## Factory Employees Set Loan Lead!

Mobile Unit Visit Nets Over £1000

EMPLOYEES of the Northcote Ice Works, Simla Shoe Co., W. W. Peters Pty. Ltd. and Northcote Shoe Co., established a most noteworthy precedent for all citizens of Northcote, when on Friday morning last, in a little over three-quarters of an hour they subscribed over £1000 to the Austerity Loan.

The visit also strikingly demonstrated the success of the Mobile Units now used by the Central War Loan Committee. These units are comprised of service men and women who have returned from combat areas and who, in addition to addressing workers, move amongst and chat intimately with those gathered to hear them.

Personnel of the unit which visited the Northcote Ice Works, where the employees from all the factories mentioned were assembled, comprised Flying Officer William Able Seaman Organ (R.M.S. Canberra), Staff Sgt. Triggs and Staff Sergeant Hunter and was in charge of Mr. W. A. May. They created a splendid impression and gained instant popularity.

The meeting was opened by Cr. A. V. Peters who spoke briefly on the urgency of fully subscribing the £100,000,000 Loan, and then went on to introduce the various members of the unit, who all gave short but extremely interesting talks which left no doubt in the minds of hearers as to the absolute necessity of an "all-in-dat-out" war effort.

Mr. Perc. Mitchell (Northcote Ice Works), prominent committeeman of Northcote's War Loan Committee, reminded those assembled that the Loan quota set for Northcote was £200,000. Therefore there were two points of paramount importance to bear in mind: Firstly—invest in the Loan Secondly—make your subscription in Northcote!

An approximate tally of the amounts subscribed by the various factories was—Northcote Ice Works £470, Northcote Shoe Co. £250, Simla Shoe Co. £170, W. W. Peters Pty. Ltd. £40.

The managements of these firms are to be congratulated on granting time-off to their employees could attend the meeting.

An interesting feature of the event was that it was filmed by Mr. "Dick" Harwood, of the Plaza at which theatre it will later be screened.

The Minister for Trade and Customs (Senator R. V. Keane) will speak at a public meeting in the Dispensary Hall, Thornbury, on Wednesday, November 11 at 8 p.m. The meeting has been arranged by the Thornbury Branch ALP to give the people of Northcote a chance of hearing a member of the Federal Cabinet. Matters of a vital nature will be discussed, the war situation, industry, rationing, etc. A large attendance is anticipated.

## ZONING OF ICE DELIVERIES

Northcote Zones Announced

To meet the requirements of the Commonwealth Government Department of War Organisation of Industry and Transport Board, who recently gave direction that ice deliveries in all cities throughout Australia be zoned, similar to the system now successfully operating with bread and milk deliveries, the zoning scheme has now been finalised and operates from Monday last, November 2. The scheme is for the duration of the war.

The introduction of Zoning of Ice Deliveries has become necessary to conserve manpower and to overcome the severe rationing of petrol, tyres and spare parts for motor vehicles, the use of which has been thereby seriously curtailed, and is necessary to ensure that the public will be able to obtain regular ice deliveries, so important for the preservation of foodstuffs and safeguard of family health.

For the information of residents of Northcote the Northcote and District Ice and Cold Storage Works, set out on Page 5 a detailed list of the boundaries of the zones and the vendor or works deliver wagon that will service with ice customers within those zones.

To those who have had the pleasure of enjoying "What Ann Brought Home," "Complications," and other brilliant 3-act plays presented by the St. James Dramatic Club, comes the welcome news that this club intends to commence rehearsing for a new production as soon as the play has been cast. The acting secretary (Alec J. Kessel Taylor), of the Vicarage, St. James Church of England, would be pleased to receive the names of any folk (young people included) who wish to take part in the production to come. Previous experience is not essential, and to those who have long awaited a chance to take part in dramatic work, this is an opportunity well worth grasping.

## High School Notes

Ex-Senator Elliott described his visit to Moscow with Lord Beaverbrook and also his experiences in London during the blitz. His speech was much appreciated. The speaker at the close of his address, offered a prize of a free trip to Mildura, to the boy who, during the year, had done the most unconventional constructive act of the school.

A school activity which attracts some attention is the Monday morning march in Merril Park. March time is provided by the school band, and each day the form which marches most attractively is chosen by the teachers. 2D won last week and 2A this week.

## First Aid Post

Special training classes are being arranged to refresh personnel in various houses of the work, including setting-up of trays, practical procedure, etc.

It is proposed to hold a social evening shortly to mark the close of the first year's work at the Post.

Last Friday evening Messrs. A. Shands and J. Fogg were present and Mr. Fogg demonstrated the correct way to don a respirator. Instruction was also given in the approved way to disinfect respirators. New respirators of the latest service type were used in the work.
