ALLEGED SHOPBREAKING AT THORNBURY

MOTOR PATROL MAKE EARLY MORNING ARRESTS

Two Men Committed for Trial

Making an early morning dash to a shop at the corner of St. George's road and Hutton street, Thornbury, the motor patrol arrested two men about 4 o'clock on June 21. Groceries, tobacco, etc., valued at £50, were found stacked in a motor car in front of the shop ready for removal.

At Northcote court on Tuesday Albert Schneider, Keon street, Thornbury, Bertram Bale, also of Thornbury, were each charged that on June 21, they did break and enter the shop of Thomas Wilfred Patterson and steal a quantity of groceries, tobacco etc., valued at £50.

Ethel Lillian Grimwood, spinster, Park street, Northcote, said: "I purchased a grocer's business at the corner of Hutton street and St. George's road, Thornbury, in January 1928 and on April 20 sold it to Patterson who remained there for about two weeks. I sold the stock and business for £200, and the goods in court are portion of that stock."

William Russell, ladies' hairdresser, St. George's road, Thornbury, said: "I garage my car behind the grocer's shop at the corner of St. George's road and Hutton street."

Accused Were at Party

On June 20 there was a party at my place at which Schneider and Bale were present. The men left for home at about 3 a.m. on Sunday morning.

Some time later that morning I was awakened by members of the police patrol, and I found my car was missing from the garage.

Cross-examined: This was a "wet" party?—Yes.

Bale arrived "slightly elevated"?—Yes.

There is a secret switch on your car?—Yes.

Thomas Wilfred Patterson, salesman, Bastings street, Northcote, said: "I took over a grocery business from Miss Grimwood on April 20 and remained there a fortnight. Then I left, locking the premises securely."

Cross-examined: There is litigation over the shop?—There is to be.

You left the shop?—Yes, under legal advice.

Patrol Constable's Story

Constable Figgins, of the motor patrol, said: "At about 4 a.m. on June 21 I went with Constable Smyth and other police to the corner of Hutton street and St. George's road, Thornbury."

On arrival outside the grocer's shop, Constable Smyth and I jumped over a fence at the rear. Against the fence, inside the yard, Constable Smyth caught hold of Schneider, saying: "What are you doing in here?" Schneider said: "I am caught. I will tell you everything."

I went into the shop and there by torchlight saw Bale crouching on the floor behind the counter. Beside him was a bag of groceries.

In another room a candle was burning.

"You Are Caught Red Handed"

I said to Bale: "You are caught red handed. What have you to say?"

He said: "I have been at a party

SEX EDUCATION

(To the Editor)

Sir.—In reply to Mr. Weissenfeld, I agree that Eugenics alone will not solve the problem of improving the race. Not for one moment would I suggest adopting the horrible sex-vice as practiced in Pagan Rome. If Mr. Weissenfeld had attended my lecture he would have understood my message from a different angle. My main plea was that Australia needed population—but only from the best stock—and not from the mentally deficient and weaklings. And further, it was pointed out that if Australia is to remain white we must fill this island continent with a healthy virile race. Let me point out that birth control is also known in the East, and practised considerably. I will admit that Eugenics is only an aid to the improvement of the race. Again let me state, we do not want to hear anything further of the abominations of Pagan Rome. Contraception is a necessary adjunct to modern civilisation. The use of contraception appliances and methods is not in any way murder. My friend

games were thoroughly enjoyed. Mr. Bramley proposed the health of Mr. Ferguson, who suitably responded. A most enjoyable evening was terminated by all joining hands and singing "Auld Lang Syne."

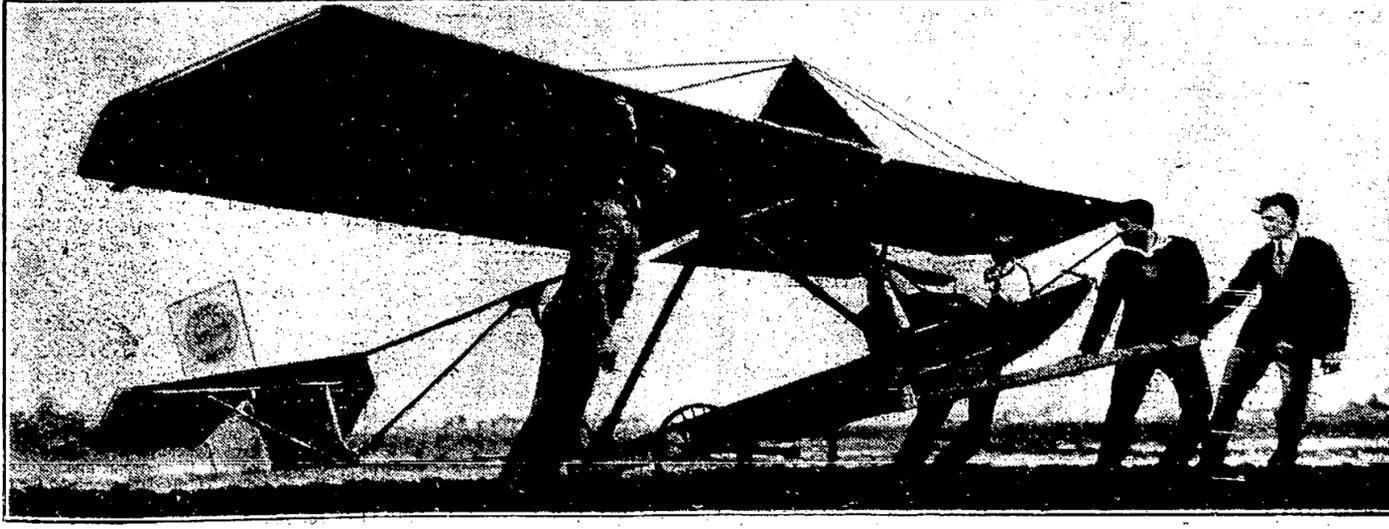

Mr. W. Fitzpatrick, who is president of the Northcote branch of the C.Y.M.S., has been appointed secretary of the Michael Davitt branch of the Irish National Trustees Northcote. Mr. Fitzpatrick is a well known resident of Westgarth.

The many friends of Mrs. M. Lewis, mother of Mr. Hector Lewis, of Park street, will be sorry to learn that she is again an inmate of the Homoeopathic Hospital. On Wednesday morning, whilst descending the steps at the rear of her house, she slipped and fell, breaking a leg. Much sympathy is expressed for Mrs. Lewis, who only returned from the hospital about a fortnight since.

Many Northcote friends will learn with regret the death of Mr. Thomas Wardell, at the age of 73, who passed away in a private hospital on Thursday evening, June 25, after a brief illness. Up to within a fortnight of his death, Mr. Wardell enjoyed the best of health. For over a decade he lived in Speight street, Northcote, and during his residence there deceased, with his wife and family, were actively associated with the Congregational Church. His remains were interred in the Brighton cemetery last Saturday afternoon in the presence of his family and several friends who gathered round the grave side to pay their final tokens of respect. The late T. Wardell leaves a widow and daughter (of Hampton) and two sons, Messrs. George and Will (of Preston).

is evidently confusing birth control by means of contraceptives, with the criminal offence known as abortion; and there must be many tens of thousands of these criminal acts performed every year in Australia and it is stated that something in the region of £1,500,000 per annum is spent in this way. Any man today who has studied these subjects must admit that the world would be better off without imbeciles. Certain imbeciles may be better off spiritually, for the reason that it was the only form of education they received. A man cannot progress in this world with spiritual development alone and further he can only believe, not think. I quite agree that there are brilliant men whose lives are a disgrace to humanity. Let me remind your readers that venereal disease is playing great havoc today and is a potent cause of insanity. Take alone syphilis, also known as "the unfortunate disease" so named in 1530 when Fracastorius published a poem, the central figure of which was a herdman named Syphilis, who had contracted this disease, which is responsible for 11.8% of deaths from diseases of the nervous system and blood vessels. Further, probably 95% of all premature deaths and stillbirths are the result of syphilis; and graphically point home the havoc this disease causes, which is only through ignorance; and remember, there is a great difference between ignorance and innocence. I have before me the case of a husband who went outside the marriage state just after marriage, and by such act committed adultery, according to the law of the State and the Church. He contracted the disease, and tragedy followed. The scourge was conveyed to the first born child, living only three years. The second child born died after one year and nine months. Then a medical man was consulted and treatment undertaken. While under treatment two healthy daughters were born; then treatment was not followed by the husband due to ignorance. Three sons were born. The first son, with congenital syphilis, was born blind; the second son, also with congenital syphilis, paralysis; and the third son, also infected developed epileptic fits. By education, these five useless children would not have been born. Even when the disease is contracted, by proper treatment it can be cured. The treatment of today is an exact science. Further, treatment is provided free by the State of Victoria at the Venereal Disease Clinic, and at all public hospitals receiving a Government grant. So there is no excuse for not being able to receive proper treatment. Many more such cases can be quoted. In conclusion, how many people in Australia are not practising birth control? For it must be admitted that those who do not exercise the great power of reproduction can be said to be practicing birth control.—Yours etc.,
Dr. Geo. Payne Philpots,
National Bank Chambers, 271

POINTED PROVERBS

5000 YEARS AGO
Some remarkable discoveries have been made by archaeologists who are digging among the ancient ruins of Chaldean. Recent additions to the British Museum have been obtained by Mr. C. L. Woolley, who has been digging in the ancient city from which Assyria migrated. The modern girl will be surprised to learn that she is imitating her sister of 5000 years ago. For ancient hair sticks were discovered among relics of the life before the Flood. They are of this fashion, set by Queen Shub Ash, who had jet black hair, a delicately shaped nose, and small mouth. The girls painted their mouths red and - undoubtedly - their eyebrows with black.

ALLEGED ASSAULT AT PRESTON

At the Preston court of Tuesday before Mr. E. R. Stifford, P.M., and Mr. O. A. Walker, J.P., Victor Jane Bradley, of Feder street, Thornbury, was charged with having assaulted Eva May Pearl on June 21.

The evidence of Mrs. Pearl was that Bradley went to her house in Regent street, Preston, on June 21, and was under a Mrs. Parham's agreement, and that after Mrs. Pearl entered into the house he pushed her over a sofa with the result that she fell to the floor.

Bradley denied ever having laid a hand on Mrs. Pearl, stating that he was not near her at the time alleged. After exhaustive evidence had been heard and witnesses called on both sides, the bench decided that defendant did not assault Mrs. Pearl, and dismissed the case, with £2,12/6 costs against the informant.

Mr. R. T. Coble appeared for the defence.

Glady Moncrieff at the Regent

A personal appearance will be made at the Regent Theatre, Thornbury, by Miss Glady Moncrieff, tomorrow (Saturday) night, when Miss Moncrieff, the star of many musical comedy successes, will give her beautiful voice full scope in popular as well as operatic numbers, and is sure to delight her audiences with her vivid personality and singing.

Notice is given in another column that Regulation 24 has been passed by the Council of the City of Northcote and came into operation on July 2.

By James and Hobson, at 1 o'clock on July 7, on the property, 31 Brooke street, Northcote, sale of household furniture. Particulars elsewhere.

NORTHCOTE MAYORAL BALL

CR. AND MRS. J. H. GREEN ENTERTAIN

Debutantes Participate in Brilliant Function

A brilliant scene was presented at the Northcote Town Hall on Tuesday evening when the mayor and mayoress of Northcote (Cr. and Mrs. J. H. Green) entertained about 600 guests at a civic ball.

Many mayors and mayoresses from the metropolitan municipalities came to partake of the hospitality of the mayor and mayoress, which was lavishly dispensed.

The decorations were in a setting of golden-amber and vivid electric blue, the ballroom presented a gay scene with its glistening chandelier pieces and orange streamers.

THE FROCKS

The Mayoress was a charming figure gowned in deep blue lace and georgette with brilliant buckle with a necklace of aquamarine, and her beautiful bouquet was arranged with orchids, dahlias, and ferns.

The debutantes were frocked in white and blue flowers and autumn leaves, tied to the waist with blue and gold ribbons.

At the interval the toast of "The King" was honored at the instance of the Mayor.

Tumultuous applause greeted the toast of the Mayor and Mayoress, proposed by Cr. S. Dennis.

In his duties the Mayor had been ably seconded by the Mayoress, and he was indeed fortunate to have such a splendid help-met.

Of Interest to Women (Conducted by "PENELOPE"). ROMANTIC CIRCLE. DUNBAR—O'DONNELL. FANCY'S FASHION. EVENING FROCK.

With the dignity of Nuptial Mass, the wedding was celebrated on June 22 at St. Joseph's Church, Northcote, of John Stuart, only son of Mr. and Mrs. Andrew Dunbar, Hazledan, Mount Dandenong, and Eileen Mary, second daughter of Mr. David O'Donnell and the late Mrs. O'Donnell, Edinvale, Gisborne.

Observation during many years has shown us that modern fashions move in cycles, and of late the change has been so drastic that we find almost the whole of our wardrobe needing revision to suit present day needs.

HINTS FOR THE HOME MODISTE

Here are some dress making hints that the amateur will do very well to remember: When cutting very sheer chiffons, fine silks or very soft fabrics, draw a thread in the cloth as a guiding line.

When the silk thread on the machine runs off the spool too quickly and causes it to tighten round the spindle, cut a piece of blotting paper or thick cloth, make a hole in the centre and slip on the spindle before the cotton.

Make neatness your aim always; neat finishings are no small part of success. So make your seams trim on the wrong side, as well as on the right, binding them or turning the raw edges in, or when the material is too thick to permit of either of these methods, pinning them, as the tailors do.

CHRISTIAN ENDEAVOR

At present the eyes of the Christian Endeavor world are being focused on the Pacific International Convention to be held in Sydney from August 19 to 25. It is anticipated that over 300 Victorian Endeavorers will attend. The Northcote and Preston District Union will have a delegation of thirty or more. The publicity officer of the local union is at present in Balmatide on business. He is expected to return early in the week.

On Saturday last, the Endeavorers of the South Preston Methodist Churches organized a combined street march and drive. The meeting in the afternoon was well attended and Pastor J. E. Thomas, president of the Victorian C.E. Union, was the speaker. After tea, about 150 Endeavorers marched through the streets inviting any interested to the evening meeting at the South Preston Methodist Church. The church was full when Mr. Cyril Cook assisted by several University men began the meeting. As the result of an appeal, 25 decisions were registered.

The Croxton Methodist C. E. Society celebrated its anniversary last Sunday. About 20 attended an early morning prayer meeting. At the morning service, the church was full. Rev. Walter Betts who gave a heart searching address entitled "What is Christianity?"

On Sunday last, a Junior Christian Endeavor Society was commenced at the Thornbury Church. Christ when 54 members were present. The superintendent is Miss Shirley Edwards, of Garneth, Preston, who is being assisted by Miss Woodgate.

Other societies to recently open are the Methodist Young Peoples' and the Diamond Creek Methodist Young Peoples' Society. There are now over 1200 members in the Northcote and Preston District Union.

The Half-Yearly Rally is being held in the Northcote Baptist Church on Tuesday next, July 7. The chairman will be Mr. W. Saunders of the Northcote Church of Christ and the speakers will be Mr. and Mrs. L. M. O'Brien of the Sudan United Mission. Mr. H. C. Dyer has consented to act as song leader.

Orange and Violet Sunday will be observed in churches in the Christian Endeavor Movement on Sunday, July 19. Gifts of oranges and violets will be received for presentation to the patients at the Austin and Fairfield Hospitals.

Although the weather of late has been extremely cold, the open-air meeting is being carried on at the corner of High and Smith streets every Friday evening. A special service of prayer meetings are being held at the Northcote, Church of Christ, and Ivanhoe Methodist Churches every Friday evening, commencing at 8 o'clock.

The results of the recent essay competition for Endeavorers in the district have just been announced. The Intermediate section prize was won by Mr. F. Kelly of the west Preston Baptist Society. The first prize in the Y.P. Section was carried off by Mr. E. O'Brien, with 16. Mr. D. Morgan of the west Preston Baptist Society, the adjudicators, Rev. D. E. Reeves, and for the Y.P. Section, Rev. F. J. Jennings.

Members are looking forward with keen interest to their annual convention on November 14, 15, and 16. The theme decided is "The Challenge of the Cross to the Youth of To-day." Difficulty is being experienced in obtaining a building large enough.

The Regent Baptist Intermediate Society is now producing a mimeographed monthly paper entitled "The C.E. Circle." Copies of this have been forwarded to Endeavorers in America, Asia, and to numerous friends in Victoria and Tasmania.

Love in the Mountains

By LAURENCE CLARKE (All Rights Reserved)

(Continued)

Not for a second had he hesitated. And yet in the fraction of time between his mind's receptivity of that frayed rope and the actual vibration of his voice upon the air, there surged in him the unacknowledged dark passions that dwell deep in the soul of every man. He had speculated. He had seen, and were his life's happiness pinioned upon that tiny frayed portion!

What if something happened? What if three and not four climbers descended into the valley of Graubisen? The thought seemed to shake his very sanity.

But then he had called, and even as he called he hated himself passionately for that fleeting, involuntary evil. His mind was filled with horror and shame.

Feltham! he shouted again. There was a strange hoarseness in his tone. Then from around the bend came a man in a high-crowned hat and a long, thin coat. He came forward, and silence that drew itself out ineffably. The rope before him that bound him to Feltham appeared to slacken strangely; then quietly its severed end dropped to the narrow path, and lay loose and inert.

The long drawn silence seemed to Templeton's nerves to be filled with awe and conquering mockery. He was as though those affronted tall peaks, having conquered once again, were mockingly and watchfully gloating in another victory.

"Has monsieur the courage to go on?" demanded Jean Renard. His voice shook as he spoke. "Yes," answered Templeton. "From that moment he moved as in a dream. Yet every nerve, steeled to the highest tension. Five minutes later he was at the bend round which Feltham had vanished before that awful cry pierced the silence. Acting implicitly under the directions of the guide, he compassed the buttress.

There was no sign of Feltham! When Jean Renard and his brother Oscar rounded the bend they found Templeton kneeling on the projecting edge of a narrow crevasse. He leaned up in mute question. "Jean shook his head. "It is no good, monsieur! The crevasse is deep—over two thousand feet—quite two thousand feet. He wiped his brow helplessly with the back of his hand. "But surely we can do something?" demanded Templeton. Then, swept away by the horror of the moment, he called aloud in to the narrow chasm, "Feltham! Feltham!" The echoes rolled and died away into silence.

Dear Cobbers.—At last Fluffy's arm is out of splints and bandages, and although it was very stiff at first, she is now beginning to use it without noticing the stiffness. The Pets have the knitting craze so next week I'll tell you how they are getting on and what they are making.

The Limerick Competition winner is in this corner, so look for it. A new competition begins next week. Wasn't it nice to see the sun again this week. Send along your Trina and contributions. Heaps of love from the Pets and your

LIMERICK COMPETITION The winner is Colin Stewart. The runner-up is Colin Stewart. The prize is a book. Thank you to the Pets and to the Limerick Competition winner.

WHY FISH-NEED AIR? If you have a small reef, they will soon die from want of oxygen, in exactly the same way as people or animals on land die when they cannot breathe. That is why fish bowls are made with wide mouths and why you have to change the water every week.

SHE GAVE IT TO HIM A man who had not been very good during his early life died, and went below. As soon as he got to the next region he began to give orders for changing the positions of the furnaces, and started bossing the crew generally. One of them reported to Satan how the new-comer was behaving, so Satan said to him: "Here, you act as though you were a man." "Certainly, I do," said the man, "my wife gave it to me while I was on earth."

THE AUSTRALIAN FLAG The small Union Jack that graces the top left hand corner of our flag is the national flag of the United Kingdom. It consists of the ancient cross on a blue background (adopted in 1787); St. George, a red slanted cross on a white ground, and St. Patrick's Cross, a red slanted cross on a white background. The six pointed stars generally adopted in the Commonwealth. Now, however, the large star has seven points, and marks the accession of Norfolk Island and Papua to the Commonwealth.

TRIA COMPETITION This is a class of their own, and three animals are to be entered. Each entry is marked on the top of this competition. The subject chosen is a wide range of things:—birds, insects, plants, animals, and things that can be made by hand. The prize will be given for the best entry. The prize will be given for the best entry.

BANTAMS I have five little bantams and they are great pets. When they were little chicks they were just like little hens. A bantam's egg is only half the size of a hen's egg but it is very rich and has a nice flavour. We then put hen's eggs under them and they look so funny running about with big chickens when they are mated out.

WEMBLEY Five years ago my mother, while on a tour through London, visited Wembley. Wembley is 9 miles west of London. There is a reading and writing room, where the Australian Pupils can be read. While looking at some papers my mother found a "Preston Leader." There is a cinema theatre there, a picture house, and a building 500 persons. In this theatre, films illustrating life in Australia and the industries of our country are shown. Wembley Exhibition Stadium is the greatest in the world. It was built in one year by 3,000 workmen and has accommodation for 125,000 persons. Its outer wall has a circumference of half a mile, exactly the length of the historic wall of Jericho. The space occupied by the Commonwealth Exhibition at the Wembley Exhibition is about 33 acres, of which the Australian pavilion covers about 31 acres.

A TRIP TO NATHANIA SPRINGS One morning my Uncle sent down by my cousin to see if we would care to go for a drive in their car. My father said we would, so we started off. We had dinner and started out. We did not know where to go at first and at last my uncle said we would drive to Nathania Springs. We had to pay for the car and for the petrol. We had a big full of different kinds of birds. We then walked round and saw the peacocks which were big and tall. We saw plenty of colored cockatoos and flowers and decided to go on a little further and came to a house. We had a surprise. "Hurray," shouted Bobby, "we are here. We will have some bread and milk and we will hang the bone on the apple tree."

THE WISH BONE But Biddy couldn't go to sleep that afternoon for thinking of the blue bird on the tree. "Now," she shouted at last, hurrying out into the garden where Bobby was playing with his toys. "Bobby, bring me the wish-bone. I want to see what I can wish for." Bobby was getting very red and sorry looking. "I don't know where the bone was your secret and I took it down and gave it to Fido. We shall ask cook for another one." "No, I want my wish-bone. I shall never see my blue bird any more. And then I shall see my dear wish-bone in the middle of her sobbing. I don't know where to go for the other side of the wall. Both the children peeped over the wall and they were looking at the blue bird. "The blue bird," she had come back after all and just as we were coming down the stairs we noticed Bobby had been dressed up as fairies, and they were jumping through hoops. We went on a little further and saw a man

Why is Dublin the largest city in the world?—Because it's always raining. Why is a grocer's shop like a calendar?—Because it contains dates. Why is a river lazy?—Because it never gets out of its bed. What is rich music?—A million air. Why is a raven black?—Because it has a black coat.

PROVERBS Waste not, want not. A stitch in time saves nine. Little brooks make great rivers. COMPLETE LIST: We live in deeds, not years; in thoughts not breaths; in feelings, not in figures on a dial. We should count time by heart-throbs, he most lives Who thinks, feels the noblest, acts best, wishes most to help his fellow. F. Power.

STORYETTES Had It Translated.—At a recent election a returning officer was questioning a Chinaman who had been naturalised. "What is your name?" asked the officer. "Cheong," answered the Chinaman. "What is your Chinese name?" demanded the officer. "No," said the Chinaman. "I have it translated into English. When you say my name," demanded the officer, growing angry. "Ah Cheung," said the Oriental.

AMATEUR ATHLETICS Members of the Preston and Northcote Club last Saturday had a good try-out for the coming championship races. A 5 mile course was selected, the last 2 miles being on the road. The pace was from the start, and in the run in C. Thorne had about 15 yards from F. Bates, with H. Story third. Thorne is showing improved form this season, and both he and the stylist Bates should do well in the club's 4 mile road race next Saturday. This race will start from Tyler street and Plenty road, and the turning point will be near the Mont Park gates. It is probably the most difficult 4 mile course in the metropolitan district. The winner last year was D. McEachern, with W. Weightman gaining fastest time. Trophies and certificates won during the season will be presented at the club dance at the scout hall on Saturday night. As the marathon race, which will be held on October 3, will advertise Preston and Northcote, the people of these two cities should advertise it. This event is important, as it is being held as an Olympic games trial, consequently many leading runners, Victorian and interstate, will compete.

WOMEN'S ATHLETICS At Preston Northcote Women's Club night held at the Preston Scout Hall an exciting game of basket ball resulted in a draw between S. Jones' team and N. Cameron's team, with 13 goals each. A further five minutes' play made Neil Cameron's team the winners, the final scores being 15 goals to 14. After many months with an unbeaten record the club captain (S. Jones) team was defeated. The girls are pleased at having discovered a new goal thrower, R. McChase, who shows great promise. Two new games, side pass and zig-zag ball, were tried.

RACE WALKING Brian Oke, of Ivanhoe, walked a fine race for a first year man, finishing fifth in the 15 miles walking championship on Saturday. Bert Cummins, of Thornbury, gained second place, and Neil Cameron, of Preston, was third. Oke has well up in the Murray cup competition, scores being—Mulcahy 58, Oke 52, and the next district man, 52, and is the best district man.

NORTHCOTE OUTPLAYED AT BRUNSWICK

FORWARDS FAIL IN HARD-FOUGHT CONTEST

Winners' Fast Systematic Display

LOCALS SHOW LACK OF CONFIDENCE

(By "Aequus")

By being faster to the ball, using greater dash and vigour, and playing with more determination throughout, Brunswick were able to give Northcote their soundest trouncing for the season last Saturday. Despite the herculean efforts of the captain, Percy Rowe, and a winning centre line, Northcote never looked like winning at any point of the game. The forwards were most disappointing and were no match for the sterling defenders in black white.

Northcote were weakened by the absence of Byrne and Cole last Saturday. Brunswick, a junior in Smith and Kemp took their place. Brunswick were strongly represented. The ground was heavy, especially in the centre, and a north-easterly wind blew across the ground.

THE TEAMS Northcote—Backs: Humphries, Cuckram, Hill. Half-backs: Smith, Briggs, Wood, Centres: Garrett, Corrigan, Nichols. Half-forwards: McSmith, Poulter, Dea. Forwards: Simmonds, Seymour, Kemp. Followers: Rowe, Goulet, Rover: Ross.

BRUNSWICK—Backs: Bright, Johnston, McNeill. Half-backs: Icar, Proudford, Thompson, Centres: Whitley, Pannam, Kennett. Half-forwards: Warden, Fraser, Dowling. Forwards: Eady, Beard, Rover: Fitz Gerald.

Umpires—Fleet: Glover, Houdon, Barlow, McLachlan, Kenyon, Kenny. At last Brunswick attacked and immediately scored. Fraser punting returned the ball to Northcote. Simmonds, rover, scored. The defence of Kinnear, Thompson, Johnston and Proudford was too good.

Cleaver Goal At last Brunswick attacked and immediately scored. Fraser punting returned the ball to Northcote. Simmonds, rover, scored. The defence of Kinnear, Thompson, Johnston and Proudford was too good.

Rowe was outstanding for Northcote. He played a lone hand in the defence for Brunswick and stayed on numerous assaults. Half-time scores: Brunswick: 4 goals 7 behinds (31 pts) Northcote: 3 goals 2 behinds (22 pts)

Outplayed Brunswick immediately asserted their superiority. Fitzgerald and Eady scored goals, followed by Warden and Pannam. Northcote were too slow and lacked confidence. Brunswick played a contained, winning game and never relaxed.

Northcote Outpumped The umpire was allowing great freedom, much to the delight of Northcote. Northcote were hanging back throughout the black and white's outburst. It was not until the second half that Northcote showed any signs of life. Seymour scored a goal for Brunswick. Northcote's only score was a goal by Seymour.

Northcote's Reply Rowe had much to do with a charge forward, but Simmonds' kicked miscellaneously. When Seymour kicked from McSmith first goal for Brunswick was posted. Seymour then snapped a point.

Splendid Umpiring Already the game was full of fire, with the home team doing the better work. Glover was umpiring excellently. Warden was responsible for Brunswick's second goal, and Dowling followed with a brilliant point.

Asterling Effort Northcote again surged forward and after Ross missed badly Rowe, working the ball forward from the half-forward line, had the satisfaction of seeing two flags waving. It was a sterling effort.

Poulter Injured Receiving an elbow in the face Poulter had to retire and later Honig took his place. Brunswick added another goal but had a chance to equalise. Seymour had only a single was added. Quarter time scores: Brunswick: 3 goals 5 behinds (23 pts) Northcote: 2 goals 2 behinds (14 pts)

Poor Forward Work Northcote commenced an incessant bombardment but could not break through. The defenders were too dash and strong for the press and gold forwards, and repeatedly left

PRESTON TOO STRONG FOR CAMBERWELL

RED AND WHITES LEAD FROM START TO FINISH

Heavy Ground Spoils Game as a Spectacle

DANNY WARR'S FINE EFFORT

(By "Emergency")

Preston visited Camberwell last Saturday and were successful in lowering the home team's colors, and incidentally winning their first match away from home this season. Owing to the amount of rain during the previous week the ground was in a very sodden state, making good football out of the question. A pleasing feature of the match was the fine form of "Danny" Warr, who pibetted six goals and gave a splendid exhibition both as rover and forward. "Bluey" Summers played his 89th consecutive game for Preston. About 1500 spectators witnessed the contest.

THE TEAMS CAMBERWELL—Backs: Jackson, Richards, Henderson, Healy, Jones, Hyball, Elliott. Centres: Clapp, Lathlan, Wallis. Half-forwards: Petrie, Collins, Strachan. Forwards: Cameron, Piper, Hughson, Ponchard, Mort, Rover: Halloway.

PRESTON—Backs: P. Spargo, Smith, Seelbeck. Half-backs: McEachern, Taylor, Reichman, Centres: Dowling, F. Spargo, Gall. Half-forwards: Cameron, Piper, Hughson, Ponchard, Mort, Rover: Halloway.

THE PLAY Preston had first use of the breeze and attacked on the bounce, but were repulsed by Ponchard. The red and white came again and scored a goal, following which he registered a first goal with a neat kick.

Warr on the Job Preston attacked strongly and Warr snapped a goal, and shortly after he scored another. Considering the nature of the ground, the standard of play was good. Ponchard was put in some good work in defence for Camberwell.

A continued bombardment on Camberwell's goal only produced minors. Petrie marked in the teeth of goal and collected. After a period of desultory play Cameron received from Gall and his long kick levelled the big sticks.

Camberwell looked dangerous for a while, but P. Spargo marked and cleared the goal. Quarter-time scores: Preston: 4 goals 7 behinds (31 pts) Camberwell: nil.

After five minutes' open account Camberwell opened their account with a goal. Preston then transferred play and Piper marked 10 yards in front, but failed miserably.

Collins Hit the Post Camberwell were not to be denied, and Collins was unlucky to hit the post. Luff then kicked the home team's first big point.

Danny Warr Shines Warr was playing exceptionally well and handled the greasy ball with confidence. He goalted from a free.

Preston were crowding the play on the back line, but Harvey passed to Callen, who made no mistake. Clapp was beating Dowling on the wing.

Soccer Rules It was useless to try and pick up the ball, and players on both sides were kicking of the ground. Henderson was playing a line game for Preston and repeatedly saved.

Good Defence by Ponchard Ponchard, at full back, was putting up a great fight and Warr, now in a forward pocket, was naturally under notice. The latter marked on the back and added another goal—his 8th for the day. Half-time scores: Preston: 7 goals 15 behinds (53 pts) Camberwell: 2 goals 2 behinds (14 pts)

Piper Replaced After the interval Piper, who had a badly bruised thigh, was replaced by C. Sims.

Preston went forward and Camberwell snatched a goal, which he followed with a goal by Petrie and a single by Luff.

Players Come to Blows Play had become vigorous and weight was freely used. Lathlan and bluffs were struck. The umpire cautioned the players and took their numbers. Camberwell scored a goal before Monahan, who was playing well, relieved.

Selfish Forwards Playing well together, Preston went forward and Collins coolly notched a major. Selfishness on the part of the forwards was proving disastrous. Warr obtained his sixth goal when the ball skidded through the legs of several players.

Inconsistent Umpiring The umpire at times was very inconsistent, and the game was becoming lifeless, no sparkle being infused. Three-quarters time scores: Preston: 10 goals 17 behinds (77 pts) Camberwell: 3 goals 4 behinds (22 points)

NORTHCOTE v BRUNSWICK

Northcote third on the list were at home Brunswick who, with Preston, held the premiership list. Spectators were treated to a fast and clean game, with the result that the score was level at half-time. Brunswick being victorious by a margin of six points. Owing to the number of injured players on both sides, the club was unable to send down the usual reserves, with the exception of D. Jones, who was sent down.

Despite Preston's big lead of 55 points Camberwell battled on gamely and made strenuous efforts to make good on the deficiency, and in this they were partially successful.

After Preston had rushed a point Luff stepped for the home team. Collins (Camberwell) was doing splendid work and delighted spectators with his play. Call had to receive attention from the trainers after colliding with an opponent. Camberwell attacked strongly, and although Seelbeck temporarily relieved, Mort marked.

Dowling injured Dowling was carried off after being felled heavily from a punt by Warr and ran into an open goal.

Preston Tire Preston were evidently tiring towards the finish, and Camberwell went ahead. A nice chain of marks ended in Mort goaling for Camberwell, which Murphy followed with a lucky sixer.

P. Spargo Saves Well P. Spargo was proving a thorn in the side of the home team. Camberwell's attack was cleared by his goal in great style. Harvey kicked the ball off the ground from 50 yards out, and fortunately it was loved. Preston added a behind just before the bell, leaving them winners by 38 points. Final scores: Preston: 12 goals 20 behinds (92 pts) Camberwell: 8 goals 6 behinds (55 pts)

Goal-kickers—Preston: Warr (6), Cameron (2), Davie, Cazaly, Collins, Mort (2), Petrie, Harvey, Murphy. Best Players Preston's best man was Danny Warr, who scored five goals. Spargo and Cameron performed well. Camberwell had a champion in Henderson, who played a great game all day. Ponchard, Petrie, Warr, and Collins were the pick of the others.

Player Reported Lathlan's conduct was reported by the umpire for having allegedly struck F. Spargo and having attempted to strike Summers.

Mackie's Clearance Again Refused For the fifth time this season Mackie made application to the Preston committee for a clearance to play with Callen. After brief consideration the request was refused, which will practically mean that Mackie will have to continue to play with Callen for the rest of the season.

Clearances were granted to Julien, who desired to go to Northcote; Callen, who desired to go to South Melbourne; and Hounour to Melbourne. Arrangements have been finalised in connection with the entertainment of Oalleigh players and supporters at the pavilion, Northcote Park. A ladies' committee has been formed to assist in this and similar functions.

Congratulations of the club are extended to Len Smith on his promotion to the reserves, although his transfer is a severe loss.

The committee is gratified to learn that Mr. Mayors has decided to throw in his lot with the Seconds for the remainder of the season. Fred Laxon, who travels by motor, has accepted the position of secretary for the club, as well as an acquisition to the team.

The committee is hopeful of obtaining a list of at least two senior men, who to qualify for the finals must play six games before August 20.

PRESTON v CAMBERWELL This match was played on the Croft street park. The ground was very wet and heavy. The game was never in doubt. Thornbury winning convincingly by 67 points. Scores:—Thornbury, 17-10; Camberwell, 10-3. Goals:—Thornbury: J. Gibson (7), Milhen (3), Peterson (3), Mustett (2), Woods, L. Gibson, Cathlam, Andrews (2), Healy (1), Norman, Edwards, McKenny.

Association Sub-Districts Croxton met Hampton at Croxton. The ground was in a state of repair. Croxton adapted themselves to the conditions much quicker than their opponents. Croxton led from start to finish, the final scores being:—Croxton, 12-14; Hampton, 6-10. Goals:—Croxton: W. Dowd, Mayfield, Hooper, Ward and Howe. Goal-kickers: Croxton: Dowd (4), Mayfield (3), Hooper (2), W. Dowd (1), Mayfield (1), Hooper (1), Ward (1), Howe (1).

Northcote Rovers v Kingsville Northcote Rovers, who were successful in scoring last week when they journeyed to Kingsville. The latter club secured the lead in a first three goals and ran out winners of low scoring but well contested match. Final scores:—Northcote, 6-10; Kingsville, 3-6. Goals:—Northcote: Rovers (2), Deakin (2), Burgess, Dunn, P.W.P., Marshall.

Thornbury v Cathedral The above teams met at the Fitzroy racecourse, on a ground which was very wet and heavy. The game was never in doubt. Thornbury winning convincingly by 67 points. Scores:—Thornbury, 17-10; Cathedral, 10-3. Goals:—Thornbury: J. Gibson (7), Milhen (3), Peterson (3), Mustett (2), Woods, L. Gibson, Cathlam, Andrews (2), Healy (1), Norman, Edwards, McKenny.

Prince of Wales Park v Mabro A return match between Prince of Wales Park Methodists and Mabro (Mabro Bros., Richmond) was played at Hayes Park on Saturday. The feature of the match was the splendid play of the back men of both teams, up to half-time only one goal being scored. By Mabro, whilst owing to weak forward work and lack of kicking power by the centre, and other factors, they were unable to score until the last quarter Mabro added three goals and ran out winners of low scoring but well contested match. Final scores:—Mabro, 6-10; P.W.P., 3-6. Goals:—Mabro: W. Dowd (2), Burgess, Dunn, P.W.P., Marshall.

Thornbury District v South Port Melbourne Thornbury journeyed to Port Melbourne on Saturday to play South Port Melbourne. The game was hotly contested throughout. South Port established a six goal lead with the wind in the first quarter, which they held until half-time, when Thornbury considerably reduced the lead. The back lines were standing up to it but they failed across the centre, while their forwards were always behind the play. The ground was of a very sandy nature, to which South Ports were more accustomed. However, Thornbury's form was disappointing. Final scores:—South Port, 10-12; Thornbury District, 6-10. Goals:—South Port: Port, W. Dowd, McKenna, McKenna, Port, Dobson, McColl, K. Smith; goal-kickers: McKenna (3), McColl (2), Allen (2), Williams, Robertson, D. Smith, G. Thompson was Thornbury's best man, and got more than his share of knocks and kicks. Others to show out were J. Cleary, E. Hart, H. Jackson, J. Cassidy (a forward from Thornbury C.M.S., who should be declared a regular player), D. Hills, Goal-kickers were Hills (4), Clark (2) and Cassidy. After the match three South Port players were reported. As a result of this match Thornbury drop from second to third position. E. Harnden will be an absentee for a few weeks. THE CORNER STONE OF RECONSTRUCTION

At the erection of all state and municipal edifices it is customary to lay the foundation stone at the north-east corner of the building. We are building today the most splendid super-structure humanity has ever wrought—a new civilisation. Where are we placing the foundation stone? The great war revealed the futility of the materialistic civilisation on which we prided ourselves. The post-war disaster of world-wide unemployment is undeniable evidence of the incompatibility of lasting progress and prosperity with materialistic aims and ambitions. The social order today is in a state of flux, and mighty changes are affecting the nations in the direction of renouncing autocratic government and accepting democracy in one form or another. International leagues and peace unions have arisen to ward off the danger to humanity threatened by material science of race annihilation. In our scientific mastery of the secrets and command of the forces of nature we have outpaced our moral and spiritual development. Changes are inevitable. Trade Unionism, Communist—has its own formula for reconstruction, and in the tumult of warring panaceas progress is painfully slow. Every party offers a solution on more or less economic lines, but if reconstruction aims at merely providing the people with material comforts, with improved physical conditions of living, then disunity and disharmony and disintegration will inevitably continue. The whole trend of social reconstruction is in the direction of democracy and socialism, but a democracy in which the people put the best men in places of power and responsibility, and in which equal consideration is given to all. This is fundamentally a spiritual conception, based on the unity of life, and will not be achieved until democracy has a right conception of life, an inward and spiritual conception of God and of human nature, a conception of God as the soul of the universe and the soul of the individual man. If He dwells in the heart of man, then He is the true self of each individual. He is the unity which we share with all other men, and we live only in that unity by dying to every self which severs us from it. "Equal consideration for all," the formula of the new democracy, is a vivid realisation of unity, far more real and vital than the "Equal Rights, Fraternity" slogan of the French Revolution. In what are men equal? Not in birth, or faculty, nor in opportunity. But in the infinite possibilities which each, in latent divinity which shall one day be perfected. If democracy is to lead mankind to a kingdom of happiness, it must express and use spiritual as well as material methods; must present to mind and heart ideals which will lead the way to spiritual liberation for all. Hence the reconstruction of religion must precede the building of a new civilisation. Religion, or the search of God in the heart of man for the nurse and goal of his being, is the corner stone and foundation of sound civilisation. With knowledge of the source and goal of life we can build a true social order, while knowledge of the purpose and process of life shows the way to plan by which we progress. Right spiritual conception and aspiration, hand in hand with right education to aid men in their achievement, are the fundamental principles for sound reconstruction, the King's highway to progress and happiness for all.

A number of parents were fined this morning ranging from 2/ to 10/ at the Northcote court on Tuesday. One of the Northcote failed to send children to school. Prisoner Sentenced.—John Heron Vincent, aged 18 years, laborer of Fairfield, who pleaded guilty to a charge of attempted housebreaking, was committed to a reformatory during the Governor's pleasure by Judge Mindoe at General Sessions last Friday. A bicycle rider without a light after dark is the greatest menace on the road these days. Mr. C. G. Browne, P.M., at Northcote court on Tuesday. "I would like time to pay this fine of 10/," said a delinquent at Northcote court on Tuesday. "I have been out of work for 2 years and I have a wife to keep." He was allowed 4 days.

PERSONAL

Residents are invited to forward to the Editor, paragraphs for insertion in this column. All copy should be in the name and address of the writer, as a guarantee of good faith.

Mr. D. McIntyre, connected with Preston Postal Department is away on three weeks' leave. Mrs. A. Rooney of Mansfield is the guest of Mrs. K. D. Bennett, 470 Plenty road, Preston. Edith street, Preston will be pleased to hear he has resumed duties after his serious illness. Mr. C. Albert E. Newton, manager of Messrs. J. C. Hutton's Preston factory, is enjoying three weeks' holiday.

Mr. Meehan, a member of the teaching staff at West Preston State school, has resumed duty after being absent on sick leave. Mr. J. H. Warren, B.A., headmaster of Tyler Street State school, is suffering from a sprained ankle. Mr. and Mrs. George Buchanan, of Northcote, Northcote received a visit from the store on July 3, and are the proud parents of a daughter. Mr. and Mrs. G. A. Callender, of 583 High street, Preston are presenting congratulations on the advent of a little stranger who arrived on July 5. They have named him John Donaldson.

At the ripe age of 71 years death has removed a well known resident of Alhambra in the person of James Frederick Orders, of Fulham road. He leaves a widow and an adult family. Mr. J. G. Membrey, of Queen street, Preston has been appointed chairman of the committee of management of the Queen Victoria Infectious Diseases Hospital, Fairfield, in succession to Dr. Newman Morris. Col. W. H. Scott, city surveyor to the Preston council, has commenced three weeks' leave. He is at present paying a flying visit to Tasmania, and will probably on his return visit Wangaratta, accompanied by his wife and family.

When Mrs. Mattie Lloyd, of Frank street, Preston, arrived home for tea on Saturday last she received a pleasant surprise. It being her 21st birthday Mrs. Lloyd gathered together some overseas friends to fittingly celebrate the occasion. The death has occurred at the advanced age of 88 years of the Rev. Cadwalader Thomas. At one time he was vicar of All Saints' Church, Northcote, but has since retired to a quiet life in the country. Mrs. Thomas died about twelve months ago. The family comprise four sons and two daughters. The clergy of the Melbourne diocese have formed a social club for ministers, which will be accommodated in a room in the Cathedral buildings, fitted for their use. Rev. T. Cole, of the Church of the Epiphany has been elected to a seat on the committee of management.

There passed away to the Great Beyond on July 12 at 88, Erin street, Preston, Mrs. Louise Sarah Jean Horsley at the age of 72 years. Her husband predeceased her by some years. Members of the family are: William Percy Lewis, Roy (deceased), Gladys (Mrs. Kennon), Kenneth (deceased), and Colin. There passed away at her residence, Dundas street, Preston on Tuesday, Mrs. Bridget Maria Cashman, widow of the late James Cashman, at the age of 70 years. Members of the family are: Bert, James, Mary (Mrs. Ludman), Thomas (deceased), and Edward. The interment was made at the Heidelberg Cemetery on Thursday. Illness at his residence, 82 Rossmoyne street, Thornbury, Mr. Henry F. Spong, a well known resident, he leaves a widow and members of the family are: Herbert (Thornbury), Mary (Mrs. Williams, Tasmania), Hilga (Mrs. Scott, Preston), Lily (deceased), Edward (deceased). A delightful afternoon which took place at the home of Mrs. Alf Bean, Oakhill avenue, Regent last Saturday. The artists were Miss Bolla, Miss Fletcher, Mrs. Herd, Miss Graham, Miss Mason, and Misses W. and B. Lorie. 25 was realised from the sale of gifts, which will be used to help young unemployed men, who are not receiving assistance from their parents. Mrs. Bean was thanked for the dainty afternoon tea.

CORRESPONDENCE

THE ELECTIONS

(To the Editor) Sir,—Through your columns, with your permission I wish to thank the Reservoir residents who have thought well enough of the interest I have taken in the welfare of Reservoir as a candidate for the coming West Ward elections. I appreciate the goodwill shown, but regret that the time is not yet ripe when a Reservoir resident can hope to convince the remaining West Ward ratepayers that his claims are worth considering. I trust that I shall still be able to give my services for the betterment of Reservoir in the humble guise of a deeply interested ratepayer. Your etc., THOS. R. CLINICK 147/7/31.

PRESTON FOOTBALL CLUB GATE RECEIPTS

(To the Editor) Sir,—References have been made in the metropolitan press to the dissatisfaction expressed by two visiting clubs concerning the share of receipts allotted to them at the match at Preston. These reports are damaging to the Preston Football Club, and if not refuted may cause incalculable damage to the club. I warranted the following facts will show.

Entrance to the Preston home matches is effected by production of member's ticket (which is punched). The turnstile registers the number of tickets or tendering passes for players, trainers, police, etc. The only officials handling cash are those who check the tickets and tendering operators. In each instance the turnstile register or the numbered roll tickets is an effective check. Before the end of the match the ticket office takings and change are checked the turnstiles are cleared and registers checked under police escort. The contents of each turnstile are placed in separate numbered bags which are sealed. All takings are later transferred under escort to a local bank for safe custody until Monday. On the Monday following the match the receipts are sent to a local bank for safe custody until Monday. On the Monday following the match the receipts are sent to a local bank for safe custody until Monday.

The final check is made by the treasurer when comparing the turnstile registers with the receipts banked from the corresponding sealed bags. Then the net receipts are allowed in the following order: (1) entertainments tax; (2) grounds management expenses (umpires, gate money, advertising); (3) City Council and Victorian Football Association; (4) the participating clubs in equal shares. The gate takings disclosed in the previous returns coincide with the amount paid into the bank under the supervision of the police. The Preston Football Club therefore welcomes any investigation from any responsible body into this matter. It is a pity that the visiting conditions have prevented the club from establishing the patronage accorded to itself in former seasons and a consequence the takings have suffered. As honorary auditor of the club I was present when each of the disputed returns was compiled and assured myself of the accuracy of the statements as prepared. I can give an unqualified and reliable opinion that the Preston gate takings are disposed of in the correct manner.

SEX EDUCATION

(To the Editor) Sir,—In reply to Mr. Weissenfeld in your issue of July 10, let me state that he has only put forth a lot of exploded fallacies and platitudes, advocated by those who have practised birth control all their lives. It would be interesting to know the scientific qualifications of "butts" on this subject. Let me point out that Holland has been interested in the sale of gifts, which will be used to help young unemployed men, who are not receiving assistance from their parents. Mrs. Bean was thanked for the dainty afternoon tea.

UNEMPLOYMENT

MATERIAL FOR CLOTHING

Cr. Zwar Seeks Council Grant At the meeting of the Preston council on Monday evening Cr. H. P. Zwar spoke of the extreme need for clothing amongst the unemployed, and that boots and clothes were urgently required. He said that he had been fortunate in securing a grant from the council for the purchase of clothing for the unemployed. Visit of the M.W.G.C. Bro. F. J. Greig At the meeting on July 7 the Victorian grand master and his officers paid an official visit. Replying to a vote of welcome Bro. Greig paid tribute to the attendance and management of the Northcote branch. He is pleased to be able to attend the meeting which has such a large number of young office-bearers and members attending the lodge. Later he presented to members several presentations to members and trophies won by members of the lodge club (runners up the Northcote and Preston Association, third grade). Presentations made were a handsome framed photograph, R.W.M. emblem, a watch, a pair of binoculars, a pair of glasses, and a highest score to W. Taylor, known as "Raphael"; best junior player, Rev. P. J. Greig; and best player, W. Whitaker. After the meeting the Grand Lodge officers were entertained at a dinner at the club. The cost was spent by all. The illustrated issue for August 18 will be "A Travelogue" and not a world trip, as announced.

Ladies Realm

(Conducted by "PENELOPE")

To celebrate the coming of age of their eldest daughter, Kathleen, Mr. and Mrs. H. A. Rodway, of 539 High street, Thornbury, gave a social evening at their home on June 27. About 40 guests were present, and the evening was enjoyable spent in dancing games and singing. The soloists were Misses Dorothy Cummins and Kath. Rodway and Mr. Bill Oliver; and Miss Jean Buncle and Mr. A. Rodway were the accompanists. Miss Kathleen Rodway wore a charming white satin frock, falling in flares to the ankles; and Mr. A. Rodway was robed in black lace over pink nylon and Miss Loretto Rodway was gowned in pink georgette with a basque of pink moire. The evening was a success and was decked with festive poppies and gum tips and on the supper table stood vases of pink heath and fern. The evening was carried out successfully by Mrs. A. Wright, of High street, Northcote. At supper Mr. Rodway proposed the toast of Miss Kathleen Rodway, and Miss Loretto Rodway responded. A most pleasant evening was terminated by all singing "Auld Lang Syne."

FANCY'S FASHION

No. 3486 This week we turn our attention to the wants of the smaller and younger members of the family, and we are offering for their approval a charming and stylish coat for spring wear, on a double breasted lines, and featuring the inverted pleat at the centre back, a style that is extremely popular just now, and of which silk forms the main attraction. The little coat shown in the illustration is one that should appeal to the ladies who prefer their own clothes, rather than choice or necessity. With a good pattern such as the one shown, it is quite a simple matter to turn out a modish and up-to-date coat at very small expense. The fact is surprising the amount that can be saved in a year by making up one's own materials at home.

NEEDLEWORK BAGS

Ready fitted work tables and baskets are the most convenient to acquire, but a satisfactory substitute can be contrived at small cost and little labor. The only materials required being a piece of plain white canvas or wicker basket, a piece of pretty silk, a yard or so of silk cord, and a little stain, paint, or gilding. A basket with handles is to be preferred for convenience in carrying, and it may be either deep, or shallow, and of any shape. A pretty example was recently contrived by adapting a disused layette basket to the purpose. If the basket is of plain white canvas or wicker it will look much prettier dressed in a coat of gay enamel in laquer red, blue, or royal blue, or, if preferred, it may be effectively stained and varnished. When the basket is dry, a draw cover made of the new tweeds, attractive taffetas or flowered cretonne, and sewn firmly round the inner edge of the basket, care being taken to cut the strip wide enough to cover the contents of the basket when the free edge of the strip has been turned up and pinned to the sides. The pattern is No. 3486 and is suitable for making in any of the new season's coatings. The collar is made of a silk cord, and is fastened by a button. NEEDLEWORK BAGS

Ready fitted work tables and baskets are the most convenient to acquire, but a satisfactory substitute can be contrived at small cost and little labor. The only materials required being a piece of plain white canvas or wicker basket, a piece of pretty silk, a yard or so of silk cord, and a little stain, paint, or gilding. A basket with handles is to be preferred for convenience in carrying, and it may be either deep, or shallow, and of any shape. A pretty example was recently contrived by adapting a disused layette basket to the purpose. If the basket is of plain white canvas or wicker it will look much prettier dressed in a coat of gay enamel in laquer red, blue, or royal blue, or, if preferred, it may be effectively stained and varnished. When the basket is dry, a draw cover made of the new tweeds, attractive taffetas or flowered cretonne, and sewn firmly round the inner edge of the basket, care being taken to cut the strip wide enough to cover the contents of the basket when the free edge of the strip has been turned up and pinned to the sides. The pattern is No. 3486 and is suitable for making in any of the new season's coatings. The collar is made of a silk cord, and is fastened by a button. The collar is made of a silk cord, and is fastened by a button.

MOTOR CYCLING

East Preston Club Results of recent petrol consumption test are:—S. M. Cordell, 30 B.S.A., 148 m.p.g.; D. Dawson, 20 A.S., 154 m.p.g.; W. Parry, 48 B.S.A., 108 m.p.g.; Sidcay, L. Ludeman, 1265 Ace, 61 m.p.g. The football match with Queenswood has been postponed. Next run is to take on Saturday, July 19. A team will be entered in the Harley Match trial. All members intending to take part will leave the clubhouse at 8.30 a.m. on Sunday to inspect part of the trial course. The club is making good progress, despite the bad weather. The club claims that it is the oldest established motor cycle club in Preston, and is the only local club affiliated with the A.C.U. The clubhouse are at the rear of Mr. L. Durran's garage, 129 Plein road, Northcote, and is the property of Mr. A. L. Ludeman, 12 Galloway street, Preston.

NORTHCOLE FREE GARDENERS

Visit of the M.W.G.C. Bro. F. J. Greig At the meeting on July 7 the Victorian grand master and his officers paid an official visit. Replying to a vote of welcome Bro. Greig paid tribute to the attendance and management of the Northcote branch. He is pleased to be able to attend the meeting which has such a large number of young office-bearers and members attending the lodge. Later he presented to members several presentations to members and trophies won by members of the lodge club (runners up the Northcote and Preston Association, third grade). Presentations made were a handsome framed photograph, R.W.M. emblem, a watch, a pair of binoculars, a pair of glasses, and a highest score to W. Taylor, known as "Raphael"; best junior player, Rev. P. J. Greig; and best player, W. Whitaker. After the meeting the Grand Lodge officers were entertained at a dinner at the club. The cost was spent by all. The illustrated issue for August 18 will be "A Travelogue" and not a world trip, as announced.

THREE CHARMING STYLES

Three charming and practical styles for present wear are shown by Jun. Collier in our fashion picture, "Dude Ranch." Satin, in a lovely shade of pale pink, is the material for evening wear. The fashion is one of the many chic gowns worn by Miss Collier. The bodice adopts the bolero design, and the skirt is made of a soft, flowing fabric. GEO. WAYNE PHILPOTTS

Ladies Realm

(Conducted by "PENELOPE")

To celebrate the coming of age of their eldest daughter, Kathleen, Mr. and Mrs. H. A. Rodway, of 539 High street, Thornbury, gave a social evening at their home on June 27. About 40 guests were present, and the evening was enjoyable spent in dancing games and singing. The soloists were Misses Dorothy Cummins and Kath. Rodway and Mr. Bill Oliver; and Miss Jean Buncle and Mr. A. Rodway were the accompanists. Miss Kathleen Rodway wore a charming white satin frock, falling in flares to the ankles; and Mr. A. Rodway was robed in black lace over pink nylon and Miss Loretto Rodway was gowned in pink georgette with a basque of pink moire. The evening was a success and was decked with festive poppies and gum tips and on the supper table stood vases of pink heath and fern. The evening was carried out successfully by Mrs. A. Wright, of High street, Northcote. At supper Mr. Rodway proposed the toast of Miss Kathleen Rodway, and Miss Loretto Rodway responded. A most pleasant evening was terminated by all singing "Auld Lang Syne."

FANCY'S FASHION

No. 3486 This week we turn our attention to the wants of the smaller and younger members of the family, and we are offering for their approval a charming and stylish coat for spring wear, on a double breasted lines, and featuring the inverted pleat at the centre back, a style that is extremely popular just now, and of which silk forms the main attraction. The little coat shown in the illustration is one that should appeal to the ladies who prefer their own clothes, rather than choice or necessity. With a good pattern such as the one shown, it is quite a simple matter to turn out a modish and up-to-date coat at very small expense. The fact is surprising the amount that can be saved in a year by making up one's own materials at home.

Northcote Notes

A.W.A.
The fortnightly meetings of the A.W.A. are still being held at the Twa Hall council room but it is expected that the arrangements for a new lodge room will soon be completed. At the last meeting on July 11, a large attendance was in evidence and at the conclusion of the meeting the members were entertained by Mr. Schwabach, who gave an enjoyable evening. All members and intending members are cordially invited to the next meeting on July 18.

Star of Northcote I.O.R.
The fortnightly meeting, on July 10, was well attended. Bro. E. Webb, G.R. presiding. Two clearances were granted. The G.R. reported on the progress of the speakers' class conducted by the district officers, which was largely attended and very interesting. The B bowls team reported having defeated Fitzroy by 16 to 0. After business had been dispensed with the indoor bowls competition was advanced a further stage. The A team defeated Ivanhoe by 16 to 7. The B team met the Ladies B, but after an even start the girls secured the victory by 16 to 7. The syllabus item for next meeting (July 23) is another of the indoor bowls competition, which is a popular among the members.

Crushed by Telegraph Pole
While unloading telegraph poles from a timber jinker of the Tumbur Transport Company at Lower South Wharf on Monday Hugh Owen, 52 years, of Pender street, Northcote, was crushed by a telegraph pole when it slipped off and rolled over him. Owen had hold of one of the poles when it slipped and he was thrown into a gutter. Two poles fell over the jinker and rolled over the top of him, but another pole, which was attached to the jinker, struck him on the head. He was admitted to St. Vincent's Hospital.

Crushed by Fire Alarms
The Northcote fire brigade received four calls during the week, but upon attending found that the glass in the instruments had been broken and the machines run down. Apparently the heavy penalties imposed have deterred false alarms.

At the Town Hall, Northcote, on July 23 the Northcote debutantes are holding a Ciderella dance in aid of the Central Unemployed Relief Fund. Music will be supplied by the B.B. Orchestra, and supper is included. Miss K. Brewer and Mr. Max Duvall are the joint hon. secretaries, and Mr. G. Wallington the treasurer, from whom tickets may be obtained.

Narrow Escape from Catastrophic Fire
On July 3 the timber yard of Messrs. Page and Son, at Alphington narrowly escaped destruction by fire. A quantity of saw-mill refuse, used in firing the boiler, which caught fire, and the building was threatened with destruction. The Northcote fire brigade quelled the outbreak. The property, which is owned by Mrs. G. Page, was not damaged.

Milk Supply and Public Health
Recently in a general reference by Dr. Dale, medical officer of health for Melbourne, it was stated whether the damp areas were a contributing factor to the spread of the diphtheria germ. In this connection it is particularly noticeable that a continued number of the following portions of the North ward of Northcote, the more so where cows are still permitted to graze. Apart from the nuisance occasioned to other residents and damage to private and municipal property, the milk supply from these cows may constitute a dangerous menace to the locality. The animals cannot possibly obtain the correct pasturage from the various public parks, as the general public has access to these open areas, the cows graze where less than the proper garbage, and where children seek recreation, some of whom are doubtless infected with the germ. Under these conditions can it be wondered that the number of tubercular and contagious diseases are not on the decline?

FITZROY RACECOURSE
Under a provision in the Racing Control Act 1929 the State Executive Council has agreed to a continuation of the racing and trotting at Fitzroy and Richmond Racecourses. One of the provisions of the Act is that the racing courses should be closed on July 31 when the current racing year ends, but power was given to the Chief Secretary to grant an extension if improvements to be made to Ascot course were not completed by that date.

The Fitzroy Racecourse is in St. George's road, Northcote.

PRESTON MUNICIPAL ELECTIONS

LITTLE ACTIVITY
So far there has been little activity as far as municipal elections are concerned. Mr. W. H. Turner is making preparations to fight a stiff campaign in the West Ward but so far no opponent has been announced against him. He is taking no chances however, and has organised a strong committee.

In the other wards there is little activity, but as nomination day is still a couple of weeks off, anything may happen.

Members who retire through effluxion of time are—South Ward, Cr. S. Pinkey; East, Cr. A. H. Ollis; Central, Cr. A. J. Cornish; West, Cr. W. H. Turner; North, Cr. M. C. Jones.

LIKELIHOOD OF CONTESTS IN THREE WARDS
There is a likelihood of contests in the whole three wards at Preston. The retiring councillors are—Central, Cr. W. Spratling; East, Cr. J. Walsh; West, Cr. Llewellyn Jones.

Central Ward
There are already three candidates in the field. Cr. Spratling is seeking re-election, and Ex-Cr. Crispie and Mr. E. W. Norris have announced their candidature. Cr. Spratling was elected for a first time two years ago, and his term is drawing to a close through effluxion of time. He won the seat from Ex-Cr. Pratt.

Mr. E. W. Norris is a newcomer to municipal affairs, but as a citizen, has taken an active interest in the public affairs of the ward. He is a barrister and solicitor, and his legal training should stand him in good stead.

West Ward
So far two candidates have been mentioned in Cr. L. Jones and Mr. R. T. Cahill. Mr. Jones has represented the West Ward for something like 16 years, and is the present holder of the council seat. He also represents the council on the Board of Works, being a member of the Water Supply Committee. He has gathered a strong committee and is preparing for a keen fight.

Mr. Cahill, a barrister and solicitor, has taken an active interest in public affairs. His forensic abilities are well known.

East Ward
In the East Ward, Cr. Adams is seeking re-election. So far he has no opposition, but a lot may happen between now and August. There has been some talk of possible candidates, and the names of Mr. F. Ludlow and Mr. T. Anderson have been mentioned, but so far nothing definite has been announced.

Cr. Adams has been a member of the council for 16 years, during which time he has devoted much time to the supervision of the erection of the new municipal buildings; advocated the purchase of parks etc.

CR. ADAMS' CANDIDATURE
Recently a deputation of some 40 representative ratepayers of the East Ward waited on Cr. Adams, with a request that he again contest the seat. After some consideration Cr. Adams consented and a strong campaign committee was formed to further his candidature. Members of the committee are Mr. C. W. Jenner, chairman; Mr. A. Foster, secretary; Mr. Bruce T. Callaway, Mr. Rogeron, Mr. Bushell, L. Cochrane, T. Letchford, W. Ward, C. Morgan, Mr. G. Cartwright, Mr. Anderson, G. Priest, H. Pegram, J. E. Haxby, W. Foley, W. Fitzgerald, Mr. W. J. Morrison, E. Bryant, C. Whittle, A. Fry, C. Cameron, V. Uhm, R. Luscombe, G. James, Mr. A. Hopkinson, J. Adams (Jr.), Messdames B. Moulder, W. Ludeman, A. J. Dennis, Ray and McGregor.

Cr. Adams has represented the East Ward for 10 years, and has been a resident of Preston for 46 years. He has lived in the East Ward. He is manager of the Glen Iris Brick Works, and also of the Baking Brick Works, and has had considerable experience in building and engineering. During his period of office he has been chairman of the council for two years, and has been chairman of all the council committees, except times and he has also represented

the council on the Weights and Measures' Union, for the past eight years. He has played a prominent part in many city improvements, such as electric light extensions, use of better mechanical plant, introduction of by-laws, drainage and sanitary matters etc. At all times he has been a keen advocate for the purchase of park lands for breathing spaces, and for the laying out of gardens and of playgrounds for children. Quarry improvements have been brought about by his efforts, resulting in the cheaper production of metal. Amongst the many improvements

advised by the council, he has supervised the erection of the following in an honorary capacity:—Band rotunda and Press box, Preston Park; erection of City Hall and conveniences; electric light office extensions; alterations and additions to City Town Hall; new offices for Engineer's department; supper room, kitchen and appointments for new City Hall; scout hall, Baby Health Centre and many others.

Cr. Adams has been an active member of the East Ward Progress Association since its inception and an able worker. He has been constant in his attendance at council meetings, and has taken a very keen interest in everything pertaining to the welfare of the municipality.

A large and representative meeting numbering about 50 persons gathered at the home of Cr. H. P. Zwar in Gower street, Preston, on Tuesday evening. All present decided to form themselves into a fighting committee for Mr. E. F. Norris in the Central Ward election. The meeting was particularly enthusiastic and was regarded by those present as one of the best meetings of its kind for many years. Cr. H. P. Zwar was elected chairman and Messrs. Geo. Henderson and H. F. Nisbett joint secretaries.

Mr. T. R. Clinnick, Not a Candidate
Mr. T. R. Clinnick, of Reservoir, has been approached with a request that he contest the West ward seat at the Preston elections. Mr. Clinnick definitely stated that he had no intention of offering himself as a candidate, but at the same time thanked those who had approached him for their promises of support.

1st Preston Troop

The football team played Reseat Social Club last Saturday and won by 11-1 to set. Best players were W. Crocker, T. Sayers, R. Corbell (3 goals) and A. Westcott. Next Saturday the team plays at Esmond, players to meet at the school hall at 7.15 pm. In August the following members of our troops are looking forward to the football match on Saturday against third Fairfield.

SOCER

Box Hill Defeats Preston

The match between Box Hill and Preston last Saturday was a struggle for points. Box Hill gained a good lead in the first half, but Preston improved so much that it scored two goals and overcame Box Hill in the final stages. Calder got the first goal from a well-placed corner kick, but he was responsible for the opening which gave Gies a goal. Crook made a splendid stop from a hot shot by Calder, but Bailey followed up and scored. Preston took a hand when Johnson off-ended. Gray followed from the free kick, and Melver followed with a less header from Fairweather's pass. Final scores—Box Hill, 2; Preston, 2. Gray and Melver scored for Preston.

Tomorrow's matches:—Preston v. Fairfield at Hilly Park, Preston; Reseat v. Caulfield Reserve at Caulfield.

Preston is now third on the Premiership list by goal difference. The leaders being South Yarra, 21; and Box Hill, 12.

Grade 2—Helmberg, 6; 4. D. H. B. 2. Grade 3—Nethersole, 6; 4. H. B. 2. Reserves, Grade 2—Box Hill, 1; Preston, 1. Junior Association—Tullhewson, 4; Helmberg, 1.

Meet your friends at the Northcote Football Club's training rooms every Sunday morning and discuss the Club's activities.

RESERVOIR NOTES

Owing to recent rains many of the back streets are impassable, and it is a common experience for motorists and even tradespeople to get bogged down at the lake when it is a sight well worth seeing.

Mrs Jupp senior, arrived home via a very late train on Monday, July 12, at Dunedin, New Zealand. Her visit is a wireless enthusiast, and conducts an amateur station there.

The depression is causing decreased attendances at public efforts. Table drains in Duffy street have been cleaned out by the council, and the path attended to so as to make it possible for children. Broadway Rectpath is also better for the work done there.

The effort for unemployed girls organised by Senior Constable Joiner at Reservoir Palais last Thursday drew one of the largest crowds ever seen at Reservoir. Donations for £5 will be shown. Competitions were won as follows:—Waltz, Mr. Anderson and Mrs. Laddie; Fox Trot, Mr. Matheis and Miss Ebers; Minstrel Waltz, (public vote) Mr. Dixon and partner. Judges were Messrs. Battell, Elder, Council, Smale, and Smith. Prizes went to Mrs. Gill (Killarney) and Mrs. Spencer who was awarded the grand prize.

Mr. Kruger (Old Bill) was the successful gentleman in sustained character. Mr. E. Flinders J.P., presented the prizes and the evening closed with a vote of thanks to Senior Constable Joiner and his energetic committee. The committee are to meet to arrange a syllabus of entertainment for the Preston Rowing Club, Danella Park, and Danella Tennis Clubs and Reservoir Band, and it is hoped to make arrangements whereby one of the proceeds will go to the unemployed funds.

NORTHCHOTE SYMPHONY

BEETHOVEN SYMPHONY NO. 5

The outstanding item of the programme for Tuesday evening is the Beethoven Symphony No. 5 in C minor. This symphony was first performed at Vienna on December 22, 1808, and is probably the greatest of the nine wonderful symphonies written by Beethoven. From his first performance it has been recognised as one of the greatest dramas in music.

This symphony portrays in vivid tones and color the conflict between humanity and the all powerful crushing hand of Fate. In the first movement (Allegro con brio) find our hero rudely shaken from his innocent dream of life by the stern challenge of Fate. Then follows passage upon a stormy sea, the struggle between these two great forces, which continues throughout the movement in a thousand ceaselessly changing forms, culminating in the mighty coda, in which all becomes more stern, more inflexible, more fatal than ever, bringing the movement to a tremendous close.

In the second movement (Andante con moto) the struggle and anguish of the first is left behind. All is peaceful, beautiful, spiritual, with a sense of uplift under a thousand different harmonious forms, linking together all Nature.

The Third Movement (Allegro) is more sombre, mysterious, and sinister, destroying the peace and consolation of the previous movement, and suggesting a grim, ponderous, and morose. Following a passage of great beauty, the intensity suddenly breaks forth the wonderful Fourth Movement (Allegro), which carried all before it, triumphant and victorious.

The great power of this work in striking an audience, and its everlasting popularity was shown in no uncertain manner the orchestral concert given last Saturday night, and the music lovers of Northcote are looking forward with great expectation to hearing our own local orchestra perform this work on Tuesday night. Citizens owe a great deal to the founders of this orchestra and these concerts, in giving them the opportunity of hearing the world's greatest works to the very best advantage in their own suburb.

The programme for Tuesday night has taken no less than 14 rehearsals, and a number of players has been increased to such an extent that it has been found necessary to enlarge the town hall platform to accommodate them.

It is hoped patrons will show their appreciation in filling the town hall on Tuesday night to witness this brilliant performance. Full details will be found in our advertising columns.

WOMEN MOLESTED AT THORNBURY

Turf Notes

(By "Lateplayer.")

Past and Present Jumpers.

It takes little provocation for the present generation of raccoons to engage in arguments with old-timers concerning the habits of gallopers of the past and present. The big meeting, such as the Grand National Carnival brings a crop of these arguments. The stock market of old-timers is "the racehorse of today is not as good as in the past." To Blue Mountain and the Mounties, Punch—"he never was." Old-timers regard jumpers like Redleap, Diamond, Baby and Tim Swillower, F. Benson, and the Mounties, to name a few, as being far superior to horses like Mostrooper, Kiesel, Mountain God and Fisco. F. Benson and Co. were much superior to Mostrooper and Co. they must have been wonder horses! The veteran trainer, and former cross-country jockey, who took "My Life on the Australian Turf," gives the impression that he regards Blue Mountain as the "best ever" but he is not wise to overlook this incident. Scobie says "I took him back quickly and, with a short run, he won the race. . . . I was speculating on the next day, and he was out of the race, but I was confident that what had happened didn't matter. . . . Blue Mountain was a cup horse among the "blue mountain jumpers." The present day raccoon might be excused if he smiles and says "I have never seen Blue Mountain have fared if he had hauled a fourth fence in the Grand National. Could he have taken back "quickly" and with a short run popped over the fence" and then gone on to catch and defeat the other horses. Most definitely he could not have done so. Rakwold's winning effort stands out in the history of the most spectacular in the history of the Grand National, and it is probably the greatest of the nine wonderful symphonies written by Beethoven. From his first performance it has been recognised as one of the greatest dramas in music.

REGENT TALKIES

"New Moon" Nearly a thousand extras were employed for spectacular scenes in "New Moon" consisting of a motor race on Monday night. Hundreds of lanterns and searchlights were used to show his true and brilliant failure. She has since done well in her track work and is likely to show some features in the near future. Distant (by Post) she sports along nicely in his work at Caulfield. He has shown promising stamina in races and should be worth a second mind for one of the "down the line" world, a fascinating story with the role of the sophisticated man of the world played by William Powell, standing by William Powell. WHITTLESEA COUNCIL

WEDNESDAY, JULY 8.

The monthly meeting was held on Wednesday. Present.—Cra. W. Thomas, J. Downie, J. Orgill, R. Reid, B. Murphy, B. McCormack, Scott, M. A. Ferguson, R. A. Smith, T. M. Browne and T. Hurrey. Cr. Thomas was appointed chairman.

Correspondence

Country Roads Board approved of work done to the extent of £587 on main Whittlesea road.

C.R.B. authorising the offering of a reward of £5 for information leading to the conviction of persons removing timber from Epping, main Whittlesea, Wallan and Whittlesea-Kinglake roads.

Metropolitan Board of Works stating that sufficient detail has not been supplied to enable the Board to report regarding the provision of sewerage for Thornamstead.—Referred to engineer.

Board of Broadmeadows suggesting that day labor be used to place stone on Maloney's road, such stone being readily obtainable from stone fences. Cr. Downie said it would be far better for the men receiving sustenance to work for it on the roads instead of getting it for nothing as charity.

It was decided that Epping Riding members attend a conference with the City of Preston and Shire of Broadmeadows.

Shire of Kowree sought support in requests to the Government to curtail high school expenditure rather than close small country schools.—Support to be given.

H.C.V. Amount received since last meeting including current rates, £1,351/13/5; Henry Roach, South Morang, account, £1,201/11/1; Loan account, Cr. £125; Water Rate, Cr. £600/6/11; Riding Balance, Dr. £624/13/5. Riding Balance, Dr. £235/0/7; Trust account, Cr. £202/16/6.

Amount recommended for payment General account, £392/2/4; C.R.B. account, £17.

Cr. Downie said Whittlesea Riding was £1,000 worse off than last year. Valuation of property at Thornamstead was £9,000, of which £6,678 had been collected, leaving £2,322 still to come in.

Cr. Downie said the time was coming for a 10% reduction all round. Cr. Hurrey said that owners who were aggrieved had the right to appeal, but their only means of redress, if all valuations were reduced next year, the council would have to increase the amount of the rate to meet its commitments.

Cr. Hurrey said there is nothing sure than we shall have to have a new valuation next year.

Cr. Downie said that land values had dropped and next year there should be an all-round reduction of 10, 15, or even 20%.

Cr. Ferguson moved that Fowler Ltd. be advised that the council had no power to vary the valuation, and that the only remedy was by appeal to the Valuation Board.

It was also decided to consult the Municipal Association if there was any way in which valuations could be legally reduced.

Mrs. L. Young, Epping, drawing attention to awful state of drainage in Cooksack street. She added that she had been complaining unavailingly for 5 years.—Work to be done.

Cr. Ferguson moved that Fowler Ltd. be advised that the council had no power to vary the valuation, and that the only remedy was by appeal to the Valuation Board.

Cr. Downie said the Board of Works originally made the road, and the engineer was seeking assistance from the Board of Works.

Matter referred to engineer. Mr. Zimmer, Epping, complaining of cows on road in Cooper street.—Health Inspector to attend.

R. T. Kimmie, Strathewen, urging the council to request the C.R.B. to complete the work on the road. Mr. Kimmie's road with works in the coming year.—Request to be made for the work.

Mr. Sabelberg, Shire solicitor, reported that Mr. Brennan's claim for 1/3 per yard royalty on ground had been reduced to 1/6 per yard, and magistrate reduced the value to 1/12 per yard. The council had offered 6d per yard received.

McCormack inquired how Royalty was decided on gravel. The Engineer: Every case must be decided on its merits. If it is gravel the council has to pay surface damage. If it is creek gravel the landowner has no claim at all, as the royalty paid, if any, is the property of the State Rivers and Streams Commission.

If the council liked to follow this case up and appeal, it would probably have to pay nothing for royalty. Board of Works re discharge of water from Yan Yean Reservoir into Plenty river, stating that practically all the water came from the natural waterheds. For some time past all discharges from Wallaby Creek and Silver Creek waterheds had been excluded from the Plenty catchment area in times of heavy rain, and the Yan Yean Reservoir had helped to moderate flooding.

F. Passalunghi, South Morang, drawing attention to bad state of road.—Patrolman to attend.

O. F. Pump, Wollert, application to kill dogs.

Mrs. A. Giddens, Strathewen, complaining of flooding from roads.—Health Inspector to attend.

L. Neander, stating that he was unable to complete grubbing on Eden Park deviation, and asked that his deposit be refunded, and work done paid for.

As this was a matter for the Country Roads Board it was decided to request the Board to give the request sympathetic consideration.

W. F. Dalton, Humevale, re state of J. Jack's Creek road from corner of Humevale and Whittlesea road.—To be spent from Johnson's corner to Kinglake road.

Health Inspector

H. M. V. Woodhouse, Health Inspector, starting no cases of infectious disease, reported since July 1. There was a gradual improvement in the sanitary condition of the shire. The quarterly analysis of food samples had been taken for analysis.

Tenders

Tender for fencing, Eden Park deviation.—C. Sleight, £117/16/—accepted.

Finance

Amount received since last meeting including current rates, £1,351/13/5; Henry Roach, South Morang, account, £1,201/11/1; Loan account, Cr. £125; Water Rate, Cr. £600/6/11; Riding Balance, Dr. £624/13/5. Riding Balance, Dr. £235/0/7; Trust account, Cr. £202/16/6.

NORTHCOTE PILE UP A HUGE SCORE

BRIGHTON ANNIHILATED IN AMAZING STYLE

Excellent Exhibition of High Marking and Long Kicking SEYMOUR RE-APPEARS WITH 12 GOALS

(By "Aequus") After a lapse of several weeks Northcote showed a decided reversal of form by completely outplaying Brighton. Though the visitors are a weak combination, it was the workmanlike methods of the locals which were responsible for leaving the seaside helpless.

From the bounce Northcote, in their best style, gave a great display, sweeping through the crushes with tremendous force and speed, and marking and passing beautifully. It was an exhilarating tonic for the local supporters, who have had to swallow many a bitter pill of late.

For the first time for many weeks the conditions were in favor of good football last Saturday, when Northcote met Brighton at the Northcote Park. The arena had dried considerably, and despite a few bad patches was in good order. There was an absence of wind.

Changes Made Northcote made some sweeping changes in the team. Hill, Honig, Briggs, Simmonds and D'Hella were omitted, and Byrne, Woods, Corrigan, Seymour and Gray replaced. Brighton were strongly represented.

THE TEAMS Northcote: Hill, Honig, Briggs, Simmonds, D'Hella, Byrne, Woods, Corrigan, Seymour, Gray. Brighton: Hill, Honig, Briggs, Simmonds, D'Hella, Byrne, Woods, Corrigan, Seymour, Gray.

Northcote's attack was sweeping, and they were in the lead from the start. Hill and Honig were the mainstays, with Byrne and Woods providing the pace. Brighton were unable to cope with the onslaught.

By means of clever play by Seymour, Hill and Honig, Northcote scored twice in the first quarter. The second quarter was a mere formality, with Northcote adding three more goals.

Northcote: 21 goals 7 behinds (133 points). Brighton: 4 goals 5 behinds (29 pts). Ross injured. Receiving a cut on the head Ross was replaced by Kemp. Gray, Ross, and Byrne were the mainstays.

SEYMOUR RE-APPEARS WITH 12 GOALS. Seymour had scored twelve goals, and was the mainstay of the attack. Hill and Honig were also key players.

PRESTON WADE THROUGH MUD TO VICTORY

RED AND WHITES IN FORM. ONCE AGAIN BITTERNESS DISPLAYED IN UNINTERESTING GAME

(By "Follower") Preston increased its chance of inclusion in the four by wading through mud to victory against Prahran last Saturday. The state of the ground, together with poor umpiring, were the chief factors which gave rise to personal bitterness. Two players were reported. It was more like a mud bath than a football match, but still the result counted, and Preston won by adapting their tactics to suit the conditions.

PRESTON GOSSIP. P. Spargo was discharged from the Eyre Street Hospital last Wednesday. Although he is progressing favorably, it will be three or four weeks before he will be able to resume his place on the field.

ANOTHER VITAL MATCH TO-MORROW. Preston will visit Hampton tomorrow afternoon to try conclusions with Sandringham. The game is of vital importance as a defeat by either side will be a serious blow to their prospects for inclusion in the first four.

SATURDAY'S GAMES. The round of contests for tomorrow afternoon should provide some interesting meetings as several of the games are of vital importance. Northcote will visit Oakleigh, and cannot afford to lose. Sandringham will visit Hampton, which seems to give Preston trouble.

PRESTON V PRAHRAN. This match was played at Prahran. The ground was in a very muddy condition. Preston won by a narrow margin, but the game was marred by several incidents, including a player being injured.

PRESTON V HAMPTON. Preston will visit Hampton tomorrow afternoon to try conclusions with Sandringham. The game is of vital importance as a defeat by either side will be a serious blow to their prospects for inclusion in the first four.

PRESTON V OAKLEIGH. Preston will visit Oakleigh tomorrow afternoon to try conclusions with Sandringham. The game is of vital importance as a defeat by either side will be a serious blow to their prospects for inclusion in the first four.

Northcote Council

MONDAY, JULY 20

The usual meeting was held on Monday. Present were the mayor (Cr. J. H. Green, J.P.), Crs. B. E. Johnson, A. H. Oldis, W. Glanfield, S. Pinfrey, S. Davis, A. Bird, M. C. Jones, W. Hayes, A. J. Cornish, J. Sutch and A. Peters. Apologies were received from Crs. W. Turner, J. O. E.L. committee.

The mayor thanked the members of the council for their attendance at the meeting and congratulated them on their successful work during the past few months.

Police Protection.—The Chief Secretary, Mr. J. C. Cain, M.L.A., advised that until financial conditions permitted a resumption of recruiting further police could be allotted to Northcote.

Infantile Paralysis.—The period to which Northcote council decided to contribute expired on June 30 last, and during the previous 15 months nine cases occurred in the municipality. A finance committee to give consideration to the matter was appointed.

Interest Rebate.—The Commonwealth Bank advised of a reduction of 1 per cent. on all loans granted by the bank, provided that the interest rate was not below 4 per cent. The reduction to date from July 1. Interest on overdrafts will be 5 per cent. an annum.

The town clerk informed Cr. Hayes that the council had loans had reduced their interest rates.

The matter was referred to the finance committee.

FRIDAY NIGHT SHOPPING

OPPOSITION TO PROPOSAL TO CLOSE SHOPS
"Would Mean More Unemployment"
Say Traders

At the fortnightly meeting of the Central Northcote Traders' Association the matter of early closing on Friday nights was fully considered and it was agreed that the present was not an opportune time to try the innovation.

After a careful canvass of the street it was found that in some instances further unemployment would result; as a number of shop assistants are only employed to cope with the extra business on Friday nights and Saturday mornings.

If the early closing operated these people would lose their employment as it would be unprofitable to employ them on Saturday mornings only. The fact was also expressed that trade would be withdrawn from the suburbs to the city and shop values would slump accordingly with a consequent fall in municipal revenue.

A petition of protest against the Friday night closing was forwarded to the Minister a short time ago.

NORTHCOTE COURT. TUESDAY, JULY 28

Before Mr. G. Brown, P.M., and Messrs. H. Evans, P. Ryan, J. Jones, W. H. Jones and Mrs. Woods J.S.P.

Young Man Given Chance Robert Howe, Lawry Street, Northcote, was charged that on July 26 he behaved in an offensive manner in Westbourne grove. Constable H. A. McGuinness said he saw Howe at the corner of Westbourne grove and Eastment street. Downie's yard and he said: "I want to tell him his black horse would win a race. I have seen it winning for three weeks." I told him to go home, but he kept circling round me and would not go home. Sergeant McEniff said that people were frightened when Howe went on my premises at all hours of the day and that there were many complaints. The young man's mother undertook to send him to the country if released. The bench discharged Howe on the understanding that he would be taken to the country by one, John Robert Hogarth, of Wonga Park, who undertook to take care of him.

Norman Pines Thomas grove, Thornbury, charged that on July 9 he rode a bicycle without a light in Leinster street. Thornbury was fined £1. Others fined for similar offences were—John James Wain, Gladstone avenue, Northcote; Jack Moore, Carlisle street, Preston; William Marshall, Harrington street, Northcote. The P.M. said that the court was continually issuing warnings about the class of offences. Unlighted bicycles were the greatest menace on the road, and it was in the interests of cyclists who had no lights, that action should be taken against them. Unlighted bicycles could not be seen, and it was very easy for a car to run them down.

Motorist's Two Offences John Sumpter, High street, Preston, charged that on June 26 he drove an unregistered car, was fined £2. He was also fined £1 for driving without a licence. Sumpter pleaded guilty to both charges. He said: "The car was given to me for a debt. I had an offer of some work at Collingwood and as my wife was in ill health, I took the car so as to get down and back again quickly. I have endeavoured to sell the car for £5. The P.M.: What is the amount of the registration fee? The Sergeant: £5/14. The P.M.: The amount of registration is more than the car is worth. Defendant: Yes.

Maintenance Arrears Ada Josephine Hamilton v James Patrick Hamilton, a claim for £28 arrears of maintenance. Mrs. Hamilton said that the order was £2 a week, and her husband had only been paying at the rate of 10/ a week. Hamilton said in the past fortnight he had earned £3/15. Outside work was scarce. Mrs. Hamilton told me I could not send him to gaol. The P.M.: The authorities do not want to keep prisoners in kind in gaol. This man has not committed any offence, but has simply neglected his duty. We recognise that times are hard. By majority decision an order was made that Hamilton be imprisoned unless he pay £1/28 arrears.

Debt George W. Tonkin v Chas. J. McRae, claim for £22/18/5. Order for amount with £1/10 costs.

CRICKET

Bell Club The annual meeting of the Bell Cricket Club was held on July 15, when the following office-bearers were elected for the ensuing season:—President, H. Hollis; vice-president, H. Milton; assistant secretary, E. Cuthbert; treasurer, E. Elms; committee, F. Maher, K. Haddrick, M. Jamieson, H. Kent; hon. secretary, F. Cuthbert, 2 Devon street, Preston. Last season's president (Mr. Webber) presented trophies to R. Smith (batting), G. Smith (bowling), E. Haddrick (fielding), C. Bassett (most improved player) and W. Burns (most catches). Mr. Webber won the recent ugly man competition and was presented with a trophy. Considering the present financial depression the prospects for the season look bright, and the committee are hopeful that last year's supporters will rally round again this year to support the social functions to raise funds for the season.

Boy Cyclist Injured Lindsay Bear, aged 11 years, of Hall street, Alphington, was riding along Hastings street, Northcote last Saturday morning when his bicycle collided with a motor car. He suffered cerebral irritation and a lacerated scalp. He was admitted to the Children's Hospital.

IN THE GARDEN

GLADIOLUS CULTURE

HELPFUL HINTS FOR PRESENT PLANTING

Soil Situation, Planting There are good reasons for the rapid rise of the gladiolus into wonderful popularity. The flowers are delightful in the garden for some decoration; cultivation is easy. The average and even inexperienced amateur gardener can get good results with ordinary care and attention. Then again the flowering season is so long. Blooms are obtainable for nine months of the year. The corms can be planted in succession to keep up continuity of bloom.

The Soil A soil naturally rich and deep for preference, but the gladiolus is not over-particular. It can be grown successfully in soils varying from light sandy to heavy clay. Owing to the vast difference in soils and materials available, the question of manuring must be settled by each grower for himself, preferably by experiment. With the help of an abundant supply of rich natural manures (animal droppings, etc.) in the soil and on the surface, together with plenty of water, and, of course, giant flowers and spikes may be obtained, generally however, with the result that the corms are more susceptible to disease.

The best modern practice, however, tends more and more towards the avoidance of rich manures or decayed vegetable matter where the gladiolus will succeed without their aid. Certainly a rich virgin soil, or a bed which has been well manured for a previous crop, will need no manuring. Whenever manure is used it should be well decayed, and with a handful or two of sand, when planting, to prevent contact with the manure. The only artificial manure we use is superphosphate (1oz. to the square yard). Partly decayed turf from garden is a valuable ingredient in any soil.

Under most climatic conditions the gladiolus shows a dislike to shade, and in southern Victoria, at least, it is found that a position fully exposed to sunshine gives best results. Owing to the possibility of injury to buds and flowers through excessive heat at flowering time, there is a temptation to plant in shady places those corms which are expected to bloom in summer. Our experience would lead us to advise, however, to plant in full sunshine, and, if necessary, a light movable shade, such as a net or canvas, to be placed on the north side and overhead, only when danger threatens. This for those who have both time and inclination.

The soil, and especially the sub-soil, should be moist at planting time but not sudden. For dry weather planting it is preferable to give the soil a thorough soaking a day or two before planting, rather than to water heavily immediately after; that is, where there is any danger of the soil setting hard around the corms. Plant flowering-size corms 3 to 4 inches deep, deepest in light, heavy soils, shallowest in moist, heavy soils; smaller corms not so deep. Plant in any desired formation, single, in clumps of three or more, or in rows, the corms at least 6 inches apart, 15 to 24 inches between the rows. Some successful growers advise planting 12 inches apart, covering the more space given, within reason, the better, but the amount of space must be governed to some extent by the space available. Planting in masses is effective, but in renders the maintaining of thorough soil tillage rather a difficult proposition.

Time of Planting Obviously this will vary greatly according to climate and circumstances. In southern Victoria the corms may be planted, at intervals, from July to the first week in February, but the following is a list of a native of South Africa, does not appreciate having to complete its period of growth during that season. We therefore seldom plant after the first week in February, nor before August. This, however, does not mean where conditions are very dissimilar.

The length of time between planting and blooming will vary greatly with the climate, the weather, the time of planting, and the varieties planted. Local knowledge is necessary, but the following may be a rough guide. In this district, August-September plantings begin to bloom about mid-December; October-November, end of January; December-January ditto, middle of March. In Victoria, the greater part of the flowering-size corms are planted from mid-December (in the coolest districts) to mid-January, or a little later (in the warmest districts), so as to flower in March, April and May; after the summer heat has passed, but before the autumn rains set in. Nothing is gained (rather the reverse) by keeping smaller corms unplanted until this late date, and some of the larger corms will refuse to abide their owner's time. However, a growth of two or three inches before planting will not injure them. These should be carefully planted, and the plants should be watered with aphid (green fly) during storage, and should be examined once or twice before planting. If desired, when planting late it is well to do so. After planting cover with fine soil (no cloths) to required depth.

HAWKER AVENUE RECONSTRUCTION AUTHORISED

Mr. Hemburrow Criticizes Engineer At the meeting of the Preston council on Monday evening the engineer, Mr. W. H. Spence, reported on the reconstruction of Hawker avenue, Preston, in accordance with the original plans. This street was made under private street construction, and when the work there was finished, the owners concerned contended that the original plan had been departed from. The bulk of the work, such as the case, and the council, in order to be in a position to collect payments from the owners concerned, has decided that the original plans must be carried out. Mr. Hemburrow asked what would be the cost of reconstruction, and he shifted and estimates for these were now being obtained. Mr. Hemburrow said he wished to voice his disapproval and condemnation of the reconstruction, and that he would be glad to see the original plans, which had been foisted on the municipality. The council must lay the blame on the engineer, Mr. Spence, either for inefficiency or carelessness. He hoped such a thing would never happen again.

Under most climatic conditions the gladiolus shows a dislike to shade, and in southern Victoria, at least, it is found that a position fully exposed to sunshine gives best results. Owing to the possibility of injury to buds and flowers through excessive heat at flowering time, there is a temptation to plant in shady places those corms which are expected to bloom in summer. POINTED PROVERBS A STRANGE EVOLUTION

No. 1.—The Modern Application I recently received a clipping giving an incident and application based on a proverbial statement. This clipping is so suggestive and interesting that we give it here, slightly condensed. It is based, however, upon a peculiar misconception. Next we shall give the correction and the origin of the statement. Here is the clipping: "He'll never set the river on fire" is a popular saying, implying that the person to whom reference is made will never make much of a success in the world. An incident that there is a kind of a saying, the river on fire that is not to be set by never-do-wells or anyone else.

A man was walking over a bridge in the north end of Greenvale. He lit his pipe and threw the match into the water. That ordinary safe place proved to be anything but safe for the water was covered with a river of fire. Buildings were set on fire and four were burned to the ground. The electric power wires were burned, and the city was interrupted. All from a heedless throw of a match.

That is the only way some people know how to set rivers on fire, and they think they are doing a great thing when they do it. Their match is always ready for use in the blaze. If characters burn up in the resulting conflagration, it happens what care they? Have they not set the river on fire? Ah, there are some kinds of successes, some honorable and some astutely, but of a temporary kind, which are at the expense of the misery and loss of others.

ANGLING. PRESTON CLUB

On Sunday twelve members journeyed to the lake. After recent reports of big catches of fish they were expected to do likewise, but were disappointed, although several spots between Carrum and Beaumaris were tried. The new trout hatchery erected by the Preston City Council at Edgewood Park is now ready to proceed with hatching, and a start will probably be made next week. The hatching process will be supervised by Mr. A. F. Deacon and Mr. W. McCausland. Any one wishing to inspect the hatchery in operation should get in touch with these gentlemen.

Trophies won by members during last season will be presented at the club smoke night on Thursday, August 6.

Electric light committee accounts £2,169/4/1 were paid. R. Stenhouse and H. Standish re concrete footpath construction, urging that a third grant be started to carry out this work.—Engineer to report.

City of Northcote sought attention to roadway along Dundas street between Archbold street and Victoria road. Preston Ladies Rowing Club asked that electric light be connected to rowing shed. Nu-Murray Tennis Club, Regent, sought the use of one of the Town Hall courts for the summer club competitions of the Preston Tennis Association and offered £2 for hire for 12 Saturday afternoons.—Parks committee.

One councillor said it would cost many pounds to put the courts in order. The following matters were referred to P.W. committee.—Drainage of Jackson street had been spread. A post had also been erected in front of a man's double gate.—Cr. Hemburrow moved that the Government on the council's £1,100 raised for unemployment relief.

In reply to Cr. Hemburrow the Mayor said £2,200 had already been spent, of which about £1,500 had been received from the Government. Cr. Hemburrow spoke of a lane off Pleckman street and Bell street, which required attention.—P.W. committee.

Cr. Jones said there was a waste in spending unemployment relief money. Work clearing land had not worth anything near the cost of the other hand the Government would lend the money to the council. Cr. Hemburrow said that the money could be repaid say in 15 years.

The Mayor said he had made similar suggestions to the Minister last year. Mr. Webber, M.L.A., had stated that something of the kind should be done, and so keep the money in circulation. Cr. Adams said Victoria street was not satisfactory.—Referred to engineer; Chaley street, Balmoral estate was impassable.—P.W. committee.

Cr. Maynard moved that the question of road roller drivers be referred to the committee of the council.—Carried.

NORTHCOTE OVERWHELMS OAKLEIGH
BRILLIANT EFFORT ON WIND SWEEP
FIELD

Systematic forwards gain early lead
Splendid spectacle thrills the crowd
(By "Aequus")
To prove that the overwhelming defeat of Brighton was no fluke, Northcote, in a great display, outplayed the home team at Oakleigh last Saturday. A strong north-westerly wind, often a gale, blew diagonally across the field, causing the ball to cut peculiar capers, but the teams, using excellent judgment and dash, mastered the conditions well and gave a highly commendable performance. Northcote obtained a long break early in the game, and despite the ferocious onslaughts of the home team, maintained the lead to the end, finishing with 23 points to the good.

There were 3,000 spectators at Oakleigh last Saturday to see Northcote meet last year's premier, Northcote in the season Oakleigh defeated Northcote by scoring 12 to 4. The ground was in good order but a strong wind made conditions very difficult. Northcote were without Beasley and McEster and Northcote omitted Poulter (injured) Gray and Dea, and included Briggs, Towers and Kemp.

THE TEAMS
OAKLEIGH.—Backs: Watson, Morris, Radford, Dolan; centres: Rowe, Thomson, O'Connell; forwards: Whitfield, Campbell, Frazer, Rodwell, Crumey, Spain, Yemm, Rover, Crumey, Spain, Yemm.
NORTHCOTE.—Backs: Kemp, Woods, McSwain, Nicholls; centres: Towers, Corrigan, Nicholls; forwards: Williams, Rowe, Cole; followers: Pruser, Seymour, Briggs; rover: Byrne, Goulet; rover: Ross.

THE PLAY
Rowe won the toss from Thomas the initial use of the wind. Northcote were to play first.

First Goal
Within a few seconds Northcote dashed the ball from the back to Ross who played to Seymour. The goal kicker made no mistake from well out.

Oakleigh's Reply
Oakleigh quickly went forward. Brilliant marking by Fleming and Yemm bore no fruit, but Fleming, receiving a hit out from the back by Yemm, hurriedly piloted the possible.

Oakleigh was playing well at that stage but Northcote soon took charge and Ross, Byrne and Briggs each scored singles.

A Great Fight
Twice Radford stopped Northcote with timely dashes. Oakleigh seemed faster than Northcote and were attacking vigorously without result. Garrett stopped Rodwell's penalty try before a further free by Frazer went out to the good.

Withers' stoppage Seymour's shot in the teeth of the goals. A great dash by Nicholls had Oakleigh on the defence. Free by Crumey followed by a well judged drop kick for six points.

Northcote's Attack
Play was fast and furious. Pruser had two further tries. After snapping a point, Frazer kicked a goal and the visitors were only 3 points to the good.

Hit Post
Playing in their best style Northcote were again in the lead. Pruser punted a behind and Seymour, for the second time, hit the post. It fell short. Crumey was safe in front of goals and twice marked brilliantly in defence. Yemm snapped a minor.

Captain Injured
Falling in a crush, Rowe was injured and was taken off the field. It was a big blow to the green and white. Dea replaced him. Hammett went half forward and Dea went on the back line.

System Tell
From a fierce sortie in the centre Corrigan emerged and a magnificent pass went straight to Seymour who in a twinkling had the ball to Cole for another big point. Northcote had the issue well and were leading by 17 points at the long interval.

Half time scores:—
Northcote—5 goals 8 behinds, (50 points).
Oakleigh—5 goals 3 behinds (32 points).

Even Play
Both teams commenced smartly. The game proved fast and dashing. Each was powerful in defence and the play hung round the centre. Thomas was having much of the play but was often too far out. Seymour, kicking to the centre, was effective.

Wasted Chance
Great dash by Garrett and McSwain but Oakleigh in the defence. Seymour played to Cole who overdid the short passing and Watson dashed the ball away. Ross and Briggs each scored a point. A penalty try by Seymour went out.

Briggs' Pass
The gem of the match was seen when Briggs marked well on the fence and drove the ball across the field and into the wind to Seymour, who marked cleverly. The latter capped the performance with a grand goal.

Play travelled up and down smartly. Several bad mistakes by Woods hit Oakleigh in. A free to Campbell gained a point before a free against Kemp to the same player near the fence saw a clever major.

NORTHCOTE FOOTBALL CLUB

ASSOCIATION SUB-DISTRICTS
Preston United v Pascoe Vale
Preston had trained solidly and played a very water-tight game, which was well supported on account of the bad going and the high wind, was perhaps the least interesting of the season from the spectators' viewpoint. Pascoe Vale won the toss and elected to kick with "Zedley." Preston were well prepared and they soon had the numbers against them, they turned attack after attack and scored a goal of both teams revealed and rolled over the goal.

THE WHITE GIRL
Miss Lilian George has practically recovered from the heavy cold which kept her confined to her home and during the past few days has been very actively engaged in securing the support and co-operation of her numerous friends in the district. She is very pleased with her efforts, and is a "foreign" capital to the help of the committee supporting Miss George has made arrangements for a night at Northcote Football Club, program will include games, news, and other interesting items, every one being assured of a good evening.

THE BLUE GIRL
Miss Elva West
A successful home party was held at the residence of Mr. Claude Wade, 241 High Street, Preston, on behalf of the Blue Girl. The guests included representatives of the various clubs and they were entertained to a most enjoyable evening. The contest was won by Mrs. Bassett and her friends, who were supported by Mrs. Les West and other ladies. The prize of £100 was won by Mrs. Bassett.

THE RED GIRL
Miss Gwen Oliver
Miss Gwen Oliver held an enthusiastic committee meeting at her home on Wednesday, and it was resolved to hasten the organization of the contest. DEFENCE

WIND SWINGS ROUND FOR RED AND WHITES
Coastal Downpour Puts Spectators in Hopeless Position
DASHING AND SPARKLING FOOTBALL
(By "Follower.")
By giving an excellent exhibition, Preston proved a superior side in all departments against Sandringham on Saturday. The north wind dropped during the last term, veering round to the south, it was accompanied by heavy rain, which condition certainly favored Preston, although prior to this stage the red and whites had a lead of seven goals.

Realising that every effort would be required to defeat Sandringham, Preston had trained solidly and played a very water-tight game, which was well supported on account of the bad going and the high wind, was perhaps the least interesting of the season from the spectators' viewpoint. Pascoe Vale won the toss and elected to kick with "Zedley." MOTHERS!

WOULD YOU LIKE £4/4

Of course every mother would like £4/4, especially at the present time. With a growing family no one knows more than mother how £4/4 could be best spent.

The Cyril Stevens Studios and the Regent Theatre are going one better than offering you £4/4, they are offering as well as cash photographs done by skilled tradesmen to an equal value. The lucky mother can thus win £8/8 if her bonny babe happens to be under 12 months. For other mothers a section for girls from 12 months to 3 years is open, in section three, boys of the same age may enter.

Here's what you do. When purchasing your ticket for Thornbury's Regent ask for an entry form (there is no obligation, it's free), take this to the Cyril Stevens Studios and a photograph of your child will be taken in any position you desire and this will be projected on to the Regent picture screen. The nominal charge of 3/ is made to help cover the cost of the slide. The rest is free. Voting coupons are given away each night at the Regent when tickets are purchased and the child receiving the highest number of votes in each section wins the prize. This sounds too good to be true, a chance of £8/8 or £6/6 for a nominal outlay of 3/. Make inquiries at the Regent Theatre or Cyril Stevens Studios. But make haste, the competition has started and many entries are being received each week, and the number will have to be limited. Don't miss the bus.

The Cyril Stevens Studios specialise in portraits of children and juveniles and the proprietor Mr. Cyril Stevens takes a pride in interesting the little ones and getting them into just that particular position which is adapted to a particular child. A visit to the studio will repay you handsomely and in after life pleasant memories will be brought back by your treasured Cyril Stevens' Photo.

Do not, however think the studios cater for children only, adults, wedding groups, flashlights, and all classes of commercial photographs are undertaken by this elaborately equipped studio. Take your problems to an artist and one competent to give you the utmost service and satisfaction. The address is 758, High Street, Thornbury, opposite the Regent Theatre, Phone JW 1623.

CINDERELLA DANCE

Nearly 300 dancers thronged the Northcote Town Hall on July 23 when a dance, arranged by the Northcote Debutantes and their partners under the patronage of the Mayor and Mayoress, was held in aid of the Central Unemployed Relief Fund. The Mayor and Mayoress (Cr. and Mrs. Green) were present and a most enjoyable evening was spent in dancing to the rhythmic music of the B.B. orchestra. Supper was catered for by Mrs. Olorenshaw, of Normanby Hall, and was carried out in her efficient manner. Miss Katie Brewer and Mr. Max Duan, the joint secretaries, and Mr. C. Warlimont, the hon. treasurer, with the Mayoress were responsible for the excellent arrangements which terminated in such a pleasant function. In congratulating the Debutantes and partners on their effort, Cr. Green said that the Northcote Debutantes would go far in civic life in the city and he hoped that this effort would be followed by others. About £27 will be handed to the Relief Committee from this effort.

CITY OF PRESTON

NOTICE OF SPECIAL ORDER

NOTICE is hereby given that at a Meeting of the Council of the City of Preston held at the Council Chambers, Town Hall, Preston, on Monday, 15th July, 1931, at 7.30 o'clock p.m., the following resolution was agreed to:—

"That this Council do, by Special Order, subject to the provisions contained in Act cited as the Preston Loan Act 1931, declare that all or any specified portion of the money borrowed under Loan No. 15, for £37,000, in regard to item of expenditure of £1040 which was to be applied under Preston Loan Act 1930 for the purchase of machines for making roads, shall be applied as follows:—
