive a deputation to discuss advisability of laying out Bell Park as a sports ground.—To be heard on Monday night at 8.30 p.m.

West Preston Progress Association. Cr. Clark, secretary West Preston Progress Association, asking council to receive deputation re thoroughfare Cooper St. to May St.—To be heard on Monday night at 8 p.m.

Same, asking for (1) bridge over culvert in Frank St., at road from Bond St.—P.W. Committee. Two other matters have already been dealt with.

GENERAL. Secretary Preston Tennis Club, asking if council would make an offer for shelter shed at court in the event of the club deciding to wind up.—Parks Committee.

W. A. Roberts, secretary Reservoir branch A.L.P., asking for attention to Rathdown Rd. Reservoir.—P.W. Committee.

City of West-cray, asking if council would participate in a conference to consider the desirability of encouraging the formation of a new senior cricket league or competition.—Council is not prepared to discuss the matter into consideration at the present time.

Abbott, Beckett, Stillman and Gray, solicitors for G. W. Booth, asking that shelter shed opposite their clients' land in Gilbert road, be removed.—Writer to be informed this was a matter for the Tramways Board.

Cr. Robson said the council had gone to a lot of trouble to get this shelter, and the Tramways Board had been asked to improve it—not remove it.

Stubley's Orchestra, offering to hire the hall for 50 Saturday nights for £236, the proceeds of each second night to be given to the Preston Unemployment Relief Fund.—Referred to sub-committee.

Curator and Private Gardens.—Cr. Newton said he understood the curator made private gardens.

The clerk.—Where levels have been altered the council has to pay damages or put the garden back in the same condition as they had been before the alteration was allowed.

Referred to P.W. Committee. Cr. Spratling asked when Wood St. footpath asphalt would be finished.

The engineer.—As soon as possible. Downs St.—Cr. Hemburrow spoke of Downs St. and asked why it had been left in such a state.

The engineer said the Board of Works was doing work there. If it could be done before the service was connected, the road-way would have to be tipped up again. Telephone services would also have to be put in and this would take six weeks.

Cr. Zwar asked for a report re Mr. Clinch's house, which was effected by drainage at Reservoir.—The engineer said he was going into the matter with officers of the Board of Works.

Cr. Maynard asked re stonebreaking at Strongman's quarry and the employment given there. He was told a man had earned £8 or £9 a week, who, one man helped another.

Slabs at Baths.—These were referred to the engineer by Cr. Newton for attention.

Footbridge.—Cr. Newton moved that footbridge over the creek in Victoria St., which had only one handrail, be attended to.—To be attended to.

Cr. Spratling moved that paths in Preston St. go to P.W. Committee.—Carried.

Of Interest to Women (Conducted by "PENELOPE"). ROMANTIC CIRCLE. SIMPSON—WALKER. On September 27 at the Thornbury Presbyterian Church, Rosemorne street, Rev. Stuart of Preston celebrated the marriage of Miss Gladys Walker, eldest daughter of Mr. and Mrs. John Walker, of Collins street, Thornbury and Mr. Robert Gourlay Simpson, youngest son of the late Mr. and Mrs. Simpson. The keynote of the dressing for the occasion was pink. The bride was given away by her father and the service was choral. She was tastefully groomed in a white satin frock and she carried a chaf of sweet peas and tiger lilies. Misses Hilda Wyatt, Campbell and Elizabeth Simpson attended the bride. The best man was Mr. John Andrew Walker and the groomsmen, Mr. Leonard Keith Walker. After the ceremony there was a breakfast and social at Normanby Hall at which seventy guests were present. The bride's mother was given in a black suit with pink georgette trimmings. She carried a posy of pink carnations. The honeymoon was spent at the Blue Mountains.

LIGHTING THE BEDROOM. Avoidance of Shadows. General lighting for a bedroom depends mainly on its size. In a small room it is sometimes possible to use a single light fixture with a one or two-light pendant which will give enough light for the rest of the room. Two essential things, however, are to arrange the lights so that no shadow is cast on a person in front of the mirror, and so that it is easy to see into the wardrobe. A large room needs a central light; many suitable designs both practical and artistic are obtainable. A soft indirect light directed through a translucent shade is recommended, although parchment and watered silk look equally effective. A bowl of pink georgette in a pale shade of the color which predominates in the room is particularly in keeping. On account of its small cost, a local light in the wardrobe will appear small. It is placed directly above the door. It is controlled by the opening and shutting of the door so that there is a light at the instant it is required with no responsibility of waste current. There are many people who have a last half-hour read in bed, and still many more who like it but do not bother because the light is unsatisfactory. A lamp placed in the bedside table fitted with a white or flame tinted lamp will solve the problem. The lamp is placed in a bracket which is attached to the head of the bed and connected by means of a wall plug.

THE SCHOOL FROCK. MORE LAMPS—LESS CURRENT. Points for the Home. It was probably quite natural that the first electric lamps used in homes were hung from the ceiling of the room. This came as a result of the earlier practice of lighting rooms by candles, kerosene lamps and gaslight from a central point. The trouble with a light in the centre of the room is that it shines in one's eyes. The solution is to place the lamp so that it will give light without glare or shadows. A light placed behind a baffle or shade will obviate the glare, while the light is thrown directly on one's sewing or reading. For some reason it is necessary to light the whole room, one light suspended from the centre of the ceiling will usually suffice, but usually much better results accrue from wall lights and standards in various parts of a room or particular purposes. In a bedroom, for instance, electric lamps are better than a central lamp, as there is then no necessity to dodge the light. Another advantage is to have a lamp arranged as to throw the light on your book when reading in bed. It is not advisable to have glass lamp shades as they are expensive and as one grows tired of them the charm of the room is sacrificed. It is good practice to avoid highly carved or fluted work which is difficult to keep clean. In a modern home it will be found that in the old style home. As many as 600 lamps may be used in a six-roomed house and is less when many lamps are installed, as each burns only a few hours. The dimming type can be switched down so low that the consumption of electricity is a great advantage at night when anyone wishes to shave or powder. The School Frock featured by MITI GREEN in the Paramount Picture "TOM SAWYER". Summer school frocks are of the utmost importance to the Ten-Year-Old at the present time, and very timely is this fashion which Mitzi Green favors. Little Mitzi Green, who is now playing in a Paramount version of Mark Twain's classic of boyhood, "Tom Sawyer," looks very cool and crisp in her beige and white English print, which falls loosely from smocking on the shoulder yoke. Band-drawn thread work is used on the white pique Peter-pan collar, and is also repeated on the miniature cape sleeves.

NEWEST SHADE IS HEAVEN BLUE. Another blue has found favor among the fashionists of Hollywood. Heavens Blue. Shading softy between tones of turquoise and aquamarine, Heavens Blue creates the ideal blue for a summer frock. For her starring role in Paramount's "Her Wedding Night," Clara Bow dresses in this new blue for a chiffon dinner gown, and also has a silk crepe sports costume in same toning.

BEAUTIFY THE CUPBOARDS. Beauty should not only be where it is easily seen. Miss Rogers, who will next be seen in Paramount's "Queen High," Miss Rogers has all her cupboards beautifully decorated in harmonious shades with the rest of the room. Her clothes chest has the usual type of poles and shelves, but the poles have been painted silver, and an aging of powder-blue rayon taffeta, scalloped in rose-bud and acru footings decorates the shelves. The little hat stands were covered in rose and blue velvet, and the boxes for hats were decorated with printed wall-paper, each box tied with silver ribbon edged in powder blue. Curtains of powder blue, finished like the tiny shelf ornaments, protect her frocks, which are hung in dust-proof slatted taffeta bags. Her lingerie is attractively displayed in two built-in closets which flank the dressing table, and have shoe compartments below. The woodwork is a delicate flesh pink, accented in the trimmings. The dresses on the dressing table match the harmonious of the dress cupboard, and a Ferenie mirror hangs on silver cord.

SLAVELESS FROCKS.—Bertha: More Fashionable. Laundry capes and bertha are replacing the plain sleeveless frock in the new season's fashions. Jean Peers, in "Anybody's Way," is a great advocate for the new mode, and clearly every ensemble which was designed for her was made with either a circular cape, half shoulder cape, or a full capelet. This new fashion has extended from the formal evening gown to the sporty and afternoon frock, and clearly if of the sleeveless frocks have accompanying short coats or boleros, which have long sleeves, thus giving enough protection to the arms from the sun and wind. ELOCUTIONARY MEDAL CONTEST. On October 1 the Northcote Temperance League of Hope held a Temperance Elocutionary Contest in James street Presbyterian Sunday school hall. There was a good attendance. The programme consisted of competitors in three divisions, interspersed by items by Miss O'Drakeford and Green (songs), Miss L. Lane (vocal), Mr. Pratt (controversial), and Miss Archie Clark (humorous songs at the piano). Mrs. Cogle was a capable accompanist. Great interest was taken in the contest. The first division competitor was Mrs. Alice Scott, A.L.C.M., L.L.C.M. Cr. Dennis was in the chair and spoke of the desirability of training the young people in temperance. He then presented the medals, the winners being Beryl Allridge (Junior section), Jeanie Clark (Intermediate section), and Ellen Dempsey (senior). Mrs. Ellis moved and Rev. A. T. Jones seconded a vote of thanks to the adjudicator, chairman and artists, and Miss Hazeldine was accorded a hearty vote of thank for arranging the contest.

NORTHCOTE CITIZENS' AND SOLDIERS' BAND. The band made a trip to Kyneton on Sunday at the invitation of the committee of the hospital. The programme was rendered at the hospital in the morning, and in the afternoon a recital was given in the gardens and a collection was taken in the afternoon. Considering the depression a fair amount was received. A programme was also given at the hospital in the evening. The band returned on the return journey at 8 o'clock after a most enjoyable outing. Mr. Chadwick, secretary of the band, was accompanied by the committee and for their splendid efforts. The vote was accorded on behalf of the band by the Drum Major Walker. The arrangements for the trip were ably carried out by Bandmaster W. H. Gage. Now that the warm weather is approaching the band is arranging programmes for the various parks and charitable institutions.

Activities at Preston

The Beer
MR. O. Walker, J.P. is happy in his coming a grandfather once more. His daughter, Mrs. W. J. Brown, of East Keew, gave birth to a bonny boy on October 11.

Cricket
DURING last week-end, sport-enthusiast cricketers took possession of a portion of the pipe track and indulged in a game of the national pastime. Such after-thoughtlessness on the part of the young sportsmen (?) is greatly to be deplored.

Combined Schools Sports
THE boys and girls attending Preston and Thornbury State schools are anticipating an enjoyable afternoon of October 24, when the annual sports will be held.

Fire
AT 7.30 a.m. last Monday, there was an outbreak of fire in a house occupied by Mr. G. C. Dorrer in Kemp street. Croxton and owned by Mr. T. H. Dorrer. The fire was somewhat spectacular and attracted a crowd of spectators. The dwelling consisted of 6 rooms and much damage was done. The house was insured to the extent of £200 and the furniture for £200. A fire coat, valued at 25s, was sent up in smoke. There was an insurance amounting to £200 on the costly and valuable winter apparel. The origin of the fire is unknown.

False Alarm
PRESTON firemen were called out to three false alarms during the past week.

NORTHCOTE HORTICULTURAL SOCIETY.

Good soaking rains and a week of bright sunshine had the effect of making a remarkably fine floral display possible at the last monthly meeting of the Northcote Horticultural Society.

The lecturer of the evening was Mr. W. R. Warner, who delivered a most interesting address on "Pot Plants."

The second, when asked the same question, replied, "I am digging a trench in which drainage pipes are to be laid, which will drain the town, thus improving the health of the people, and making the gardens more beautiful and increasing the value of the townpeople."

Mr. H. W. Chapman, rail motor driver, has been transferred to Echuca, and his duties at Northcote have been taken up by Mr. J. H. G. Brown.

The district State schools collected about 220 dozen eggs for the Melbourne Hospital appeal. Master Claude Batten, of the Whiteslea school, was responsible for the largest haul.

Cricket matches in the Shire Association commenced on Saturday, and also the tennis association games.

Mr. Clark has had a nine-hole golf course laid out on his property, and quite a number of players are seen doing the rounds.

On show night the football club's social committee, not being able to get the parish hall, are going to Glenvale hall, and will run a series of parties.

BOY SCOUT TROOP

Last Saturday the troop spent an enjoyable day at Dorebin Creek. A similar outing will be arranged this Saturday if the weather is fine, and those who wish to do so may take their tea.

On Saturday evening a start was made with happy bump and deservingly for the competition which will be concluded on Saturday. Night alarm was never been known at a monthly meeting.

A glorious bunch of stocks (Crimson Monarch), exhibited by Mr. Crawford, of Preston, was selected as best from among a number of very fine bunches.

The points scored in the monthly competitions were: Amateur—Cut Flowers: Mr. Gibson, 8 points; Mrs. Firk, 1 point. Novice—Cut Flowers: Mrs. Bonnell, 8 pts.; Mrs. Bennett, 1 pt. Amateur—Bunches of Roses: Mr. Firk, 6 pts.; Bunches of Roses: Mr. Lovelace, 6 pts.; Mr. Toole, 3 pts. Basket of Flowers: Mrs. Bonnell, 5 pts.; Mrs. Corry, 3 pts.; Miss Twyford, 1 pt.

Lecture on "Pot Plants" The lecturer of the evening was Mr. W. R. Warner, who delivered a most interesting address on "Pot Plants."

By way of introduction, the lecturer first two workmen digging a trench, one working at each end. The first, on being asked what he was doing, replied: "I am digging a trench to get some money to buy some food to give me strength to dig more trenches."

The second, when asked the same question, replied, "I am digging a trench in which drainage pipes are to be laid, which will drain the town, thus improving the health of the people, and making the gardens more beautiful and increasing the value of the townpeople."

Mr. H. W. Chapman, rail motor driver, has been transferred to Echuca, and his duties at Northcote have been taken up by Mr. J. H. G. Brown.

FAIRFIELD NOTES

An enjoyable party was held in the school hall, Fairfield, to celebrate the 21st birthday of Mr. Rae Bruce. Among the guests were Mr. and Mrs. W. H. Cook, Mr. and Mrs. J. S. Gosman, Mr. and Mrs. T. Weigman, Mr. and Mrs. C. Boyle, Mr. and Mrs. G. Dancy, Mr. and Mrs. Edwards, Messrs. Boyle (jun.), Gunther, Newman, Marsden, Mckenzie, Walker, and the Misses Soutter, Dixon, Sayer, Ramsay, Pascoe, and Brookes.

By request Mr. Andrews, Dramatic Society, repeated the performance of the theatrical farce "His Favorite Pudding" in St. Andrew's Hall, Clifton Hill, on Saturday to assist the Spenceham Relief fund. At the conclusion Mr. Kane moved a vote of thanks to the society.

Orchestral Party's Luck—Owing to several breakdowns in the bus they were travelling in the Wales St. Northcote and Fairfield school orchestras had an unusual experience on October 3. The orchestra needed to compete at the South Street concert in the evening. Leaving at about 10 a.m. the first mishap occurred a few miles from Bacoos.

THE A.N.A.

PRESTON SOUTH BRANCH. There was an enthusiastic audience at our meeting on Thursday October 9. It was school children's essay night. After ordinary business all the essays received were read by one of the judges, Mr. S. Andrews. The first prize (a gold medal) donated by the branch was won by Mr. S. Andrews. The second (a gold medal) donated by Mr. John Jack, Jeweller, of High Street, Preston, to the school of the same school. Mr. S. Andrews, with a few appropriate remarks presented the medals to the winners who made speeches in response.

On November 6 the Branch's Maynard rink (21) and Wilson's rink (17) of Catterick rink (22) and their Cash prizes are to be offered for the following exhibits: best rose in show; bunches mixed roses; best varieties; best three roses; best bunch cut flowers (frees excluded); distinct or mixed. There is also to be competition for the following prizes.

The following motion was carried unanimously—"That the Board of Directors be informed that the practice of school children leaving school before school leaving age is becoming very prevalent, and that in the opinion of this branch the practice is undesirable, and that the provisions of the Education Act should be enforced. Further—the Government should be notified that the practice should be stopped if necessary, a brought under notice in this way."

THE WINNING ESSAYS. The following essays were first and second prize winners in a competition conducted by the Preston South Branch of the A.N.A. First prize gold medal donated by Mrs. J. H. G. Brown, 15 Shaftesbury parade, Northcote. Second prize gold medal donated by Mr. John Jack, Jeweller, Preston.

By A. GOODFELLOW, 21 Brighton Avenue, Preston.—First prize. Australia is a country only about one hundred and twenty years old, and at the present time in very straitened circumstances—a bad state for such a young country. At least a hundred thousand men, many of whom are at starvation point, are unemployed in Victoria alone, and some steps must be taken to make them find work. It is a terrible thing to see a man who is fit to do his own work, and who is ready for industry and that is to provide work—and we Australians must provide it by using nothing but Australian Made Goods. If each Australian makes his his "Cause," using Australian fabrics, foods, implements and machinery, he will employ Australian hands, use Australian raw materials, build up her population; tariff duties will no longer be necessary to replenish the government purse, and a multitude of new industries will be ready to receive Australian boys and girls. This would give Australians an opportunity to earn good wages in Australia and the privilege of spending these wages in Australia.

The present depression in Australia is due, in great part, to the short-sighted purchasing by Australians in supporting foreign workers. In buying these goods you are ruining Australian independence and increasing foreign manufacturing stability. Let us banish want and care by doing nothing but Australian goods. Let us buy the products of the Australian mills, factories and industries; so that many thousands of our boys and girls may be employed. Let us support our own industries, and let us not be deceived by the foreign goods which are being sold to us. Let us buy the goods of our own country, and let us not be deceived by the foreign goods which are being sold to us. Let us buy the goods of our own country, and let us not be deceived by the foreign goods which are being sold to us.

PRESTON BRANCH. The Preston Branch A.N.A. held its usual fortnightly meeting in the Bradford Hall on October 9. The acting president, Mr. W. Thomas, presided. Mr. W. Thomas, Mr. W. B. Ross, who has been absent through a serious illness is about again. The vice-president (who is also ill) has been unable to attend for some time) on the road to recovery. The branch fully discussed Board's proposals in keeping members good over the matter of employment and are urging those members to take advantage of the opportunity. Mr. J. Meenan reported on the B.O.P. that the Preston branch secured a victory against the B.O.P. at Preston and the team was again victorious on the 17th. Mr. R. Miles reported on the Clifton

Hill and Northcote Dispensary and was instructed to use his best endeavours to get member Simmond's case reopened by the appointment of a Dispensary. Some discussion took place on a certain feature of a weekly paper—Member J. Meenan stating that it was not in the best interests of school children to find the English language abused as was the case in the case of the Dispensary. Some discussion took place on the question and it is to be met on the 20th. The branch will come up or discussion again to the meeting of the members went to Council Chambers to find out if they could learn anything regarding the matter. After about two hours they came away with the knowledge that the Preston branch A.N.A. was successful in securing a victory against the B.O.P. at Preston and the team was again victorious on the 17th. Mr. R. Miles reported on the Clifton

THORNBURY LADIES CLUB. The Thornbury Ladies' Bowling Club held their fortnightly euchre party at the club rooms, Normandy Hall, on 17th inst. Under the supervision of the president (Mrs. J. Roberts) a pleasant evening was spent by the large number of members in attendance. The prize winners were Mrs. Gilling, and Mrs. Collins. The lucky draw was won by Mrs. A. Evans and Mr. Herb Smith. A dainty supper was served.

EAST PRESTON MOTOR CYCLE CLUB. East Preston had a good week-end on Saturday. The boys went to Watson's Creek for a good day's work and track and a good day's work was done. On Sunday the club, in spite of the wet weather, went to the Harley sports at Braybrook, where they had a very enjoyable time. On Saturday there is another working bee at Watson's Creek to finish the dirt track. On Sunday the club will have another run to Watson's Creek to hold a sports meeting.

Alleged Theft of Payroll and Forgery

Disappearance of £56/5-
CHEQUE FORGERY CHARGE ALSO PREFERRED.
CLERK FOR TRIAL

Charged with having stolen £56/5- representing
the factory payroll of the H. M. Shedden Slipper Co.,
Northcote, and having forged and uttered a
cheque, Ernest Stanley Smith was committed for trial
the Northcote Court on Tuesday.

It was alleged that Smith, after having tampered
with a telephone in the slipper factory's office, went to
runswick and collected the pay roll. A clerk at
runswick could not raise the telephone at the slipper
actory, and then gave Smith the money.

Smith had no authority to
collect the wages.
"Cheque Signatures are Forgeries."
The cheque was not signed by either H.
M. Shedden or myself, the signatures
being forgeries. The cheque form
was removed from a book in the com-
pany's office. On July 15, as the
phone was out of order, I examined
the cheque and found that it had been
tampered with.

Smith was arrested on October 10
at police station, and asked him if he
had forged a cheque on the Shedden
Slipper Co., and whether he had col-
lected the wages from Shedden's
office and he said "I will not answer." He
refused to answer other ques-
tions.

Committed For Trial.
Smith, who reserved his defence,
was committed for trial.

PRESTON COURT

THURSDAY, OCTOBER 23
Before Mr. W. J. Clarke, P.M., and
Messrs. O. A. Walker, L. Jones, T. J.
McMahon and F. P. Bird, J.P.s.
Rear Number Obscured.
Walter Fink, who on August 31
drove a motor car, the rear number
of which was observed, was fined 10/-
for obscuring the rear number plate.
The number plate was hidden by the hood,
which was down.

Unlicensed Hawker
Eric Earl, of Port Melbourne, who was
charged with having on October 3
carried on the business of a hawker
without being licensed, was fined £1.
Constable Bullard said that Earl
was selling fish from a temporary
stand, and he did not have a license.

Show Cause Summons
John Joseph White, who was called
upon to show cause why he should not
be imprisoned for having failed to
enter into a surety to comply with a
maintenance order, was fined £10.
Mrs. White, Bell street, Preston,
said: "I wish to go on with this case.
My husband has his own house, but
he let it go back to the banks."
The P.M.: You understand what it
means? He will go to gaol.
White said he could not find the
surety. He was not working.
The P.M. (to White): You don't ex-
pect the public to support your child-
ren?
White: No. I was to start work,
but my wife prevented it.
The Wife: Could you give him
seven days?
An order was made that White be
imprisoned until the surety was found,
and he was ordered to pay £5 costs,
and he was ordered to pay £5 costs,
and he was ordered to pay £5 costs.

A SUNBURN REMEDY.
Very appropriate for the summer
season is the new remedy given by
Fay Wray, who has just returned
from location scenes for Paramount.
Miss Wray has a beautiful complexion,
and she says that it is re-
sulted from a simple but effective
remedy which was practised by her
grandmother. It was made by mixing
equal parts of water and milk into a paste,
and applying it to the face and neck,
and allowed to dry. Then wash
off with lukewarm water, and dry
the skin.

Arising out of the same circum-
stances a charge of conspiracy and
charges of assault were laid against
several persons. These cases were
proceeding when we went to press.

Garage Man Thrown Out
OF CAR.
FOREIGNER CHARGED WITH
LARCENY.
CASE DISMISSED

The evidence in a case in which a
"foreigner, Ameron Myler Shah, of
Victoria street, Coleridge, was
charged with having stolen a motor
car, valued at £100, the property of
James Frost, of Plenty road, Pre-
ston, was held on Tuesday. The
demonstration in the car to a man
who represented himself as a pro-
spective buyer. Whilst going along
Plenty road the car was stopped,
and it was further alleged that
Shah, assisted by two others, threw
Frost out of the car, and, leaving
him on the roadside, drove away in
the vehicle.

Mr. Home (Home and Wilkinson)
prosecuted for Frost, and Mr. Nolan
appeared for Shah.

James Frost, motor car proprietor,
of Plenty road, Preston, said:—
I sold the car to Shah in September,
1927, under a hire purchase agree-
ment. I repossessed the vehicle on
January 4, 1929. Shah asked for its
return, but I refused to let it go
until arrears were paid. On January
12 two supposed purchasers, who were
being given a trial in the car, took it
away whilst I was speaking on the
telephone. I subsequently saw Shah
who made certain payments, and I al-
lowed him to continue with the agree-
ment. On August 21 I again seized
the car, as Shah was in arrears with
the payments. On October 12 I was
demonstrating the car to a man, who
"stalled" the engine on a hill whilst
driving along Plenty road. At once
another car overtook the car in which
I, and Shah and two others dragged me
from the car and, leaving me on the
roadside, drove away in the vehicle.

Cross-examined: Disputes have
been going on for some time about
the payments?—Only on Shah's side.
How much has Shah paid on the
car?—£150/10/2.
Did Shah ever suggest that the
amount owing should be submitted to
an arbitrator?—No.

Submissions for the Defence
Mr. Nolan (for Shah) said the mat-
ter was one for a civil and not a crimi-
nal action. There was a dispute
as to the amount of the monies paid
and the price, and he submitted there
was no prima facie case of any crimi-
nal intent.

Mr. Jones, J.P., said on the evi-
dence the bench would not commit
Shah for trial.

Mr. Home (for Frost) asked that
the depositions and all papers be sent
to the Crown Law Department.
An application for costs by the de-
fence was refused.

Arising out of the same circum-
stances a charge of conspiracy and
charges of assault were laid against
several persons. These cases were
proceeding when we went to press.

RESERVOIR FATALITY. LITTLE GIRL DROWNED.

Going out to gather wild flowers
with her brother, Annie Beatrice
Charteris, aged 6, the daughter of
Robert Charteris, salesman, Dumbarr-
ton street, Reservoir, fell into the
Maroochah Channel, about two miles
from its entrance into Preston Res-
ervoir, and was drowned. Her body
was found on the iron grating at the
spot where the accident began an
underground course.

At an inquest at the Morgue on
Monday the Coroner recorded a find-
ing of accidental death.

Alan Charteris, aged 4, brother of
the dead girl, said that at 11 a.m. on
October 14 he went out with his sis-
ter to pick wild flowers. They went
to the channel at the second bridge
above the basin, climbed through the
wire fence, and hung over the water
by holding on to the telephone wires
until the bridge was reached. "I held my
sister so she would not fall in,"
said Charteris. "I then saw a
magpie in the paddock, and I went
to try and catch it. I did not see my
sister again."

BATH MAT MADE FROM CORKS
By making a collection of good-sized
corks that are in whole condition,
it is not very long before a really use-
ful bath mat may be contrived from
them. When the collection is suffi-
cient, take an old razor and carve up
the corks into layers, making them of
even thickness—about 1/4 quarter inch.
Then take each circle and cut it square. For the
foundation use a piece of strong linoleum,
cut to a size suitable for the mat.
The corks should be stuck to the
linoleum by means of a strong shellac
varnish. They may be arranged in
any suitable way, but if the corks are
not equally sized a perfectly symmet-
rical arrangement will not be possible.
Allow several days to elapse for the
varnish to dry hard, then smooth
down the surface of the mat by rub-
bing the corks with glasspaper. Use
it in a rapid circular movement. Now
get your husband to finish off the mat
by giving it a frame of wood.

NEWS OF THE PROGRESS ASSOCIATIONS

EAST PRESTON PROGRESS ASSOCIATION.

Mr. Rogerson, who presided at Monday evening's meeting of the East Preston Progress Association, welcomed Mr. Twite, of the Central Council.

Correspondence from the Council indicated that the low rear of Reno St. had been completed; that the widening of Plenty road, north of Tyler St., was considered impracticable; that attention would be given to Steane St. and Hamilton Ave.; and that Murray road had not yet been taken over from the contractor.

One new member was elected. The committee which drew up plans for the improvement of Bell Park presented its report.

Meas. Houghton, Andrews and Stafford were appointed to present the plans to the Council.

The secretary reported having attended the annual meeting of the Regional Progress Association.

Mr. Houghton reported the meeting of the Mayor's unemployed relief committee.

The question of Sunday night entertainments for the same fund will come before the next meeting of the Council. Mr. Rogerson reported that the Central Council had dealt with the questions re Strathallan cemetery administration and tenders for carriages in Preston.

It was decided to ask that drain in Watson and Jackson Sts. be cleaned out, and that topings be spread on the north side of Gower St.

WEST PRESTON ASSOCIATION.

The usual fortnightly meeting was held in the Progress Hall. Mr. W. H. Burdell, president, occupied the chair. The association decided to forego the funds from the Cup Eve dance and to donate same to the Mayor's Unemployed Fund. It was intended to use these for the Annual Picnic fund. It was decided to write to the East Preston Association advising them that we will support any action they may take for the betterment of the Strathallan Cemetery.

Several items were discussed under general business. Requests for footpaths and general drainage Robson avenue.

Section will be taken up and the proceeds will be devoted to the unemployed fund.

GOWERVILLE THEATRE

Tonight and Saturday the intensely gripping mystery drama, "The Benson Murder Case," will be shown, along with "Noisy Neighbors," a comedy farce, with Eddie Quilliam, Albert Vaughan and Theodore Roberts. In the former Wm. Powell characterizes Philo Vance, the famed detective, and elucidates an almost incredible mystery.

Monday brings high lights of modern life in a fresh fast-moving feature, "Office Scandal." "Phyllis" Haver, whose wonderful creation is her leading role and gives a splendid interpretation. "The Street of Chance" is the second feature, and gives ample play to Wm. Powell's ability. It is an intense drama that grips and holds the interest from start to finish.

"Square Shoulders" and "Sarah and Son" constitute Thursday's change of programme. Ruth Chatterton leads in "Sarah and Son," with Junior Coghlan and Louis Wolheim in the male roles. The story tells of a father's love for his only son, and his deceptions to ensure his son's happiness are poignantly dealt with in a fight against overwhelming odds.

One of the first roles Walter Hudson ever played on the stage was in a melodrama written by Hal Reid, father of the late Wallace Reid.

Jack Buchanan, featured with Jeanette MacDonagh in "Ernie Lubitsch's" new production for Paramount "Monte Carlo," is one of London's favorite musical comedy stars.

Watchhouse Whispers.

COLIN McFarlane, dairyman, High St., reports the loss of a number place, which had been stolen from his car outside the Bundarra hall on the evening of October 15. A box of butter, valued at £3/10/-, and a small quantity of meat was stolen between 6 p.m. on October 16 and 7 a.m. on the following day from a shop on Gower St., Preston. The meat was the property of Fred L. Korch, and the butter belonged to Wilson, grocer. From the rear of the dwelling occupied by Reginald Young, electrician, Young St., Preston, a bicycle was stolen; the value of the machine was £10.

Preston Dispensary Honor Board.

TO perpetuate the names of the past presidents of the Preston United Friendly Societies' Dispensary, an honor board will be unveiled at the dispensary on Saturday evening by the president (Mr. R. Douglas). The monthly meeting of delegates will follow the ceremony.

The SCREEN and its STARS

Exclusive to
"THE LEADER"

Probably no motion picture star represents better the spirit of modern youth than does Joan Crawford. And, luckily enough, her immediate step to stardom was the featured role in "Our Dancing Daughters," an ultra-modern picture of the same name.

Miss Crawford, who has been called the "Queen of the screen," was born with the double gifts of beauty and brains in San Antonio, Texas. She never knew her father, whose name was Lawson, but she loved her stepfather, Henry Cassin, who was a theatre in Lawton, Kansas. Her earliest recollections of Lawton, where she lived in the wings with her stepfather, were fascinated by the antics of the stage. She was hardly conscious of imitating their movements with her feet, which often were bare.

All through her early childhood her favorite game was playing stage in the back yard, where scenery was stored. She always was the premiere dancer.

Miss Crawford was eighteen when she was first pictured. She is still, despite her 19 pounds, and has a delicate, with a red hair light. No one in the statistics of the industry can give the sense of poise, poise of charm and love-ness that she has. She has been called the "Queen of the screen" because of her beauty and brains. She has spent more time at home, house-keeping and at study outside of studio hours.

Although Miss Crawford once officially gave her hobby as dancing, she has been very fond of reading and watching and motorcars, and she keeps a dog, her greatest delight in her playroom, which is the size of a tennis court and stuffed with all kinds of things. That is, she has a treat.

"Our Dancing Daughters" is Miss Crawford's latest picture. Anita Page, Douglas Sebastian and Robert Montgomery are in the cast.

WIDE VARIETY IN SUMMER STYLES.

There is no one else in this day of fashion styles to have to do with. It is not because of one's style of clothing, but because of the materials used in the making of the clothes. The patterns are the equal of the materials, and the latter are of mixed materials or the finest colored fabrics to choose from. At this time there are all types of materials and every conceivable color. It is certain to be able to choose an up-to-date and at the same time becoming style.

A number of these different patterns are noticed in the summer wardrobe of Lila Lee, the well known actress, who appears in Lila Lee's

PRESTON'S METAL CARTAGE
TENDER NOT GIVEN TO LOWEST TENDERER.
LOCAL PREFERENCE GIVEN

On Monday evening the Preston Council met in a tender for pitch and metal cartage to D. J. Grogan. This was not the lowest tender by some margin, but was the lowest that was accepted because all the money could be used for the tender.

Cr. Zwar said that when Cr. Roberson was speaking it was Cr. Roberson speaking with the voice of the A.L.P. (Laughter). That body had sent out circulars to many public bodies on this matter, and the only one which was not answered was the Preston Progress Association, and this is the same as the A.L.P.

Cr. Magnard: I won't stand for the tender being given to Cr. Roberson. I couldn't be a member of the East Ward Association. Cr. Newton knows that (Laughter). Cr. Zwar: I am not a member of any of the prominent members of both bodies.

Local Preference
If Grogan got the tender about £400 would stay in Preston, where it would be spent in wages, repairs and goods, whereas if the other man got it the money would go outside Preston. The other man employed no local men.

Local Preference
Cr. Roberson: I raise a point of order. I understand Bennett has six or eight local men.

Cr. Zwar: I accept the point, but I also have made inquiries.

When the Government unemployed relief grant was being applied for Cr. Roberson said that he would give £1500 to get a £1500 grant. It is not just as good business now to give preference to the extent of £400 to a tenderer to the extent of £400 in the district?

Certain people when standing for a job on the last election had urged the tenderers to give local preference, and on the foot of the tender was "Printed in Carlton."

Cr. Newton: I am not a member of the council.

Cr. Roberson: I think no notice should be taken of the letter received from the council run from outside. It would appear that someone has been to Grogan's tender. Cr. Bennett: I don't think there are any certain figures which would be covered by the tender. Cr. Zwar: I don't think it is a charity vote. In the £400 Cr. Zwar's remarks is not better than a charity vote. Cr. Roberson: I don't think it is a charity vote. Cr. Zwar: I don't think it is a charity vote.

ALLEGES HUSBAND BEAT HER. OBTAINS MAINTENANCE ORDER.

Though only married for two years, the Lyndes, man and wife, have parted, Mrs. Lynde securing a maintenance order against her husband at the Preston court on Thursday.

George William Lynde, of Salisbury, Geo. Northcote, was charged by his wife, Ruby May Lynde, of O'Connor St., Reservoir, with deserting her and leaving her without means of support. Mr. T. Cahill appeared for Mrs. Lynde and Mr. E. F. Norris for the husband. Mr. Cahill said that the parties were married in December, 1928, the wife being 23 and the husband 24. Their married life had not been happy.

Mr. Cahill—Have you anything which to make a home?—No. Did you tell your wife you were making \$10 a week?—No. You told her you had a few pounds saved?—Yes.

How long have you been saving?—For about four months. An order was made that Lynde pay his wife £1/5/- a week for her maintenance, that he find a surty of £50 to comply with the order, and that he pay £2/8/6 costs.

FOOD PROSECUTIONS AT PRESTON.

TOWN CLERK IMPOSED ON. UNEMPLOYED MAN WHO WANTED MONEY FOR FARES.

Many business people and householders have been requested for help from persons representing themselves as unemployed, but seeking money for travel to go to a job. In a big percentage of the cases the person approached has given the help asked and the practice has led to a

Mr. A. Thomson, town clerk of Northcote, said—On October 20, at about 2 p.m., I was approached by Jones at the Presbyterian Church, Northcote. He said he wanted to see the minister about getting help to go to a job at Ballarat, and produced a letter signed "T. Sheers," which offered the bearer a job as a motor driver. Jones asked for 5/- to help him to go to Ballarat, which I refused to do.

UNEMPLOYMENT FUNDS URGENTLY NEEDED AT PRESTON

Things have reached a somewhat critical stage in connection with unemployment in and around Preston. Over 478 families were afforded relief, and Mr. Osborne states that a larger number still expected.

Quite a number of functions are being arranged with a view of adding to the funds.

Not Paid Officials.
It is considered advisable to authoritatively contradict sundry rumors to the effect that money is distributed in the payment of officials for carrying on the work in connection with the distribution of relief funds.

Ministry Party at Blackwood.

WHITTLESEA
Representatives of Epping, Yan Yean, Eden Park, Whittlesea and Glenvale met at Whittlesea on Wednesday evening for a proposed district picnic to be held on Saturday.

The district tennis association match commenced on Saturday in ideal weather. Whittlesea defeated Mernda by 10 games; Epping defeated Thomastown by 4 games; Yan Yean defeated Wollert by 11 games; Donnybrook defeated Reservoir by 17 games.

The shire cricket association opened its season on Saturday. Results: Epping, 7; H. Beney 7/81; and three for 63 (H. Ziebell 31; H. Beney 3/23); v Whittlesea, 36 (H. Ziebell 6/14; T. Day 4; Humevale, seven for 37.

The Presbyterian Church committee at Glenvale found it difficult to meet its obligations, so it was decided to discontinue services. The church folk are joining with Whittlesea.

Miss H. Duffy, in charge of the band of "Heralds of the King," is working hard training the little ones for a concert. The annual parcel for the mission station in Papua will arrive in time for Christmas.

On Thursday night the independent tribunal of the Bourke-Evelyn Football Association ordered that E. Hyland, of Whittlesea Football Club, stand down for three playing Saturdays for impugning the goal umpire. The protest entered by Whittlesea on the grant final between Epping and Whittlesea was postponed until Wednesday.

AMATEUR CYCLING.
Preston Amateur Club.—The Club were well represented in the sports meeting at the showgrounds last Saturday, prior to the 10th of the Sydney Melbourne road race. Amateur cycling, including tandem, mixed tandem, ladies' tandem, tradesmen's turnout and high bike races. His racing was fast and competition keen. Preston was again knocking at the door, V. Wood securing second place in both sprint and tandem events; G. Harris was second in tandem race. Tom saw the senior and junior road race championships will be decided on Penny road, in conjunction with a sealed handicap. The senior distance is 20 miles and the junior 10.

The Wednesday night amateur carnival will be resumed at the Motorcane next Wednesday, under the control of the V.A.C.U. Tomorrow the Saturday night carnivals by the Melbourne Carnivals will be resumed with a varied programme.

Arrangements are well in hand for a amateur sports carnival in the Preston Park in November in aid of the unemployed relief, under the auspices of the mayor and councillors of Preston. The programme will include foot racing by Preston Harriers, cycling events by Carlton, Northcote, St. Kilda and Preston amateur cycling clubs; also Preston and Collingwood Professional C.C. Amateur events include club races and a combined scratch race and handicap.—Mr. C. J. Grey, the V.A.C.U. handicapper, will handicap this event.

The schools in the district have been asked to send a representative team of 5 boys and 5 girls from each school for events for the following ages:—Under 10, 11, 12, 13 and over 13. The Preston Harriers will have control of running events. The head teachers are asked to endorse entry forms, so as to ensure correct ages. It is also proposed to establish a 20 mile juvenile road (male), grass track, under 12 years. Further particulars will be forwarded at a later date.

Mr. R. C. Harris, hon. sec. P.A.C.C. is hon. ex-officio the Preston Children's West Preston and Preston Junior Bands have been asked to render selections during the afternoon.

PRESTON CYCLIST'S GREAT RIDE.
A feature of the recent Sydney to Melbourne road race held in five stages of a total distance of 709 miles, was the sterling performance of the popular Preston professional wheelman, Frank Thomas. In the first stage, Sydney to Goulburn, Thomas had the misfortune to puncture three times, and fall twice. Despite this, our champion finished in tenth position. Several more punctures, then a bad crash, wrecking his machine, necessitating a delay of 35 minutes, in the second stage were enough to break anyone's spirit, but not so this rider, who dauntlessly continued on. His pluck was rewarded by winning the third stage after having punctured three times, from Fatty Lamb, the Australian road champion. In the fourth stage, Frank was runner up to O. Nicholson, after a strenuous ride, which finished in the dark. The fifth and final stage, from Shepparton to Melbourne, via Bendigo, a distance of 180 miles, found Frank Thomas riding on his best, with four other riders, J. Harrington, H. Opperman (Victoria), J. Bidd and J. Maclair (France). To get a break on the field at G. home, and doing the lion's share of work, managed to hold them off to the finish where he was beaten by 25 miles. For 250 lbs. by Opperman. By finishing fifth in the aggregate times for all the stages, Frank put up a wonderful performance. Fatty Lamb was second to the Frenchman in the team's section. Frank is a quiet unassuming young man, but to the last degree, and being a resident of Northcote, and a member of the Preston Cycling Club, his future will be looked upon with special interest.

MOTOR CYCLING.
Preston Club went to Hastings Road on Sunday. The run was incorporated with a sealed time run by Kellor and Gibson, Les. Martin being the winner. For the inter-club competition for side cars at the Exhibition Speedway, the club has selected H. Bennett (Norton) and J. Lamb. All members are asked to come along and see our boys do their bit. Our next official run will be to Watson's Creek, leaving Durrant's gates at 10 a.m. sharp.

The run next Sunday will be the start of the runs for the president's cup to be run on the points system.

Preston Free Library.—A great deal of interest was centred in the election of office-bearers at the annual meeting of Preston Free Library, held on Tuesday evening. The results were as follows:—President, Mr. C. T. Crisp; vice-president, Mr. E. Garford; secretary, Mr. Stephens; treasurer, Mr. Molloy; committee, Miss Gedge, Mrs. Thompson, and Messrs. Brown, McCormick and Castles.

Appeal for Gramophone Records.
SOME time ago an appeal was made through the columns of the "Leader" by Mr. W. N. Bunker secretary and organiser of the District Concert Party for gramophone records for the use of soldiers at the T.B. Sanatorium at Macon, who respond with most gratifying and generous replies. A further appeal is now being made and those having spare records for which they have no further use are asked to send them along to Mr. Bunker at 31 Bruce street, Preston. Mrs. W. B. Howe has kindly donated an album and a number of records.

Novelty Night.—The fancy dress and novelty night run by the Mother's Club connected with West Preston Thursday evening, October 22, was a great success.

IN THE GARDEN

VEGETABLE CULTURE

(By "Spring")

Root Crops Should be Sown Now.

The principal sowings of all root crops are made now and by doing so, a sufficient quantity may be grown to ensure supplies throughout the year. Carrots and turnips are always ready sown, and full use should be made of this seasonable month by making large sowings.

Slow turnips in an open spot for a summer crop. As quick growth is essential, keep the ground well cultivated, manured and watered. Radishes grow quickly and do not take up much space. Make successive sowings once a fortnight, and keep them large enough to two inches apart.

Make Open Ground Sowings of Melons, Pumpkins, Marrows, etc. This class of vegetable can be safely grown in the open ground this month. Pumpkins and squashes especially should be sown early, as the longer growing period they have the better they will fruit, and also keep.
