PUBLISHED WEEKLY—PRICE

"PINOCCHIO" AT RIVOLI AND GOWERVILLE FROM SATURDAY

FIRST SUBURBAN THEATRES TO SCREEN NEW WALT. DISNEY EPIC

Walt. Disney, creator of "Pinocchio"

COMMENCING on Saturday next, January 11, and absolutely exclusive to the Rivoli and Gowerville Theatres in this district, "Pinocchio" will make its first suburban appearance. It is safe to say that no picture of 1940 has made the sensation that this Walt. Disney masterpiece has achieved. Peopled with countless new characters; fantastic, yet familiar and as real as life itself; Disney's genius has created a world of make-believe more lovely and more exciting than anything yet seen. It is an illuminating sidelight on human nature when the fact is revealed that "Pinocchio" is as big a hit with adults as with children.

SPECIAL MATINEES ANNOUNCED

As the capacity of both theatres will be taxed to their utmost, special daily matinees have been arranged. Full particulars will be found on Page 5 of this issue.

"PINOCCHIO" IN THE MAKING

500,000 individual drawings! Just let those figures sink in! If you could do one drawing a minute, it would take you over a year to complete the 500,000 drawings necessary to make "Pinocchio."

Known to millions the world over, "Pinocchio" concerns an engaging puppet created by a kindly old wood-carver who is brought to life by the magic star of the Blue Fairy. In human company, Pinocchio runs afoot, and his adventures with Monstro, the whale; Stromboli, the circus puppeteer; J. Worthington Foulfellow, the villainous Fox; Lampwick, the tough boy; and the Coachman, who traps Pinocchio into going to Pleasure Island where bad boys are turned into donkeys—are fast-action exciting sequences, spiced with six tantalizing tunes, gorgeous life-like animation in multiplane Technicolor, magnificent fun and high jinks which will lift you right out of your seats with rare exhilaration! And in all, "Pinocchio" is ninety minutes of unique screen experience which no moviegoer can afford to miss if he is looking for one of the most enjoyable times he has ever spent in a motion picture theatre!

A Busy Christmas Increased Turnover Reported

PROPRIETORS of leading Northcote business establishments had good reason to be satisfied with their turnover for the holiday period which in by far the greater number of instances was considerably better than for some years past. As a matter of fact in some cases previous records were eclipsed.

It was to be expected that with less unemployment than for some considerable time, all places would show an appreciable increase in their takings. Whilst the holidays were much more subdued in character there was little indication to denote that Australia was giving Britain all the help possible in the war unless it was the large number of men in uniform.

Whilst prices generally were slightly in advance of those at the preceding Christmas, they in no way appeared to restrict the spending power of the people. Hotelkeepers were amongst the traders who reported excellent business.

Successful Baby Show

The Hutton St State School Mothers' Club held a successful baby show recently. The babies to win were: 1-9 months, Graham Gribble 1; Albert Carlson 2; special prize, Arlene Looney, 9-18 months, Pauline Chess, 1; Peter Norris 2, 18 mths. to 3 yrs, Margaret Lester 1, John Martin 2, Twins, Suzanne and Marianne Smith. Popular child, Joy Munro.

A special train was chartered to take some 400 pupils of the higher grades to the Zoo on Dec. 7, where free rides were given, also ice-cream. This week Father Xmas will visit the 300 children in the lower grades and give them toys and ice-cream. To assist Father Christmas the Mothers' Club and their friends have dressed between 70 and 80 dolls.

PRESENTATION OF I.O.R. PRIZES

Cr. S. Dennis and W. E. Findlay visited the Northcote High School on December 19 and distributed the prizes and certificates won by the 93 scholars at the recent examination in temperance physiology. Three of the prizes were given by the local branch of the Rechabite Lodge, and the balance by the district. Besides the certificates, every boy who gets 100 per cent pass receives 10/-, and has a chance of winning the I.O.R. Scholarship of 10/- and the John Vale Scholarship of 12/-. Mr. Johnson (headmaster) expressed gratitude on behalf of the parents, staff and scholars at the generous gesture of the I.O.R., and urged the boys to avail themselves of the opportunities presented to them.

Northcote Grocer's Till Systematically Robbed

YOUNG MAN LIBERATED ON BOND

The prosecution alleged in a charge against Reginald James Carthew, 20, of Coburg, in the Northcote Court on December 17, that he had between August 1 and December 10 of the present year, stolen £1 the property of Lew Bros, grocers of High St, Northcote; that accused had systematically paid less amounts into the cash register than the amount of the purchases.

Jack Lew, manager of Northcote Wholesalers, Bent St, said accused had been in the employ of Lew Bros for four years, and recently was a counter hand. Accused had to place the money he received in a cash register. For two months witness had noticed that money was missing from the register, and he reported the loss to the police. The amount missing would be approximately £1 per week for a period of six months.

Anthony McCaffrey, manager of Lew Bros, High St, Northcote, said that on November 14 he kept accused under observation. A woman made a purchase totalling 6/1d. Accused rang up an amount of 4/1d, on the cash register. When taxed about the difference, accused said he must have registered the wrong amount.

Detective Donnelly stated that at 9 a.m. on December 19 he saw accused at Lew Bros' shop. Carthew accompanied him to the detective office and witness told him he felt satisfied he was the person responsible for the thefts. Accused replied that he would not take other people's money. On being told that he had been away lately and that was the only time the cash register tape showed the amount that should be in the till, accused asked witness how much had been taken. He told accused it would be about £100 in 12 months. Accused replied that he had only served a week-end and he had not taken so much. When pressed as to how much he had taken, Carthew said it would be about 2/- a week or a little more over a period of three months up to a month previously, when Mr. McCaffrey caught him taking 2/-, and he had not taken any since. The total amount taken would be about £3 or £4, accused said. On being told that Mr. Lew had missed £3 from that particular till last week end accused repeated he had not taken anything for a month. Asked why he had taken the money, accused said the temptation was too great, and he had spent it in the same way as he would spend his wages.

Accused pleaded guilty and asked the bench—Messrs Addison P.M., and W. Holden J.P.—to deal summarily with him.

On being asked if he could secure employment, Carthew said he could, and was sentenced to three months' imprisonment, the sentence being suspended on him entering into a bond of £25 to be of good behaviour for two years.

"BUDGET" PUBLICITY APPRECIATED

Reference was made at the monthly meeting of the West Ward Progress Association on December 17 to the assistance the association had received from the "Leader-Budget" and on the initiative of Cr. W. H. Turner, seconded by Mr. Thompson, a resolution was carried that the proprietors of the "Budget" be written to thanking them for the valuable assistance given in the way of publicity to the association's activities.

Avail yourself of the "Leader-Budget" Printing Service when your requirements printing at reasonable prices. Our capable staff is backed up by modern equipment which makes for best work.

CHURCHES

S.A. GARDEN FETE

On the afternoon of December 21 the sun shone gloriously upon the Garden Fete opened by the Mayor (Mr. W. Oliver J.P.) on the Salvation Army grounds (High St., Thornbury). A musical programme was rendered by the Thornbury S.A. Silver Band. The Mayor spoke in congratulatory words concerning the magnificent efforts of the band in the presence of a large number of listeners, with flags waving, stalls artistically arranged and the presence of Father Xmas.

The night session was augmented by the presence and aid of a number of Preston handmen. A splendid programme was rendered.

Commissioner W. Dalziel, the Territorial Commander of the Salvation Army in Southern Australia, concluded Christmas morning services in the (Traded), High St., which was full. This was the Commissioner's first visit to the district.

Forewell meetings to Adjutant and Mrs. Parkinson have been held. The Adjutant and his family have to take up work at Moreland.

Major and Mrs. Eschland will be receiving at the (Traded) on Thursday night, January 4 at 8 p.m., when a special installation service will be conducted by Major Gill Ingle.

Northcote Congregational Church (Rev. A. W. A. Rowland)

On Wednesday December 18 Parents and Friends Association held a winter social for the year. A splendid programme was arranged by Mrs. Charleston, the secretary. A happy time was spent by those present in spite of the intense heat.

The Pastor conducted Christmas Services on Sunday, and at the evening service two beautiful solos were rendered by Mrs. Willmott, which were greatly appreciated.

High St. Methodist (Rev. T. W. Butcher)

The Sunday School was reopened on Sunday afternoon for a week. The services throughout Christmas were well attended. The various organisations will resume their activities during the next month.

Croxton Methodist (Rev. J. L. Cousins)

The church was beautifully decorated for the Candlelight Carol service when a large congregation attended. At all the other Christmas services congregations were larger than anticipated for the holiday season.

South Preston and East Thornbury St. James C. of E (Rev. J. E. Kessel-Taylor)

The Christmas and New Year services were well attended.

It is hoped to commence the daily kindergarten shortly. The children who are pleased to attend with their mothers to attend would make application for enrolment.

The dramatic club has decided to produce the three-act play "The Alarm Clock." A meeting has been arranged. The choir, although hindered by the enlistment of many male members, is progressing satisfactorily and presented special anthems during the festive season.

Restraint During The Holidays

NOT one case of vandalism was reported to the Northcote police during the Christmas holidays; neither did the police find it necessary to lock up anybody on charges of drunkenness, which in the atmosphere which was most idyllic. The crowds in the streets during both Christmas and New Year's Eve were well behaved and orderly in the extreme, but this is always typical of Northcote crowds during the festive season and for several years past a similar state of affairs has been in evidence. This is certainly something on which the city has every reason to congratulate itself.

A large part of the younger generation of the community had more money to spend than at other Christmases and they did so without annoying other people. On December 31 there was not a case of any description to claim the attention of Mr. W. Holden, J.P., at the Northcote Court.

Many Holiday Attractions At Regent

Mrs. Ed. H. G. Vernon, formerly Miss May Morrison, made a charming bride in her gown of ivory marquette trimmed with Chantilly lace. Gardenias held her veil and formed her bouquet. Her bridesmaid, Miss Lesley Dickson, wore an attractive frock of blue silk spotted net.

UNIQUE WEDDING AT THE RECENT CARNIVAL

A wedding of a most unusual description was celebrated on Saturday, December 21, at the Regent Theatre, Thornbury, when two of the daughters of Mr. and Mrs. E. C. Bain of Martin Street, Thornbury, were married to two of the sons of Mr. and Mrs. J. A. Thomson of 225, Northcote Road, Wertheim. The bride, Miss Lesley Dickson, was accompanied by her bridesmaid, Miss Lesley Dickson, and the groom, Mr. J. A. Thomson, was accompanied by his best man, Mr. J. A. Thomson.

THORNBURY LADIES' BOWLING CLUB

THE PRESIDENT of the Thornbury Ladies' Bowling Club (Mrs. M. H. Goble) gave an Xmas Party to members on Tuesday, December 17, and a very enjoyable afternoon was spent. The Mayoress of Northcote (Mrs. W. Oliver) and Mrs. J. A. Thomson were the guests of honor. Mrs. Oliver looked charming in a smart frock of black georgette trimmed with white edging and wore a black hat with velvet and blue on the upturned brim. A silver fox fur was worn over the shoulders. Mrs. Thomson wore a black frock with beige coat and a smart black hat.

Much initiative — and as the box office receipts showed, a considerable amount of wisdom — was shown by the popular manager of the Regent Theatre, Mr. J. Neylon, in the attractions provided during the Christmas and New Year holidays for patrons of and visitors to the popular theatre. Besides the usual picture programmes, a number of matinees were given at which well-known radio personalities made their appearance. On December 21 at the matinee Father Xmas was present with a bag of toys and at the Boxing Day matinee Smokey Dawson and his cowboy revellers were in attendance. On the following day — December 27 — Mrs. Olmes and Mrs. Hunt, who deliver over the air, have made them favorites, provided much enjoyment. Nicky and Nancy Lee sponsored the Junior Radio Stars who provided bright and snappy entertainment.

On December 31, at a special matinee, Miss Ivy Ennis' pantomime company brought joy and gladness with their spectacular production of "The Three Kings" (Barbes in the Wood). The Junior Radio Stars and Mabel Harwood were excellent, whilst Mrs. Ennis herself and the London Press, added considerably to the versatility of the programme. The New Year Revels were a riot of fun and laughter contributed to by an able company of artists with Holy Bartok, of 207, as Master of Ceremonies. Happy guesses and good cheer were handed out in abundance to the hundreds who availed themselves of the opportunity of being pleasant.

Donations To Red Cross Funds

The Town Clerk (Mr. J. A. Thomson) desires to acknowledge with thanks donations to the Northcote branch of the Red Cross Society of £2/17/0 from the pupils attending Westleigh College (Miss Everett, principal) and their parents; 8/6 (sale of stamps) from anonymous and £2 from Mrs. D. Deacons.

HAVE XMAS PARTY

The President of the Thornbury Ladies' Bowling Club (Mrs. M. H. Goble) gave an Xmas Party to members on Tuesday, December 17, and a very enjoyable afternoon was spent. NEWSY LETTER FROM THE FRONT

PTE. DAN ROBINSON WRITES HOME
An interesting letter has been received from Pte. Dan Robinson, who formerly lived in Dennis St., Northcote, and who is now serving with the A.I.F. abroad.

The Robinson stated that he had been in an air raid last night. He was in the air raid last night. He was in the air raid last night. He was in the air raid last night.

Value Of 'Leader-Budget' Christmas Advertising

Northcote business men who were sufficiently alive to use the advertising columns of the "Leader-Budget" for the Christmas season, had no cause for regret, as their confidence was well justified.

ASSAULT CASES

Several cases of assault were reported in the Northcote area during the week. The cases were reported in the Northcote area during the week.

FATALITIES

KILLED IN TRUCK CRASH
Edgar Lewis Bain, 39, of Darbury St., Northcote, died on December 24, 1940, as a result of injuries sustained in a truck accident.

COLLAPSE OF SWIMMER

Albert Edward Wright, 50, of Swift St., Northcote, collapsed and was drowned at the Brighton pier on December 26 when he was diving. Every effort was made to bring about resuscitation but in vain.

Other Accidents

George Foster, 19, of Anstrut St., West Preston, was admitted to the Royal Melbourne Hospital on December 21 suffering from a compound fracture of the right arm.

Plaza Pictures And Competitions

THE progressive policy being followed by Mr. Dick Harwood, the popular manager of the Plaza, is reflected in the big attendances which are consistently attending him for the initiative brought about by his long and successful experience in the picture industry. This policy has been freely expressed at the standard of entertainment provided at the Plaza, particularly of more recent months, and fans are quick to notice even the smallest detail that might be of operation for their benefit. Picture audiences are much more critical than they are given credit for. The principal attractions last week were "Captain Blood," "Must Live," and "Captain Blood," both of which sent patrons home with excellent humor, especially after a screening of "Jamaica To-day." Many of Captain Blood's exploits took place at Fort Royal, Jamaica, in the 16th century, and a comparison of this British possession then and as it is at present was an interesting one.

The Story ... OF TWO CATS

CARRIER CONVICTED OF STEALING ONE
 Two cats—one a handsome Persian, the other just an ordinary puss—played a part in a case at the Northcote Court on January 14. Both were produced as exhibits in a case in which a carrier was convicted of stealing a Persian cat in a most exemplary manner so as to impress on officials and habitues that these much maligned animals have their virtues and their value.

Man Brings Trouble On Himself

UNLAWFUL POSSESSION OF CHARGE FAILS
 A young married man's stupid actions in the very early hours of a Sunday morning led to his appearance at the Preston Court on January 8 on a charge of having been in possession of a drink in a public house in a most exemplary manner so as to impress on officials and habitues that these much maligned animals have their virtues and their value.

Around The ... CHURCHES

PHINCE, OF WALKER PARK METHODIST (Rev. E. H. Hately)
 The various organisations of the church will resume activities this week. The Y.P.F. will hold their next meeting in February. The services on Sundays were well attended.

CHRISTIAN SCIENCE

THE SUBJECT of the lesson-sermon at St. Paul's Church, Christian Science, Sunday, January 13. The subject text is from Revelation 21: 1-3. "I will give unto him that is athirst of the water of life free of charge. He that overcometh shall inherit all things, and I will be his God, and he shall be my son. And God shall wipe away all tears from their eyes. There shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away."

Man Brings Trouble On Himself

UNLAWFUL POSSESSION OF CHARGE FAILS
 A young married man's stupid actions in the very early hours of a Sunday morning led to his appearance at the Preston Court on January 8 on a charge of having been in possession of a drink in a public house in a most exemplary manner so as to impress on officials and habitues that these much maligned animals have their virtues and their value.

Excellent Educational Facilities in Northcote

LOCAL STORES CAN SUPPLY NECESSARY EQUIPMENT

... MANY CHILDREN WILL TAKE THEIR FIRST JOB ...

THE City of Northcote offers educational facilities for the growing children within its environs probably unequalled in any other municipality of Melbourne, and when the many schools of different types—but all with one object—are taken into consideration, it will be readily agreed that the statement is not one of idle boast.

But for the moment we are not concerned with other suburbs wherein are well-known public schools and colleges where fees are high and outside the limits of the purse of the ordinary person.

There must be the opportunity for children of the middle classes to pursue their studies under the most congenial and favorable conditions—much more favorable than was the case in years gone by, when many school buildings lacked the necessary sanitation, ventilation and conveniences in operation at present.

The Victorian State School system has much to commend it. There are those who contend that the Commonwealth Government should take over the education of the children. Even if that were done, it is extremely questionable whether the results obtained at the State Schools in Victoria, or any other State for that matter, would have been any more successful than they have been in the immediate past.

But what is accomplished by the existence of State schools can be further improved by the wonderful opportunities which are provided at the Technical or High Schools, where the children are finished off preparatory to entering some trade or profession. But it is not tragic that youth, in proportion to the large number who pass through these schools annually, should find the avenues of employment closed to them by reason of the supply of bright young people soliciting employment exceeding the demand. But with an overpeopled world and the introduction of more machinery, which takes the place of labor, such a thing is general.

DANGEROUS DRIVING CHARGE

REMARKABLE CASE AT NORTHCOTE COURT

William John Campbell was charged at Northcote Court on January 23 with driving on December 20, driven a motor car in Queen's Park, Clifton Hill in a manner dangerous to the public.

Defendant was represented by Mr. P. Brennan and Mr. St. Gilbert. The prosecution was conducted by Mr. St. Gilbert.

Mr. Brennan said that he had no power to make him go to the police station. That is a point of law. Do you claim you had authority?—A felony had been committed.

Transport Regulations Not Observed

COMPANY AND EMPLOYE FINED

A Northcote carrying company and two of its drivers were the defendants in cases at Northcote Court on January 21 for alleged breaches of the road transport regulations. In one instance the charge against the company was dismissed and in another the prosecution withdrew the charge against the driver.

First Constable Rendall said that at midnight on the evening in question defendant came to the address in Westgarth St. where he had a house. He was driving a car and was travelling towards Northcote. Another person was seated in the back seat of the car. The witness did not know his name. He was driving in a dangerous manner and might have been involved in an accident. The witness did not know his name. He was driving in a dangerous manner and might have been involved in an accident.

DOG OWNERS

FINED

THESE PROSECUTIONS UNDER BY-LAW

The first prosecutions under the by-law recently introduced by the City of Northcote, whereby it is an offence to exercise dogs in the city unless they are muzzled, came before the Northcote bench on January 21, when Sgt. Gilbert prosecuted the informant was Leslie Howse, traffic inspector to the Northcote City Council.

The following fines were imposed: Stanley Hookman, 20s; George Northcote and R. Welch, Victoria Rd., Northcote, 10s each with 2s costs; and Frank Wiley, Ronnie St., Thornbury, 15s and 2s costs.

NORTHCOTE CITY WORKSHOPS ARE THE FINEST IN VICTORIA

Claim For Northcote Council's Works
It is doubtful whether one person out of every 500 of Northcote citizens recognizes what a wonderful work of art the city possesses in the municipal depot and workshops in Frederick St. Occasionally somebody breaks out in rhetoric about civic pride and the obligations we owe to our municipal bodies, but it can be truthfully said that in the workshops we have under review there is just what a proud citizen should appreciate: the sane and sound policy of progress without waste which has been put into operation by the City Engineer (Mr. V. J. Bradley) whose mechanical inventions have proved so much advantage to the city generally.

Some idea of the efficient methods in operation and the magnitude of the work being carried out by the workshops can be gained from the opinions expressed by a body of Victorian and inter-state engineers who visited the workshops in 1938. These men, who speak from conviction and experience, stated that the workshops were the most up-to-date and progressive of any municipally-owned in the State, including the Melbourne City Council, because they embrace many manufacturing features which have saved the ratepayers of Northcote thousands of pounds in a number of different ways.

ESTABLISHED ON OLD QUARRY SITE
The workshops are established on the site of an old quarry which took about two years to fill with garbage. Originally there were seven small workshops in different parts of the site. By a gradual process, the central depot in Frederick St. was transferred to the site, and the workshops continued to expand until it assumed its present importance. In other words, the policy introduced in 1922 continued to cause expansion over the years until the ratepayers have a factory of immense value. Even if the cost of the site had been a million pounds, it would have been a good investment.

WORKED ON COSTING SYSTEM
There are 18 employees at the workshops and a floating staff employed from time to time according to the requirements. At the entrance are the offices of the chief clerk and the man who is responsible for the purchase and distribution of stock and equipment, the costing of all works and the allocation of work to the various trades. The only entrance and everything that is brought in or out is under the keen eyes of these employees.

MATERIAL BOUGHT IN BULK
Advantage is taken by watching the market fluctuations of goods or materials and big quantities of materials were purchased before increases in prices took place. Especially has this been the case with more types of many descriptions of mechanical iron, which was purchased at a price which would make merchants envious, and there are tools by the score of different varieties which would cost considerably more if bought singly.

LARGE EMULSION PLANT
The bitumen emulsifying plant is the only one of its kind in Victoria. Over 80,000 gallons of emulsion are provided yearly, resulting in a saving to the ratepayers of £1,000 annually. Economy has been the watchword in the operation of this plant. The steam from the plant serves for iron had been brought in that many other purposes. There is even a "dust" left in the chamber amongst the many bits, where these which are so common, are destroyed by human hands. The public would not understand the amount of work involved through acts of vandalism.

MECHANICAL EQUIPMENT
The road sweeper, which is of the latest design, is the most modern in the State. It was designed by Mr. Bradley and manufactured in the workshops at a cost of £2,000. The street sweeper was also made there from his designs at a cost of £600. Some people might express surprise at a matter of council being engaged in manufacturing, but it might be pointed out that it was necessary to employ a staff capable of coping with breakdowns at peak periods. It was also pointed out that the workshops manufactured only for the council's use and do not sell manufactured goods in competition with private firms or companies. So this policy is a most sensible one and profitable to the council.

VALVE OF PLANT AND BUILDING
The valve is protected from surrounding properties by a concrete wall 10 ft high, and this also was erected by the council. The value of the building, the equipment at £2,500, and all the equipment at £25,000, and all of this has been carried out piecemeal. A very efficient clock is kept on the whole of the council property.

ACTS OF VANDALISM
A tangled mass of 7½ inch steam from the plant serves for iron had been brought in that many other purposes. There is even a "dust" left in the chamber amongst the many bits, where these which are so common, are destroyed by human hands. The public would not understand the amount of work involved through acts of vandalism.

SATURDAY'S GAMES A WASH OUT

Bell Ramblers And Reservoir District Play A Lone Hand

This was the only match played on Saturday. Districts, with 68 and Ramblers 9 61 was the position. Ramblers carried their score to 72 and therefore secured a first innings win.

The eighth round finished drastically for many teams in all grades. Saturday's games were a wash out with sudden outfields played was impossible with the exception of one game.

From Preston To Papua

AN INTERESTING LETTER

Mr. J. G. Ross, formerly an official in the employ of Preston Council, who accepted a position with A. J. Bunting Ltd., Samarai, Papua, made the journey to the latter place in the M.V. "Malaita".

AS yet I am getting on fairly well, possibly through so much well with the dardles, I have swimming. His name is Lannu. The scenery from Moresby to something like that and he calls Samarai is the most beautiful of the Tautaha. He speaks a fairly good English. The islands are close to good broken English mixed with their own dialect. He costs me 15/- a week, but he has more tropical a month plus food, soon. I have vegetation being covered with all to buy a wash tub and a heating coil of green paint - coconut, iron plus paying my £11 per month banana. etc. - in abundance to stop at the hotel. Samarai is the most beautiful of the islands I have seen. It is only about 11 to 13 miles round and the shores are trees and flowers are very pretty. There is a hill in the centre with the house of the Governor. On coming out of the hotel, we struck a particularly heavy storm, a hill in the centre with the house of the Governor. On coming out of the hotel, we struck a particularly heavy storm, a hill in the centre with the house of the Governor.

"MUST BE NO SLACKENING IN AUSTRALIA'S WAR EFFORT"

POSITION REVIEWED BY SPEAKERS AT THE A.N.A. BANQUET

THE general trend of opinion of the speakers at the 153rd anniversary of Australian colonisation and the 40th anniversary of the Commonwealth celebrated by the Metropolitan Committee of the Australian Natives' Association in the Melbourne Town Hall on January 25 was that whilst there should be no slackening of effort on the part of Australia so far as the war was concerned, there must be a determination on the part of all concerned that post-war legislation must be of such a nature as to improve the conditions of social life. Also that soldiers and munition workers must be restored to civil occupations by the development of national works when the war is over.

NEW FEDERAL MEMBER'S VIEWS In proposing the toast of "Australia," Dr. Evatt, M.H.R. who was given a warm welcome, said the Federal Government had made a mistake in not having a more far-reaching programme of social reform. He said that the Federal Government had made a mistake in not having a more far-reaching programme of social reform. LEARN TO SWIM CAMPAIGN

Despite the inclemency of the weather during the past week, a number of those enrolled at Northcote attended the baths to receive instruction in the "Herald" Learn to Swim Campaign. Amongst those who qualified for certificates were the following: Wilma Easton, Clarendon St.; Joan Flynn, Stott St.; June Hushby, Johnson St.; Joy Andrews, Gillies St.; Fairfield; Marjorie Gothard, Gillies St.; Fairfield; Brenda Bolger, Bower St.; Joan Bright, High St.; Jim Boyd, Clifton St.; Lionel Fredman, Westgarth St.; Frank McGee, Hastings St.; John Dutton, Martin St.; John Williamson, Wakanui St.; Morris Trevena, Down St.; Regent; Ken Hunter, Brook St.; Jule McCormack, Bridge St.; Alice Coleman, Beaconsfield Pde.; John Alexander, Thomson St.; N. D. Aitken, Clarke St.

Enrolment for free swimming lessons will continue to be received at the Northcote Baths until the end of the swimming season. The hours of instruction are 7 to 8 a.m.; 3 to 6 p.m.; and 7 to 8 p.m. Sundays excepted. See advertisement elsewhere.

CHARGES AGAINST CONSTABLES, When it was stated in last week's issue of the "Budget" in connection with charges preferred against ex-constables of larceny of motor vehicles, that "how the number plates came to be used is being investigated and developments in this respect might prove matters of unrest for others," it was not intended to create the impression that the case of ex-Constable Howard should be included in that paragraph. We have been requested by ex-Constable Howard to state that this case was not, nor will be brought within the scope of the investigation of the number plates, and in justice to him we do so.

A CORRECTION, In the report of a case which appeared in the "Leader-Budget" of January 15, in which John Collier, Separation St., Fairfield, was convicted for having stolen a cat, the property of Lucy Desmond, of Separation St., it was stated that "Mrs. Helen Tobias swore that she saw a truck pull up and two boys got out, and one boy went to the back of Mrs. Desmond's house and came back with the cat in his possession."

We regret that this statement is not correct, as the evidence tendered by Mrs. Tobias was to the effect that she saw one boy hand the cat to another boy in the cabin of the truck. She did not see the boy pick up the cat at all, and did not see him go to the back of Mrs. Desmond's house and come back with the cat in his possession.

A TALENTED PUPIL, Master Kevin Mich. J. Goodson, only child of Mr. and Mrs. Goodson of May St., Preston, has shown remarkable ability for a youth of 15. Mr. Goodson sen. is a municipal traffic inspector for the City of Melbourne and a returned soldier. Kevin attended St. Thomas, Clifton Hill for three years and was dux, and in the fourth year runner-up; in the fifth year dux of the College, taking eight subjects and passing in all subjects at the examinations held at the Exhibition. He went on to the Christian Brothers' Victoria Pde. and in the leaving he took seven subjects and passed in all seven. He has only just turned 16 years.

St. A. E. Goodson, stationed at Thornbury police station is taking up a career in scientific research work.

SOCIAL BOWLS, (Contributed.) A most enjoyable social game by invitation to the Auburn Bowling Club was played on the Northcote green on Thursday, January 23. It was a keen game. The Northcote Club always endeavours to make all players enjoy themselves to the fullest extent.

The skippers took a keen interest in their teams' play. The Auburn team were well supported by visitors, including ladies, which made it a pleasant evening.

During refreshments the Auburn secretary expressed the thanks of his club to the Northcote Bowling Club for the invitation. He also thanked Mr. Urquhart for arranging the evening.

Towards the end of the game, the assistant bowling secretary of N.B.C. had a look round the teams. One player he noticed, was bowling magnificently. He was Mr. Laurie of A.B.C., their leader, and was bowling against Mr. Clarke. They were both very keen on the game. It gave both sides a lot of pleasure to watch that.

That is what the members want from bowls—plenty of pleasure. Not forgetting Mr. McCully of A.M.B.C., who showed himself a good sport. The game finished in a win for the Auburn Club by a small margin.

Luntie (to new asylum superintendent): "Who're you?" Superintendent: "I'm the new superintendent." Luntie: "Well, it won't take them long to knock that out of you. I thought I was Napoleon when I first came."

Motor Cycle Abandoned During Police Pursuit

RIDER FINED £5, In giving evidence against James Nicholson, Oxford St., Northcote, of having driven a motor cycle at an excessive speed at the Northcote Court on January 27, Const. James Henneberry of the mobile police, said that at 12.25 a.m. on November 29 he saw defendant riding a motor cycle in High St. When he turned into Hastings St. Nicholson accelerated violently. The police car was doing from 65 to 70 miles an hour at the time and was making little gain on the motor cycle. At the bottom of Hastings St. the motor cycle swung violently into a lane and a few minutes later it was found abandoned. Some time after, defendant returned, and when asked why he had travelled at such a speed, said he was in a hurry to get home.

A fine of £5 was imposed.

Wants His License Back

MOTORIST'S APPLICATION ABANDONED, S. J. Bettens Miller St., Northcote, made an application to the Northcote Court on January 27 for a renewal of his motor license, which had been suspended when he was convicted in November last of having driven a car whilst under the influence of liquor.

Applicant said he had a lot of running about to do and the license was convenient, but necessary. The reason why he desired the license was because he was about to take his holidays with his wife and family at Matlock. He had learned a lesson from his lapses.

Senior Detective Donnelly said he had been instructed to oppose the application because not sufficient time had elapsed to show applicant was a responsible driver of a car.

The Bench—Messrs. Addison P.M. and W. Holden J.P.—adjourned the application for eight weeks.
