

## RESERVOIR FOOTBALL CLUB

### Premiership Team Photos and Teams where known.

The following details are compiled from club annual reports, leagues' annual reports, leagues' weekly and finals football records, local newspapers and from past players' memories. The information was compiled by Reservoir Football Club Life Member and Historian, Bob Harris with the assistance of former premiership player, Robert Cockerell.

In 1989 Robert Cockerell organised the reunion that focussed on the 1946 and 1947 and premiership teams and past players that played during the period ranging from 1948 to the 1960s. This reunion reunited many of our past players with the club.
